Rainy Day Magic Show:

Rainy Day Kids Adventure Book Steph Scott, Katie Akers, 2018-02-15 A practical companion to help kids enjoy outdoor activities and adventures even when it's rainy, snowy or windy. As the weather turns into autumn and the kids start watching more television and stare at the computer, how can you get them out and about to enjoy the cooler months? Outdoor enthusiasts Steph and Katie are teachers and mothers and have years of experience of finding new and novel ways to get kids to enjoy the great outdoors whatever the weather. This great little tome is packed with ideas for games, activities and nature crafts that are perfectly suited to the autumnal and winter months of rain and wind. Activities range from puddle painting and making your own nature paint brushes to making wind spinners from golden leaves and feathers. Why not try puddle pouncing or raindrop racing or create a pool and spa for an elf? Or make a leafy woven kite, windmill or nature parachute for the windy weather. Nature offers loads of autumnal bits and bobs just waiting for a creative hand. And if you don't want to stay out for too long, the book lists things to collect outdoors for taking home and used for stay-at-home projects. The book encourages youngsters to see the excitement of wind, snow, rain and to enjoy the elements with fun projects that excite the imagination.

 Ball,2015-02-01 Tales from Cabin 14 is not your average or same old same old collection of fishing and outdoors stories
 Naturalist and philosopher Henry David Thoreau best summed up the theme behind the Cabin 14 stories when he said Many
 men go fishing all of their lives without knowing that it is not the fish they are after While the actual catch is featured from
 time to time and there are some pretty impressive catches these stories focus primarily on the places where fish congregate
 and the many characters I have met along the way who have done so much to define and shape my personal experiences So
 pull a chair up beside the fire and enjoy your visit to Cabin 14 **One Day and One Amazing Morning on Orange Street**
 Joanne Rocklin,2011-04-01 When a mysterious man arrives one day on Orange Street the children who live on the block try to
 find out who he is and why he s there Little do they know that his story and the story of a very old orange tree connects to
 each of their personal worries in ways they never could have imagined From impressing friends to dealing with an expanding
 family to understanding a younger sibling s illness the characters storylines come together around that orange tree Taking
 place over the course of a day and a half Joanne Rocklin s masterful novel deftly builds a story about family childhood
 anxieties and the importance of connection In the end the fate of the tree and the kids who care for it reminds us of the
 magic of the everyday and of the rich history all around us Praise for One Day and One Amazing Morning on Orange Street
