To Submit or to Rebel against the State? James B. De Young,2012-08-14 Give to Caesar the things that are Caesar s and to God the things that are God s With these words Jesus has impacted world history the First Amendment of the US Constitution and a Christian s submission to the rule of a state But what should a Christian do when there is widespread rebellion against government law and morality What recourse do Christians have when the state violates its divine mandate and endorses abortion gay marriage euthanasia the lottery and war If the state disobeys natural moral law should the Christian oppose the state What can Christian resistance from the past teach us about the present Is it wrong to pledge allegiance to the state What is the limit to allegiance Can morality be legislated James De Young seeks to answer these questions as he weighs the issues confronting the Christian as a citizen of this world yet also a citizen of heaven Carefully weighing texts such as Matthew 22 21 Romans 13 1 Timothy 1 and 2 and 1 Peter 2 the author challenges Christians to follow the Bible in this age of revolution and in the struggle for religious freedom **Hellrazed?** Kevin Miller,2017-11-15

In September 2012 the feature length documentary Hellbound was released in theaters across North America Joining a growing chorus of voices that were questioning the traditional view of hell as a place of eternal conscious torment the film asked a handful of burning questions Does hell exist If so who goes there and why More importantly what do our views about hell say about us and our understanding of God And how do our beliefs about these issues affect the kind of world we create the kind of people we become Five years later the debate over hell is far from settled but the landscape in which such

questions are being asked has changed radically Hence filmmaker Kevin Miller decided it was time to go back to some of the people who appear in Hellbound and others he met along the way to get their input on how the debate has shifted and how it s remained the same The result is a plethora of voices offering all sorts of perspectives some highly academic some polemic some intensely personal and all bound to impact how readers think and feel about this issue *The Publishers Weekly* ,1928
