## **Reasonable Religion Or The Truths Of The Christian:**

*Reasonable Faith (3rd edition)* William Lane Craig, 2008-06-09 Perfect as a textbook yet excellent for lay readers this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes J Gresham Machen once said False ideas are the greatest obstacles to the reception of the gospel which makes apologetics that much more important Wanting to engage not just academics and pastors but Christian laypeople and seekers William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics philosophy probability calculus the arguments for the existence of God and Reformed epistemology His approach that of positive apologetics gives careful attention to crucial questions and concerns including the relationship of faith and reason the existence of God the problems of historical knowledge and miracles the personal claims of Christ and the historicity of the resurrection of Jesus He shows that there is good reason to think Christianity is true As Craig says If you have a sound and persuasive case for Christianity you don't have to become an expert in comparative religions and Christian cults A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case

Reasonable Religion: or the truths of the Christian Religion demonstrated ... Together with the religion of the closet and family religion urged ... To which is prefix'd a preface by the Reverend Dr. Williams Cotton MATHER (D.D., F.R.S.), 1713

*Reasonable Faith* William Lane Craig, 1994 An excellent choice for a rational and systematic defense of the Christian faith Written by one of the top Christian theologians in an easier to read style this expanded edition discusses the relationship between faith and reason covering important core beliefs This resource includes a new chapter on the validity of New Testament documents

Reasonable Religion: Or, The Truths of the Christian Religion Demonstrated Cotton Mather, Daniel Williams, 1713

*Reasonable Religion* Cotton Mather, **Puritanism and Natural Theology** Wallace Williams Marshall, 2016-11-10 The prevailing consensus among historians is that natural theology within Protestantism was born in the eighteenth century as a byproduct of the Enlightenment and had a sharply diminished if not nonexistent role within Puritanism Based on an exhaustive study of the writings of some sixty English and American Puritans spanning from the late sixteenth century to the early eighteenth century this book demonstrates that the overwhelming majority of Puritan theologians not only embraced natural theology on a theoretical level but employed it in a surprising variety of pastoral apologetic and evangelical contexts including their missionary activities to the Indians of New England Some Puritans even asserted that people who had never heard about Christianity could be saved through the knowledge afforded them by natural theology This conclusion reshapes our understanding of the history of apologetics and sheds fresh light on the origins of the Enlightenment itself Puritanism and Natural Theology also examines the crises of doubt experienced by several prominent Puritan theologians advances our understanding of the oft debated issue of the role of reason within Puritanism and sets the Puritans enthusiasm for natural science within the broader context of their beliefs about natural theology

*Proceedings of the Massachusetts Historical Society* Massachusetts Historical Society,1903 Tough Questions, Thoughtful Responses: An Apologetics Journey Dr. Octavian Caius Obeada, In a world shaped by doubt suffering and competing worldviews Tough Questions Thoughtful Responses invites readers on a journey of thoughtful Christian apologetics Designed as a 14 chapter manual that mirrors a full lecture series this book addresses the most pressing challenges to faith evil divine hiddenness science pluralism morality Scripture and the resurrection With a careful blend of biblical wisdom philosophical depth and pastoral care each chapter equips believers to engage difficult questions with both courage and compassion Whether used in a classroom church group or personal study this guide helps readers understand not only what Christians believe but why those beliefs matter Rather than offering quick answers it fosters meaningful dialogue and grounded confidence encouraging readers to live out their faith with clarity humility and love I do not always see but I will not stop seeking Henri Nouwen The wounded healer the silence of God is God Mother Teresa s A complete authorized biography After more than two thousand years of attacks the Bible stands as the most accurately transmitted book from the ancient world Josh McDowell Evidence That Demands a Verdict To be skeptical of the resultant text of the New Testament books is to allow all of classical antiquity to slip into obscurity John Warwick Montgomery History and Christianity "Truth and Proof for the Christian Worldview" A Comprehensive Summary of Christian Apologetics Kelly J.

Walters,2022-11-22 Why is there something rather than nothing That s the quintessential philosophical question in mankind s search not only for the existence of the universe but also for the existence meaning and purpose of life That question forms the essence for this informative and enlightening book in which author Dr Kelly J Walters reveals both the answer Jesus Christ and the abundant evidential proof Everyone longs to know the answers to universally profound questions like Is God

real or What is the true creation story of the universe and of humankind or Is there an afterlife These questions are vast extreme and complex While there are many theories the ultimate empirical and factual answers are impossible to definitively prove for both theist and naturalistic scientism alike Both sides require faith In Truth and Proof for the Christian Worldview Dr Walters offers evidence and rational proof defending the one position that provides the best logical experiential and noncontradictory answer for all the above questions Christianity Atheist turned Christian Dr Walters delves into this convincing evidence providing an organized and scholarly summary and presentation of the detailed research available for Christian apologetics He teaches on a plethora of topics including comparative religion worldviews key logical arguments and formal proofs for God the origins of the universe and life evolution and creationism theories who is Jesus Christ what is true Christianity and more The evidence related to these theological and scientific topics rationally serve to defend clarify and prove the truth for the reality of the one true God of the Bible as creator of the universe and life
