

Ramsey Macdonald

Hoover, Herbert

Ramsey Macdonald:

A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

The Western Ideology and Other Essays Andrew Gamble, 2021-04-28 The Western Ideology brings together for the first time Andrew Gamble's writings on political ideas and ideologies which illustrate the main themes of his writing in intellectual history and the history of ideas including economic liberalism and neoliberalism and critiques from both social democratic and conservative perspectives

The Words of Winston Churchill Jonathan Locke Hart, 2022-09-30 The Words of Winston Churchill a study that ranges over the course of a rich controversial and remarkable career is about the power and art of his language as a writer and speaker Churchill used words as the greatest of poets and orators do and did so in Parliament and for the people Britain and the empire in war and peace facing the changes in the world and resisting Hitler and the Nazis Drawing on the traditions of poetics rhetoric and textual commentary the study concentrates on Churchill's writing and is sensitive to texts and contexts and to the archive A central matter is Churchill speaking in Parliament and the reception of his speeches there for over six decades although his work as a writer and a speaker outside the House of Commons is also important Churchill speaks to the House the people Britain the Empire the Commonwealth and the world and in crisis defends freedom and democracy

MacDonald's Party David Howell, 2002-09-05 The Labour Party became a major political force during the 1920s It unexpectedly entered office as a minority government in 1924 five years later as the largest party in the Commons it took office again For many the party's enhanced status was associated closely with its leader Ramsay MacDonald The years of optimism were destroyed by rising unemployment in August 1931 the second Labour Government faced pressures for public expenditure cuts in the midst of a financial crisis The Government collapsed and MacDonald led a new administration composed of erstwhile opponents and a few old colleagues Labour went into opposition an early election reduced it to a parliamentary rump This study offers a uniquely detailed analysis of Labour in the 1920s based on a wide variety of unpublished sources The emphasis is on the variety of identities available within the party and demonstrates how disputes over identity made a crucial contribution to the 1931 crisis Thorough scholarship and distinctive interpretation combine to provide an important examination of a major episode in twentieth century history

British Prime Ministers and Democracy Roland Quinault, 2011-03-17 Today representative democracy is the dominant political system in the world Britain played a prominent part in the democratization of the world through both its constitutional reforms at home and its power and influence abroad In that process Prime Ministers played a prominent role through their power and influence in government Parliament and the country more generally Quinault examines the stance of ten leading Prime Ministers from the mid nineteenth century until

the twenty first century on the theory and practice of democracy The attitude of each Prime Minister is assessed by considering their general views on democracy and their use of that term and concept in their discourse and thereby their role in advancing or resisting democratic political change Particular attention is paid to their role in electoral reform together with their stance on the composition and powers of the House of Lords and the role of the monarchy in the governing process Their attitudes to the democratic aspects of some major international issues are also considered *The Women in the Room* Nan Sloane, 2018-09-30 In February 1900 a group of men representing trade unionists socialists Fabians and Marxists gathered in London to make another attempt at establishing an organisation capable of getting working class men elected to Parliament The body they set up was the Labour Representation Committee six years later when 29 of its candidates were elected to the House of Commons it changed its name to the Labour Party No women took part in that first meeting but several watched from the public gallery Amongst them was Isabella Ford an active socialist and trade unionist who would have been familiar to most of the men assembled below She had been asked by her friend Millicent Fawcett to attend and report back on what happened Millicent was the President of the National Union of Women's Suffrage Societies and Isabella had been involved with the suffrage movement for a long time A few years later she would become the first woman to speak at a Labour Party conference moving a resolution on votes for women but at the Party's inception in 1900 she and every other woman in the hall was silent Throughout Labour's history even in its earliest years women were present in the room but they were not always recorded or remembered They came from many different backgrounds and they worked for the causes they believed in as organisers campaigners negotiators polemicists public speakers and leaders They took on the vested interests of their time sometimes they won Yet the vast majority of them have been forgotten by the Labour movement that they helped to found Even Margaret Bondfield who became Britain's first woman cabinet minister often barely merits a footnote Women made real and substantial contributions to Labour's earliest years and had a significant impact on the Party's ability to attract and maintain women's votes after World War I In addition to Margaret and Isabella in many of the rooms in which the Labour Party found its feet remarkable women wait to be rediscovered This book tells their story *The Parliamentary Debates: Official Report* Northern Ireland. Parliament. House of Commons, 1929 Fabian Socialism and English Politics, 1884-1918 A. M. McBriar, Alan Marne MacBriar, 1962 **Access to History: Britain 1900-57 Second Edition** Michael Lynch, 2015-10-09 Exam Board AQA Edexcel OCR WJEC Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students the best chance of success with this tried and tested series combining in depth analysis engaging narrative and accessibility Access to History is the most popular trusted and wide ranging series for A level History students This title Supports the content and assessment requirements of the 2015 A level History specifications Contains authoritative and engaging content Includes thought provoking key debates that examine the opposing views and approaches of historians Provides exam style questions and guidance for each relevant specification to

