Rainer Maria Rilke Poems 19121926

William H. Gass

Rainer Maria Rilke Poems 19121926:

An Unofficial Rilke Rainer Maria Rilke,1981 *Turning-point* Rainer Maria Rilke,2003 A selection of the less well known but by no means inferior of Rilke s poems *Poems, 1912-1926* Rainer Maria Rilke,1982 Reading Rilke William H. Gass,2013-08-07 The greatly admired essayist novelist and philosopher author of Cartesian Sonata Finding a Form and The Tunnel reflects on the art of translation and on Rainer Maria Rilke s Duino Elegies and gives us his own translation of Rilke s masterwork After nearly a lifetime of reading Rilke in English William Gass undertook the task of translating Rilke s writing in order to see if he could in that way get closer to the work he so deeply admired With Gass s own background in philosophy it seemed natural to begin with the Duino Elegies the poems in which Rilke s ideas are most fully expressed and which as a group are important not only as one of the supreme poetic achievements of the West but also because of the way in which they came to be written in a storm of inspiration Gass examines the genesis of the ideas that inform the Elegies and discusses previous translations He writes as well about Rilke the man his character his relationships his life Finally his extraordinary translation of the Duino Elegies offers us the experience of reading Rilke with a new and fuller understanding

Selected Poems Rainer Maria Rilke,2011-04-14 Rainer Maria Rilke 1875 1926 is one of the leading poets of European Modernism whose poetry explores themes of death love and loss This bilingual edition fully reflects Rilke s poetic development and includes the full text of the Duino Elegies and the Sonnets to Orpheus in accurate and sensitive new translations **Rilke's Sonnets to Orpheus** Hannah Vandegrift Eldridge,Luke Fischer,2019-05-10 Written in three weeks of creative inspiration Rainer Maria Rilke s Sonnets to Orpheus 1923 is well known for its enigmatic power and lyrical intensity The essays in this volume forge a new path in illuminating the philosophical significance of this late masterpiece Contributions illustrate the unique character and importance of the Sonnets their philosophical import as well as their significant connections to the Duino Elegies completed in the same period The volume features eight essays by philosophers literary critics and Rilke scholars which approach a number of the central themes and motifs of the Sonnets as well as the significance of their formal and technical qualities An introductory essay co authored by the editors situates the book in the context of philosophical poetics the reception of Rilke as a philosophical poet and the place of the Sonnets in Rilke s oeuvre Above all this volume s premise is that an interdisciplinary approach to poetry and more specifically to Rilke s Sonnets can facilitate crucial insights with the potential to expand the horizons of philosophy and criticism Essays elucidate the relevance of the Sonnets to such wide ranging topics as phenomenology and existentialism hermeneutics and philosophy of language philosophy of mythology metaphysics Modernist aesthetics feminism ecocriticism animal ethics and the philosophy of technology A Companion to the Works of Rainer Maria Rilke Erika Alma Metzger,Michael M. Metzger,2004 Illuminates the major aspects of the works of Germany s greatest 20th century poet Rainer Maria Rilke 1875 1926 is the best known German poet of his generation and is widely appreciated today by readers in Europe the United States and world wide

