The Reality of the Resurrection Merrill Chapin Tenney, 1963 Jesus return from the dead to resume contact with his disciples is the great unshakable reality of the ages says Merrill C Tenney Dean Tenney makes a forceful case for the traditional Christian view of the Resurrection and demonstrates that Christ's conquest of death has prime significance for the spiritual and intellectual concerns of our age His clear well organized presentation covers almost every aspect of this central doctrine Pagan Myths Hebrew Scriptures and Apocrypha Old Testament Predictions Evidence of the Gospels and Acts Developing Theology of the New Testament Emerging Creed of the Early Church Historical Evidence for the Resurrection Resurrection and the Nature of God Salvation and Eschatology What Christ's Conquering of Death Means for Humanity How the Resurrection Can Give Meaning and Purpose to Life Today

The Reality of the Resurrection Stefan Alkier, 2013-10 In *The Reality of the Resurrection* Stefan Alkier bridges the chasm between history and theology Through a patient historical canonical and hermeneutical study Alkier demonstrates that the resurrection of Jesus is inextricably bound to the general eschatological resurrection of the dead Jesus resurrection is no isolated miracle but is instead the crucial disclosure of the nature of reality the identity of God and the destiny of human beings Interpretation of Jesus resurrection is thus necessarily and unavoidably both historical and theological Alkier accomplishes three tasks Through a descriptive exegetical survey of New Testament rhetoric he locates the resurrection of the Crucified One within a distinct narrative world Alkier then employs the semiotics of C S Peirce to develop a creative epistemology that avoids propositional literalism and modernist reductionism Alkier finally outlines how resurrection impacts Christian praxis *The Reality of the Resurrection* witnesses to that which Paul names as of first importance not only for the early Christian communities but also for the shaping of our communities today

Knowing the Truth About the Resurrection John Ankerberg, John Weldon, 2011-04-06 Throughout history people have tried to discredit Christianity by disputing the claim that Jesus Christ died and rose from the dead Is there evidence so persuasive that after careful evaluation skeptics and critics will realize the truth of the resurrection Unequivocally yes Join in this exploration of the events surrounding the resurrection including The historical and logical evidence supporting Christ's resurrection The accuracy and precision of Jesus predictions The resurrection's unequalled impact on the world This booklet provides a clear concise look at the resurrection It gives you the opportunity to understand and examine the evidence that is the foundation for biblical Christianity

The Reality of the Resurrection Merrill C Tenney, 2020-05-08 Ever since the apostles of Christ invaded the Roman world with the gospel the

Christian church has been endeavoring to formulate its theology in language relevant to the times The essential truth of divine revelation remains unchanged for God is eternally the same but the problems and fashions of human thought vary from century to century Each succeeding period demands some new adjustment discarding the phraseology of the past and adopting eagerly the current formulas that seem more significant In this creedal flux the definition of Christianity often seems to be dependent upon the terms of the latest philosophy that it encounters During the Middle Ages Thomas Aquinas attempted to combine Biblical truth with Aristotelian reasoning Later Immanuel Kant s philosophy led to the theology of Schleiermacher and Harnack and today existentialism wields a powerful influence over Barth Brunner and Bultmann Is there any inherent principle or symbol by which the gospel can be defined without resorting to extraneous forms The author believes that the resurrection of Christ can supply the framework for Christian theology because it marks the intersection of the temporal and eternal worlds of material existence and spiritual life Because the event is supernatural it expresses the essence of God s revelation because it is historical it is a genuine part of human experience The resurrection is a permanent witness to the love power holiness and redemptive purpose of God and is also a fact which must be accepted as part of history It cannot be dismissed as a speculative venture of the intellect which is possibly but not necessarily true **The**

Reality of Jesus Dermot A. Lane,1975 A synthesis of current thinking on Christology The Third Day Hank Hanegraaff,2003-02-09 A study of the historical details surrounding Christ s death and resurrection covering Jesus s fatal torment empty tomb appearances and transformation The foundation of Christian faith the resurrection of Jesus Christ is defended in detail in this powerful work from author Hank Hanegraaff s bestseller Resurrection Factual evidences are examined from the fatal torment and empty tomb to Christ s appearances and transformation Believers will find this chronicle of immense help in defending their faith with tangible proof and in terms the secular world can appreciate and understand Not merely a shield for spiritual battle this book is a torch to arm Christians with a convincing case study of the resurrection of Jesus Christ As Joni Eareckson Tada said Hands down slam dunk the resurrection is the bottom line for the believer Hank leaves no stone unturned thoroughly portraying the resurrection as our grand hope the glorious springboard from which we will dive into eternity With laser beam focus Hank zeroes in on the most convincing facts that back up Jesus s death his empty tomb his post resurrection appearances and the subsequent transformation of those who encountered him What s more he answers the so what question by demonstrating the relevance of the Resurrection to every individual and even to the cosmos itself Lee Strobel bestselling author of The Case for Christ Closer Look at the Reality of the Resurrection Bob George,1992-07 **Resurrection** John Shelby Spong,2009-10-13 Resurrection is an innovative examination of the foundational event of Christianity and an inspiring vision for reconciliation between Jews and Christians Using approaches from the Hebrew interpretive tradition to discern the actual events surrounding Jesus s death Bishop John Shelby Spong questions the historical validity of a literal narrative concerning the Resurrection However Spong is not

searching for the historical Jesus either he asserts that the Resurrection story was born in an experience that opened the disciples's eyes to the reality of God and the meaning of Jesus of Nazareth To fully understand the meaning of the Resurrection it must be approached in the style of the midrash or teaching tale Spong goes on to trace the Christian origins of anti-Semitism to the Church's fabrication of the ultimate Jewish scapegoat Judas Iscariot He affirms the inclusiveness of the Christian message and emphasizes the necessity of mutual integrity and respect among Christians and Jews John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000 As a leading spokesperson for an open scholarly and progressive Christianity Bishop Spong has taught at Harvard and at the Graduate Theological Union in Berkeley California His books include A New Christianity for a New World Rescuing the Bible from Fundamentalism Resurrection Myth or Reality Why Christianity Must Change or Die and his autobiography Here I Stand This book will appeal to those wanting a reasonable nonliteralist faith grounded in the mystery of reality beyond time and space Highly recommended Library Journal

Theology of Hope Jürgen Moltmann, 2021-10-08 Causing a considerable stir when it was first published in Germany in 1965 Theology of Hope represents a comprehensive statement of the importance for theology of eschatology and of an eschatological theology which emphasizes the revolutionary effect of Christian hope upon the thought institutions and conditions of life in the here and now Jürgen Moltmann understands Christian faith essentially as hope for the future of humankind and creation as this has been promised by the God of the exodus and the resurrection of the crucified Jesus God's promise is the compulsory force of history awakening hope which keeps human beings unreconciled to present experience sets them in contradistinction to prevailing natural and social powers and makes the church the source of continual new impulses towards in Moltmann's own words the realization of righteousness freedom and humanity in the light of the promised future that is to come This new expanded edition of a theological classic includes his 2020 Charles Gore lecture A Theology of Hope for the 21st Century in which he offers a powerful reflection on the nature of hope in our current times