help students understand how to apply what they have learnt This title is suitable for a variety of courses including AQA Wars and Welfare Britain in Transition 1906 1957 OCR Britain 1900 1951 **Sources and Debates in Modern British History** Ellis Wasson,2011-11-17 Designed to complement the author s A History of Modern Britain this collection of primary sources illuminates and augments the study of modern Britain with coverage of political imperial and economic history as well as class and cultural issues Features a broad range of documents in a well structured and easy to use format including important well known documents and lesser known excerpts from memoirs and private correspondence Provides up to date balanced coverage of political imperial social economic and cultural history with over 180 documents Offers a thorough rendering of social class and national identity including coverage of changes in British society over the last 20 years Includes discussion questions for each document as well as lists of historical debates and extensive bibliographies of both on line and traditional sources for students further research **Britain's First Labour Government** J. Shepherd,K.

Laybourn,2006-10-27 This volume is the first major account for nearly fifty years to critically re assess Labour s first period in office in terms of domestic foreign and imperial policy It draws on a wide range of private papers and official sources and reconstructs the history of this forgotten government in the broader social and political context of the 1920s *Monthly Notes on Tariff Reform* ,1910 Reader's Guide to British History David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication Public Papers of the Presidents of the United States United States. President,1976 Containing the public messages speeches and statements of the President 1956 1992 Public Papers of the Presidents of the United States, Herbert Hoover, 1930 United States Government Printing Office,1999-06-01 Spine title reads Public Papers of the Presidents Herbert Hoover 1930 Contains the public messages and statements of President Hoover that were issued by the White House during the period January 1 December 31 1930 Also includes appendices and an index Item 574 A Public Papers of the Presidents collection can be found here https://bookstore.gpo.gov/catalog/public_papers/presidents *Public Papers of the Presidents of the United States: Herbert Hoover, 1930* Hoover, Herbert,1976-01-01 Public Papers of the Presidents of the United States *Miners, Unions and Politics, 1910-1947* Alan Campbell,Nina Fishman,2016-12-05 The near destruction of the coal industry and the NUM offers a timely vantage point from which to appraise their history This book presents a collection of specially commissioned essays by leading authorities on miners history which challenge the stereotypical imagery of miners solidarity and loyalty to the Labour Party This book examines the politics of the Miners Federation of Great Britain the unique influences of syndicalism and communism within some of its constituent areas and the uneven pace of the Labour Party s

forward march within the coalfields Such national developments are then studied within their diverse regional contexts through a series of case studies which permits comparison between the major British coalfields Finally the book considers the attempts to overcome these regional diversities with the formation of the National Union of Mineworkers and the nationalisation of the mining industry *Christian and Jewish Women in Britain, 1880-1940* Anne Summers,2016-12-21 This book offers an entirely new contribution to the history of multiculturalism in Britain 1880 1940 It shows how friendship and co operation between Christian and Jewish women changed lives and as the Second World War approached actually saved them The networks and relationships explored include the thousand plus women from every district in Manchester who combined to send a letter of sympathy to the Frenchwoman at the heart of the Dreyfus Affair the religious leagues for women s suffrage who initiated the first interfaith campaigning movement in British history the collaborations often problematic on refugee relief in the 1930s the close ties between the founder of Liberal Judaism in Britain and the wife of the leader of the Labour Party between the wealthy leader of the Zionist women s movement and a passionate socialist woman MP A great variety of sources are thoughtfully interrogated and concluding remarks address some of the social concerns of the present century **Parliamentary Debates** Australia. Parliament,1925 *For Labour and for Women* Christine Collette,1989

Decoding **Ramsey Macdonald**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Ramsey Macdonald**," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
