(Acts 19:2)* Bob McArthur, 2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are

you fully birthed into the family of God Did you receive the Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Dont be alarmed This book is completely Jesus focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way

Jesus' Resurrection and Apparitions Jake O'Connell,2016-11-03 Did Jesus rise physically from the dead or did he rise as a real non bodily apparition like those reported in the parapsychological literature

In this book which is the first book length examination of the question in over fifty years Jake O Connell argues in favor of the physical resurrection hypothesis In order to do so he employs Bayes Theorem a mathematical theorem which encapsulates the way humans think when they analyze the probability of a hypothesis In addition he provides a thorough overview of the evidence for the reality of apparitions of the dead *Penetrating God's World with the Gospel of Christ* Bennie Simmons,2019-02-20

This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you Preaching Through the Christian Year: Year C Fred B.
