How to Be a Great Cell Group Coach Joel Comiskey, 2022-04-22 Research has proven that the greatest contributor to cell group success is the quality of coaching provided for cell group leaders Many are serving in the position of a coach but they don't fully understand what they are supposed to do in this position Joel Comiskey has identified seven habits of great cell group coaches These include Receiving from God Listening to the needs of the cell group leader Encouraging the cell group leader Caring for the multiple aspects of a leader's life Developing the cell leader in various aspects of leadership Strategizing with the cell leader to create a plan Challenging the cell leader to grow Practical insights on how to develop these seven habits are outlined in section one Section two addresses how to polish your skills as a coach with instructions on diagnosing problems in a cell group how to lead coaching meetings and what to do when visiting a cell group meeting This book will prepare you to be a great cell group coach one who mentors supports and guides cell group leaders into great ministry

Planting Churches That Reproduce Joel Comiskey, 2008-12 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only God's supernatural power can draw people to the truth and liberate them to be all that God wants them to be The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups that is already published relates to small group technique and only touches briefly on the Spirit's power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The book's first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1:8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts

Biblical Foundations for the Cell-Based Church Joel Comiskey, 2012-11-06 Why cell church Is it because David Cho's church the largest church in the history of Christianity is a cell church Is it because someone said the number twelve will bring blessings and growth Is it because cell church is the strategy that many great churches are using Ralph Neighbour repeatedly says Theology must breed methodology This book sets forth the biblical theology for cell based ministry Without biblical truth we don't have a firm underpinning upon which we can hang our

ministry and philosophy On the other hand we can plod through most anything when we know that God is stirring us to behave biblically Cell church is not the latest greatest church growth strategy If it were it would simply be a passing fad until the next hotter more relevant strategy comes along In fact in many places around the world cell church transforms the church through a purification process Church growth is slow but cell church helps Christ's church go deeper Joel Comiskey has been studying the cell church movement since 1991 and has discovered that the cell church strategy doesn't produce rapid growth in itself God reserves growth for himself He wants to receive the glory for all church growth The first section of this book covers the Trinity the model for all small group community The good news is that the Trinity works within believers to mold and shape them into his image This section explores God's emphasis on the family starting from Genesis Christ's formation of a new family and then the early church's focus on family Comiskey believes that family is the principal image of the church in Scripture The last chapter in this section explains Jesus and his kingdom and more specifically how Jesus trained his disciples to evangelism through home based outreach Section two reveals how the early church met in homes It explores what they did in those home meetings the size of the house churches and how home evangelism took place through ancient oikos relationships Comiskey looks at how New Testament leadership developed naturally through the house church structure and how the early church connected the house churches into celebration gatherings large group meetings The last section applies all eight chapters to the church today This last section draws out the New Testament insights that are applicable to the 21st century church

Making Cell Groups Work Navigation Guide Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27 This is an expanded 624 page reference tool for the 8 stage transition process found in How Do We Get There From Here formerly titled Making Cell Groups Work This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition

Home Cell Group Explosion Joel Comiskey, 2023-03-08 Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost He found the answers and freely shares them within this volume If you are a pastor or small group leader you should devour this book It will encourage you and give you simple practical steps for dynamic small group life and growth My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their leaders and record his findings I love this book because it focuses on the multiplication of cells for the greatest evangelistic results C

Peter Wagner Author Scholar and Church Growth Expert Comiskey does not just describe what is happening in cell churches He takes the next step and identifies in a step by step fashion how we can apply these principles in our churches It is all here everything we need to know to start and grow a cell group ministry I am grateful to Dr Comiskey for the time effort and research that has gone into producing this long needed book Richard Peace Ph D Professor of Evangelism and Spiritual Formation Fuller Theological Seminary Joel and I shared many days in Bogota as this book was written His grasp of cell church models is superior to any other person I have worked with this book is a treasure of information for church planters and pastors wishing to transition to the cell model Ralph W Neighbour Jr Author and Pioneer Church Planter *Facilitate* Joel Comiskey, 2019-03-05 *Facilitate* highlights the key dynamics of small groups that will give a leader confidence to minister to those in the group *Facilitate* teaches a leader how to listen well ask questions train others involve people and prepare for the meeting This book shows a potential leader how to develop new leaders to continue the discipleship process It is excellent to use both in a Sunday school class and one on one This book has eight lessons full of practical questions and applications You will learn how to Prepare spiritually for the power of God to flow in the meeting Structure the meeting in a dynamic and effective way Encourage attendees to participate and share their experiences Suggest interesting topics and questions Listen carefully and detect problems in the group By putting into practice the ideas and suggestions in this book any leader of a cell group will find it easy to achieve an exciting atmosphere in the meetings and ensure that attendees want to come back and even bring new people with them

