Real Life Christianity:

Real Life Christianity Alan Kelly, 2009-10 So many in Christianity are confused about their beliefs it s no wonder that those new to the faith have trouble knowing where to start In *Real Life Christianity 7 Basic Principles for Successful Christian Living* author Alan Kelly helps both kinds of readers see that with the right guide it is not hard to bring our faith into our daily lives Beginning with a solid foundation of who God is and who we are *Real Life Christianity* then demonstrates what went wrong in our relationship with God and what God has done to redeem us With these principles in place Alan moves on to show in simple terms how God has planned for us to live a successful life by changing the way we think This daily process of applying what we learn in the Bible to the routines and events of our real lives helps us to go from just surviving to flourishing from living a hectic and harried life to living the abundant and prosperous life God promised in his word

A Real-Life Christian Spiritual Journey Richard Ferguson, 2011-09-20 Richard Ferguson grew up a rough kid in a rough neighborhood and yet he went on to become a Reiki master with a pilots license and two masters degrees How did he rise above his early circumstances It started with a godly epiphany high in the sky above the Pacific Ocean Since then he has been a spiritual seeker and as the good book says those who seek will ultimately find Follow his riotous path in *A Real Life Christian Spiritual Journey* Fergusons Christian transformation was not immediate Once upon a time he hated everything to do with religion Part I uses Fergusons life journey as a template for the paths of all human life We all go through stages and each stage equates to who we ultimately will be and what we will believe in Part II traces the unity of our stages in the earthly realm Part III sets foot into the great beyond Ferguson lost his wife to death but he has come to realize that death is not an ending it is a graduation to a higher more joyful existence in eternity With the guidance of psychologists Erik Erikson and James Fowler as well as spiritual greats St Paul and the Buddha Ferguson looks back on a life well lived proving that when you seek first a higher power all knowledge will be given to you [Christianity and Real Life](#) William E. Diehl, 1976

Our Real Life in Christ M. Alberto Zelaya Aragon, 2013-11-21 Its essential to uncover the current malady affecting the organized Christian Church today not its structuring and not necessarily its organizational approach but present to it His solution which has never been hidden or even veiled in His Word which is that we must return to the true roots of Christianity which is founded on the individual discipleship of each member of His body just as Jesus designed it and modeled it for us while He ministered on this earth It passed the acid test of resiliency when it was mercilessly persecuted as its disciples applied the principles as instituted and instructed by our Lord for all of us to display and to do I encourage anyone to do a Bible search for the word disciple and believer and see firsthand that these words are not interchangeable or used in the same context when referring to a specific person whos known to be committed to our Lord versus referring to a generalization in the third person to someone or a group whos aware about the existence of the real living God Gods remedy its still available today to anyone who truly desires to attain it and can decipher that its only through discipleship that a true

believer is infected with the enthusiasm zeal and eagerness in the commitment to fulfill John 8 31 and Matthew 28 19 reaching to those around them who thirst and hunger for the things of God and in that process experience the life He promises we can live now Its time to abandon once and for all the current practices of mass producing supporters and inscribe it into our minds that the Great Commission was not to make believers but to make disciples The early church didn't churn out cheerleaders and advocates but bona fide disciples taught and equipped according to Ephesians 6 10-17 who then as members of the body of Christ led by example transforming them into a formidable most powerful and effective force the Roman Empire had ever seen Again I want to reiterate that I am not against the church as organized by the apostles but want to revolutionize it where discipleship is the top priority and purpose for its existence I am critical of the current organized version that has taken the place of the real church that nowadays is wasting vast resources and investing them in huge entertainment amphitheaters and often dilute distort and obscure the true message and method to attain this new life established by our Lord Unless this change happens we can't truly reach and change a lost world Our Real Life in Christ seeks to help those who are experiencing that gnawing sensation that there is much more to God's Word than what is being offered by those weekly sermons in churches today *Real-Life Christianity* Andrew Knowles, 1995 Introduction to following Jesus

Real-Life Christian Motherhood Cas Andersen, 2025-01-15 6 Have you ever thought I am a bad mom or I hate motherhood Do you ever feel discouraged by how unappreciated you feel as a mother despite how hard you work to care for your family As Christian mothers we believe in God's love grace and forgiveness toward us but when it comes to raising our kids we oftentimes find ourselves weighed down by guilt shame and discouragement It's almost as if we believe God is generally gracious toward us but not when it comes to our motherhood In *Real Life Christian Motherhood* Cas seeks to show how God's grace and Christ's cross perfectly destroy the lies of mom guilt and mom shame while exposing the difference between them perfectionism in motherhood the tendency to carry our families entirely on our shoulders and how you are never allowed a break a breakdown or a weak moment as a Christian mother Cas's biblically anchored and no nonsense reasoning encourages us to shift our perspective away from these common motherhood fallacies so we can begin to view our motherhood the way God does as a lovingly difficult challenge meant to deepen our love for Him change us and in so doing set us free