Because of the inventiveness and musicality of his poetic language and the visionary intuition of his thinking Rilke's influence extends well beyond poetry to include religion philosophy the social sciences and the arts His works have been widely translated into English and new renderings of such poem cycles as *The Duino Elegies* and *The Sonnets to Orpheus* appear frequently Critics regard Rilke's *Notebooks of Malte Laurids Brigge* as a seminal modern novel *The Companion to Rilke* provides essential up to date essays by top Rilke scholars on a wide range of the major aspects of Rilke's life and works The volume follows the chronology of Rilke's career emphasizing those works that have met with the greatest critical interest Among the topics covered are Rilke's life and thought the writings before 1902 *Das Stunden Buch* and *Das Buch der Bilder* the *Neue Gedichte* *The Cornet* and other brief narratives Malte Laurids Brigge *The Duino Elegies* *The Sonnets to Orpheus* Rilke as a poet in French Rilke and the visual arts Erika and Michael Metzger SUNY Buffalo have written extensively on various aspects of German literature and have edited significant Baroque texts *The Paraclete Poetry Anthology* Mark S. Burrows, 2016-12-01 The anthology spans the first ten years of the poetry series at Paraclete Press Included are poems by Phyllis Tickle Scott Cairns Paul Mariani Anna Kamienska Fr John Julian SAID Bonnie Thurston Greg Miller William Woolfitt Rami Shapiro Thomas Lynch Paul Quenon and Rainer Maria Rilke **Poetry & Translation** Peter Robinson, 2010-01-01 The conviction pleasures and gratitude of committed reading are evident in his affirmation of the poetic contract between readers and writers Andrea Brady Poetry Review *Rilke* Charlie Louth, 2020-06-19 The life of Rilke's work is in its words and this book attends closely to the life unfolding in Rilke's words over the course of his career What is a poem and how does it act upon us as we read What does reading involve These are questions of the greatest interest to Rilke who addresses them in several poems and for whom the experience of reading affords an interaction with the world a recalibration of our ways of attending to it which sets it apart from other kinds of experience Rilke's work is often approached in periods he is the author of the *New Poems* or of *Malte* or of the *Duino Elegies* or of the *Sonnets to Orpheus* as if its different phases had little to do with one another but in fact his writing is a concentrated and evolving exploration of the possibilities of poetic language a working of the life of words into precise and exacting forms in dialogue with the texture of the world *The Life of the Work* traces that trajectory in a series of close readings that do not neglect the lesser known uncollected verse and the poems in French as well as Rilke's activity as a translator of Michelangelo Shakespeare Barrett Browning Mallarm and Valéry among many others These encounters were part of Rilke's engagement with the world his way of extending the reach of his language to get it ever closer to the ungraspable movements the risk and promise of life itself One of his best known poems ends with the words You must change your life an injunction that animates the whole of his work **The Routledge Handbook of Translation Studies** Carmen Millán, Francesca Bartrina, 2013-03-05 The Routledge Handbook of Translation Studies provides a comprehensive state of the art account of the complex field of translation studies Written by leading specialists from around the world this volume brings together authoritative original articles on pressing issues including the

current status of the field and its interdisciplinary nature the problematic definition of the object of study the various theoretical frameworks the research methodologies available The handbook also includes discussion of the most recent theoretical descriptive and applied research as well as glimpses of future directions within the field and an extensive up to date bibliography The Routledge Handbook of Translation Studies is an indispensable resource for postgraduate students of translation studies

A Critical Introduction to Translation Studies Jean Boase-Beier, 2011-04-07 Jean Boase Beier's *Critical Introduction To Translation Studies* demonstrates a keen understanding of theoretical and practical translation It looks to instances where translation might not be straightforward where stylistics play an important role Examples are discussed from works of literature advertisements journalism and others where effects on the reader are central to the text and are reflected in the style It begins by setting out some of the basic problems and issues that arise in the study of translation such as the difference between literary and non literary translation the role of language content and style the question of universals and specifics in language and the notion of context The book then goes on to focus more closely on style and how it enables us to characterise literary texts and literary translation The final part looks at the translation of poetry Throughout it is conscious of the relationship between theory and practice in translation This book offers a new approach to translation grounded in stylistics and it will be an invaluable resource for undergraduates and postgraduates approaching translation studies

Heidegger's Phenomenology of Perception David Kleinberg-Levin, 2019-10-21 This important new book offers an introduction to Heidegger's phenomenology of perception interpreting and explaining five key words Sein Dasein Ereignis Lichtung and Geschick David Kleinberg Levin argues that besides preparing the ground for a major critique of metaphysics and the Western world Heidegger's phenomenology of perception lays the groundwork for understanding perception in particular seeing and hearing as capacities the historical character of which is capable of overcoming and significantly ameliorating the most menacing most devastating features of the Western world that Heidegger subjected to critique He proposes that the development of these capacities is not only a question of learning certain skills but also a question of learning new character and that Heidegger's critique of the Western world suggests ways in which we might learn and develop new more sensitive poetic and mindful ways of relating to the perceived world