The Spirit-Filled Small Group Joel Comiskey, 2009-11 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only God's supernatural power can draw people to the truth and liberate them to be all that God wants them to be Only through the Spirit's power can we expect to see the miracles that Jesus talked about when He said that if we would abide in Him we would bear much fruit and even do greater works than He did while He was on earth The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups relates to small group technique and only touches briefly on the Spirit's power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The book's first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1:8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts Small group facilitators often feel ill prepared to identify spiritual gifts of the people in the group I firmly believe that the small group

atmosphere is the perfect place to develop the gifts of the Spirit in each member's life and so it is essential that the facilitator know how to do this. Whatever denominational or non-denominational label a church wears, the most important characteristic in my opinion is promoting individual sensitivity, devotion and dependence on the Holy Spirit. In a Holy Spirit-charged atmosphere, cell leaders are best raised up and members are encouraged to minister in their giftedness. This book has been written for those who are leading, facilitating a small group, participating in a small group or considering joining a small group. Group members should read this book for two particular reasons. First, members make a significant contribution to the life of the cell. Each member will be intimately involved in causing supernatural events to happen using the gifts of intercession, etc. In the life of the group, no one is to sit back and do nothing. The best cell leaders, in fact, rarely lead the entire cell; instead, encouraging cell members to participate actively. Second, members are the next in line to actually lead the small group. I am assuming that the readers of this book are believers who desire God and are seeking to walk in the Spirit. I am also assuming that those reading this book are studying the Bible and growing in their relationships with the Lord. There are many great books dedicated to defining each spiritual gift in detail. Many other authors cover gifts beyond the scope of this book, such as voluntary poverty, hospitality, celibacy, missions, exorcism, martyrdom, artistic creativity, craftsmanship, and music. Rather than cover every possible gift, this book will focus on how the Spirit uses gifts in the small group context and guides the leader to facilitate a Spirit-filled group. Because this book is written to lay leadership rather than senior leaders of the Church, I will not cover in detail the five-fold offices that Paul mentioned in Ephesians 4:8. Instead, the gifts I will cover in this book are explicitly listed in Scripture; the one exception is intercessory prayer, which I call a spiritual gift, although some would disagree.

2000 Years of Small Groups Joel Comiskey, 2015-10-03 This book explores how God has used small groups throughout church history, specifically focusing on the early church to the present time. God not only established the early church as a house-to-house movement, but he also has used small groups throughout church history. This book chronicles the small group or cell movement from Jesus all the way to the modern-day cell explosion. Themes include: Small Groups in Biblical History, Small Groups in Early Christian History, Small Groups and Monasticism, Small Groups During the Pre-Reformation Period, Luther and Small Groups, Martin Bucer and Small Groups, The Anabaptist Movement, Puritan Conventicles, Pietism, The Moravians, The Methodists, Modern House Churches, Small Groups in North America, The Modern Day Cell Church. This book will both critique the strengths and weaknesses of these historical movements and apply principles to today's church. You will grow in appreciation and understanding of key small group principles from those pioneers who have paved the way. You will also learn to value those movers and shakers who faced far greater odds to implement small groups than the difficulties confronted today. Many have struggled with the same things you're wrestling with now. And just like they found solutions in the face of persecution and trial, God will help you to persevere, find solutions, and ultimately bear abundant fruit for his kingdom and glory.

Children in Cell Ministry Joel Comiskey, 2015-11-14 In this ground-breaking book, Joel

Comiskey challenges pastors and leaders to move from simply educating children to forming them into disciples who make disciples Comiskey lays out the Biblical base for children s ministry and then encourages pastors and leaders to formulate their own vision and philosophy for ministry to children based on the Biblical text Comiskey highlights how to disciple children in both the large group and the small group He quickly moves into practical examples of intergenerational cell groups and how effective cell churches have implemented this type of group He then writes about children only cell groups citing many practical examples from some of the most effective cell churches in the world Comiskey covers equipping for children how to equip the parents and mistakes in working with children in the cell church This is a must read book for all those wanting to minister to children both in large and small groups Empowered to Pastor Joel Comiskey,2025-01-02

Empowered to Pastor equips pastors to understand how to guide a small group based church to greater fruitfulness Each of the 21 chapters covers a distinct essential aspect of the small group based church The themes include the Biblical base for small group ministry key principles how to transition simple church planting equipping the members coaching and children and youth in small groups Each lesson includes a short video discussion questions Internet resources and a downloadable PowerPoint This book is packed with valuable material designed to help you make more and better disciples of Jesus Christ

