

God makes RAINBOWS

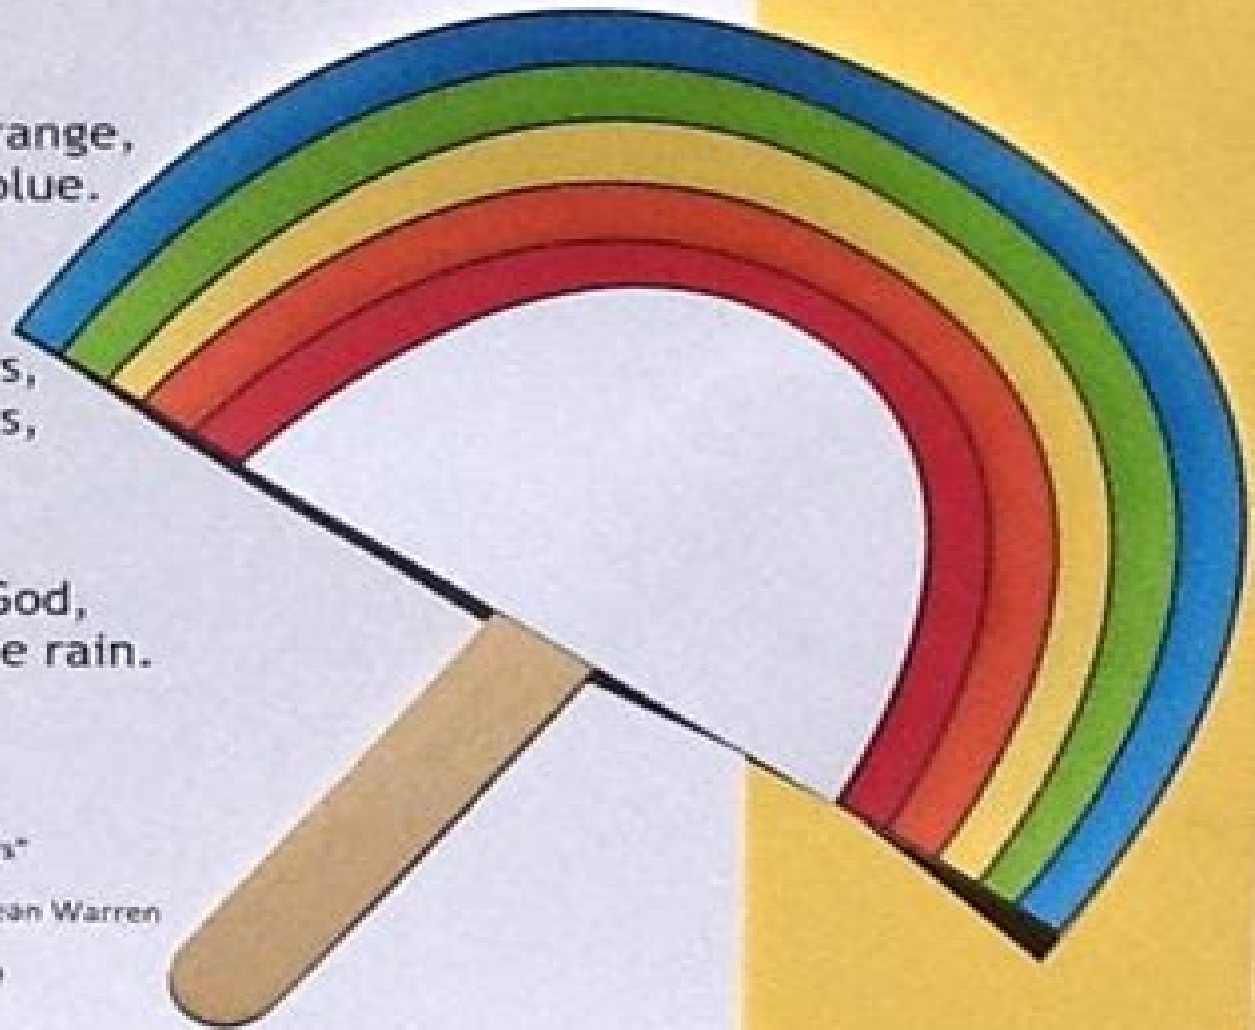

Tune: "Frere Jacques"

God makes rainbows,
God makes rainbows,
Way up high
In the sky.

They are red and orange,
Yellow, green and blue.
Purple, too.
What a view!

God makes rainbows,
God makes rainbows,
Way up high
In the sky.

They are made by God,
Shinning through the rain.
What a view
In skies so blue!

years since their son's passing. In sharing their grief they reveal how it has affected them as individuals as a couple as parents and the relationships with their family friends and with fellow grieving parents. As the passing of their son forces them to come to terms with their new normal their lives continue to move forward as does their grief journey. Through the years they are confronted with many of life's struggles and challenges many of which allow them to find eventual acceptance in living with the never ending emotions for the son they will always grieve for. By relying on each other their family friends and most importantly on their faith they find comfort and peace by leaning heavily on the Lord and trusting in the plans and purpose he has set for them. Not lost on the author is the reality that many of the experiences shared in this story have also been experienced by other grieving parents. Though not intended to be a "How to get through grief" story if for no other reason this story allows other grieving parents and those who love them to know that they are not alone.

Mapping New Terrain in Queer Religious Scholarship Bernard S. Schlager, 2025-03-18. Mapping New Terrain in Queer Religious Scholarship builds upon the work and legacy of Professor John Boswell bringing together contributions that were delivered at the annual CLGS Boswell Lecture Series at Pacific School of Religion, USA. Boswell is lauded as a major scholar in gender and sexuality studies and is recognized as an early advocate for the full inclusion of LGBTQ people in faith communities. Drawing inspiration from Boswell's ground-breaking book *Christianity, Social Tolerance, and Homosexuality* (1980), the chapters address a variety of relevant topics in theology, scripture, queer studies, ethics, and social justice. Boswell's legacy of scholarly excellence and his prophetic activism continue to live on in the writings of these noted academics, religious leaders, and activists. The book will be of particular interest to scholars working in the fields of gender and sexuality studies, religious studies, and the history of Christianity.