Gestures of Ethical Life David Michael Kleinberg-Levin, 2005 For Greek antiquity the question of right or fitting measure constituted the very heart of both ethics and politics But can the Good of the ethical life and the Justice of the political be reduced to measurement and calculation If they are matters of measure are they not also absolutely immeasurable In critical dialogue with texts by Plato Herderlin Rilke Heidegger Benjamin Adorno Marx Merleau Ponty Levinas and Levi the author argues that the question of measure has become ever more urgent in the context of a modernity pressured by the conditions of a technological economy and a relativism that threatens to destroy a vital sense of moral responsibility and the commitment to justice that underlies the possibility of freedom Conceived as a task for the metaphysics of memory this book explores the normative problematic of

measure bringing its deeply buried redemptive promise to appearance in our gestures uses and abuses of the hands the dialectic of tact and the manners of social existence *Rainer Maria Rilke* Patricia Pollock Brodsky, 1988 Provides in depth analysis of the life works career and critical importance of Rainer Maria Rilke The Philosopher's Gaze David Michael Levin, 2023-04-28 David Michael Levin's ongoing exploration of the moral character and enlightenment potential of vision takes a new direction in *The Philosopher's Gaze* Levin examines texts by Descartes Husserl Wittgenstein Nietzsche Heidegger Benjamin Merleau Ponty and Levinas using our culturally dominant mode of perception and the philosophical discourse it has generated as the site for his critical reflections on the moral culture in which we are living In Levin's view all these philosophers attempted to understand one way or another the distinctive pathologies of the modern age But every one also attempted to envision if only through the faintest of traces traces of mutual recognition traces of another way of looking and seeing the prospects for a radically different lifeworld The world after all inevitably reflects back to us the character the reach and range of our vision In these provocative essays the author draws on the language of hermeneutical phenomenology and at the same time refines phenomenology itself as a method of working with our experience and thinking critically about the culture in which we live This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1999 David Michael Levin's ongoing exploration of the moral character and enlightenment potential of vision takes a new direction in *The Philosopher's Gaze* Levin examines texts by Descartes Husserl Wittgenstein Nietzsche Heidegger Benjamin Merleau **Holocaust Literature: Agosin to Lentin S.** Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004 **Narrative and Ethical Understanding** Garry L. Hagberg, 2024-07-05 There has been a steady stream of articles written on the relations between ethics and the interpretation of literature but there remains a need for a book that both introduces and significantly contributes to the field particularly one that shows how we can think more openly and creatively about the multiform powers of ethical narrative by considering ethically significant literature This volume offers an analytically acute and culturally rich way of understanding how it is that we can productively think philosophically about the narrative structures that describe our ethical lives and what kind of distinctive conceptual and in some cases personal progress we can make by doing so Given the extremely widespread interest in ethical issues this volume will strike resonant

chords far and wide on arrival while offering something new in bringing together the study of long form narrative the language of moral psychology and detailed literary case studies Given the vast expansion of narrative studies in recent years the time for just such a volume is right *Martin Heidegger* Rüdiger Safranski,1998 The story of Heidegger s life and philosophy a quintessentially German story in which good and evil brilliance and blindness are inextricably entwined and the passions and disasters of a whole century come into play is told in this brilliant biography Aesthetic Technologies of Modernity, Subjectivity, and Nature Richard Leppert,2015-10-06 Virginia Woolf famously claimed that around December 1910 human character changed Aesthetic Technologies addresses how music especially opera the phonograph and film served as cultural agents facilitating the many extraordinary social artistic and cultural shifts that characterized the new century and much of what followed long thereafter even to the present Three tropes are central the tensions and traumas cultural social and personal associated with modernity changes in human subjectivity and its engagement and representation in music and film and the more general societal impact of modern media sound recording the development of the phonograph in particular and the critical role played by early century opera recording A principal focus of the book is the conflicted relationship in Western modernity to nature particularly as nature is perceived in opposition to culture and articulated through music film and sound as agents of fundamental sometimes shocking transformation The book considers the sound vision world of modernity filtered through the lens of aesthetic modernism and rapid technological change and the impact of both experienced with the prescient sense that there could be no turning back

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Rainer Maria Rilke Poems 19121926**

In a global inundated with screens and the cacophony of fast connection, the profound energy and psychological resonance of verbal beauty usually diminish into obscurity, eclipsed by the continuous assault of sound and distractions. Yet, nestled within the lyrical pages of **Rainer Maria Rilke Poems 19121926**, a charming function of fictional splendor that pulses with natural emotions, lies an remarkable trip waiting to be embarked upon. Written with a virtuoso wordsmith, this exciting opus books visitors on a psychological odyssey, gently exposing the latent possible and profound impact stuck within the intricate web of language. Within the heart-wrenching expanse with this evocative examination, we shall embark upon an introspective exploration of the book is key subjects, dissect its charming publishing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