Leadership Explosion Joel Comiskey,2022-11-10 This book has been completely revised in 2022 Notice what others have said about this book If your groups need more leaders this book is for you Dr Comiskey demonstrates how effective churches develop leaders Then he shows you how to do the same by outlining the principles of leadership development that will work in any church This book will revolutionize your future ministry C Peter Wagner Chancellor Wagner Leadership Institute Many thanks to Comiskey for a helpful and practical book Many church growth strategies work in the short run but only leadership multiplication creates ongoing kingdom expansion This book communicates biblical proven and effective principles My advice to you Eat this book Let it shape your heart your vision and strategy Jim Egli Author Pastor and TOUCH Trainer Joel Comiskey shares insights as a leader who has himself raised up numerous leaders From how to recognize potential leaders to cell leader training to time tested principles of leadership this book has it all The accurate comparisons of various training models make it a great resource for those who desire more leaders Great book Billy Hornsby National Director Bethany Cell Church Network Comiskey provides an inspiring panoramic view of leadership in this book The concluding chapters which outline the guidelines models and principles for training effective cell group leaders will prove especially helpful to churches that are seeking to deal with leadership issues Karen Hurston Hurston Ministries Once again Joel Comiskey has provided a book that answers the questions of those in the cell church movement I read the manuscript with pen in hand underlining so many sentences that few were left untouched This book will be an excellent reference for cell leaders and might well be incorporated into their ongoing training Ralph W Neighbour Jr Founder TOUCH Outreach Ministries Joel has the divine ability to take vital kingdom information compiled from throughout the body of Christ and boil it down so churches can

clearly understand and practically apply these truths I highly recommend this book for everyone who is serious about training leaders for the harvest Larry Kreider International Director DOVE Christian Fellowship International *Living in Victory* Joel Comiskey, 2020-07-14 Christians desire to grow in their relationship with God They want to flourish to experience victory in their Christian lives They want to live in the overcoming power that the cross provides But they are stuck They are like my friend John who works sixty hours per week sits in two hours of traffic each day and carries the burdens of the world on his shoulders He and his wife Jenny love each other or at least they used to They now spend their time together carting their kids to activities after driving through Taco Bell for dinner Every week John sits in the second row at church listening to the pastor and he and Jenny volunteer in the children s church But he told me last week that he is exhausted On the surface he has a good life but deep down he is drowning He has no real victory How does someone like John stem the tide How does he start living the victorious lifestyle Jesus came to offer Many find the answer in promises of a magic pill something that provides a quick fix But such fixes don t exist The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life True victory comes in heaven and not on earth And only the Spirit of God living through the believer based on God s Word can give true victory But there are basic principles that God has used throughout the centuries to encourage believers and give them victory In this book I ve pinpointed nine principles and priorities that will help a believer live a victorious Christian life They are victory in preparing for eternity victory in experiencing God s love victory in God s grace victory in God s sovereignty victory in spending time with Jesus victory in close relationships victory in the local church victory in rest victory in healthy living These nine priorities will help you understand and apply principles that are simple biblical and time tested to produce spiritual emotional and physical benefits My aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you

Technology, Management and the Evangelical Church John Weaver, 2020-04-02 This book explores the technological innovations and management practices of evangelical Christian religions Beginning from the late 19th century the author examines the evangelical church s increasing appropriation of business practices from the secular world as solutions to organizational problems He notes especially the importance of the church growth movement and the formation of church networks Particular attention is paid to the history of evangelical uses of computer technology including connections the Christian Right has made within Silicon Valley Most significantly this book offers one of the first academic explorations of the use of cybernetics systems theory and complexity theory by evangelical leaders and management theorists

Transmitting the Spirit in Missions Amos Jimmy Markin, 2019-02-05 Transmitting the Spirit in Missions The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to

demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity

Empowered to Lead Joel Comiskey, 2022-01-29 Empowered to Lead equips small group leaders to more effectively facilitate their groups Each of the eighteen chapters covers a distinct essential aspect of small group leadership Each lesson includes a short video discussion questions Internet resources and a downloadable PowerPoint within the lesson This book is packed with valuable material designed to help you make more and better disciples of Jesus Christ **The Community of the King** Howard A. Snyder, 2010-01-28 Howard A Snyder probes the relationship between the kingdom of God and our daily experience of the church **Groups that Thrive** Joel Comiskey, Jim Egli, 2018-04-15
