Rebel Raider:

Rebel Raider H. Beam Piper, 2023-08-22 *Rebel Raider* by H Beam Piper Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format

Rebel Raider James A. Ramage, 2014-02-17 At the age of twelve American William R Dunn decided to become a fighter pilot In 1939 he joined the Canadian Army and was soon transferred to the Royal Air Force He was the first pilot in the famous Eagle Squadron of American volunteers to shoot down an enemy aircraft and later became the first American ace of the war After joining the U S Army Air Corps in 1943 he saw action in the Normandy invasion and in Patton s sweep across France Twenty years later he fought again in Vietnam Dunn keenly conveys the fighter pilot s experience of war the tension of combat the harsh grip of fear the love of aircraft the elation of victory the boisterous comradeship and competition of the pilot brotherhood *Fighter Pilot* is both a gripping story and a unique historical document

Contested Borderland Brian Dallas McKnight, 2006-01-01 From 1861 to 1865 the border separating eastern Kentucky and south western Virginia represented a major ideological split This book shows how military invasion of this region led to increasing guerrilla warfare and how regular armies and state militias ripped communities along partisan lines leaving wounds long after the end of the Civil War

Kentucky Rising James A. Ramage, Andrea S. Watkins, 2011-11-04 The authors integrate the cultural social economic and military history of the state into a highly readable interesting story of antebellum Kentucky Marion Lucas author of *A History of Blacks in Kentucky* *Kentucky Rising* presents a comprehensive view of the commonwealth in the sixty years before the Civil War Covering everything from architecture and entertainment to the War of 1812 and the politics of slavery historians James A Ramage and Andrea S Watkins explore this crucial but often overlooked period to reveal an era of great optimism and progress Drawing on a wealth of primary and secondary sources Ramage and Watkins demonstrate that the eyes of the nation often focused on Kentucky which was perceived as a leader among the states before the Civil War Globally oriented Kentuckians were determined to transform the frontier into a network of communities exporting to the world market and dedicated to the new republic *Kentucky Rising* offers a valuable new perspective on the eras of slavery and the Civil War An outstanding beautifully written book that centers on Kentucky s contributions to the nation during the antebellum era *Bowling Green Daily News*

The Cars of American Motors Marc Cranswick, 2012-01-06 Though American Motors never approached the size of Detroit s Big Three it produced a long series of successful cars that were distinctive often innovative and in many cases influential This history examines AMC s cars from the company s formation in 1954 through its absorption by Chrysler in 1987 The Gremlin Pacer and Eagle vehicles are examined in detail as are the AMC custom cars of George Barris and Carl

Green The text details AMC s 1980s involvement with the French firm Renault and the design legacy of that joint venture which includes the Hummer The evolution of Jeep is covered from the 1960s through the 2000s Features include some 225 photographs a listing of AMC Rambler clubs organizations and business entities with contact details tables of detailed specifications and performance data data on technical devices trim packages and all model variations a comprehensive account of AMC Rambler appearances in film television and cartoons Basil Wilson Duke, CSA Gary Robert

Matthews,2005-11-04 The first biography of one of Kentucky s best Confederates who became a good citizen working for reconciliation between North and South The Post and Courier After practicing law for several years in St Louis Basil Wilson Duke 1838 1916 enlisted in the Confederate army in 1861 and was elected first lieutenant of John Hunt Morgan s legendary cavalry unit As second in command he was Morgan recorded wise in counsel gallant in the field and always the right man in the right place Duke was twice wounded in battle and was captured during Morgan s Great Raid and held prisoner for over a year When Morgan who was also Duke s brother in law was killed in 1864 Duke was promoted to brigadier general and appointed commander of Morgan s men Moving to join forces with those of Gen Joseph E Johnston s army in North Carolina he was assigned to the force escorting Jefferson Davis in his retreat from Richmond at the close of the war Basil Wilson Duke CSA the definitive biography of this important but often overlooked figure in Civil War history establishes that Duke was in fact the brilliant tactician behind much of the success of Morgan s cavalry Author Gary Robert Matthews not only offers an in depth study of Duke s celebrated Civil War exploits but also traces his varied postwar literary legal and political careers Fascinating a vividly written story about a modest Southern gentleman in which the reader may come to his own conclusion that Basil W Duke was the power behind Morgan s so called military genius Edison H Thomas author of John Hunt Morgan and His Raiders **Commemoration in America** David Gobel,Daves Rossell,2013-09-03 Commemoration lies at the poetic

historiographic and social heart of human community It is how societies define themselves and is central to the institution of the city Addressing the complex ways that monuments in the United States have been imagined created and perceived from the colonial period to the present Commemoration in America is a wide ranging volume that focuses on the role of remembrance and memorialization in American urban life The volume s contributors are drawn from a spectrum of disciplines social and urban history urban planning architecture art history preservation and architectural history and take a broad view of commemoration In addition to the making of traditional monuments the essays explore such commemorative acts as building preservation biography portraiture ritual performance street naming and the planting of trees Providing an overview of American memorialization and the impulses behind it Commemoration in America emphasizes a universal tendency for individuals and groups to use monuments to define their contemporary social identity and to construct historical narratives The volume shows that while commemorative acts and objects affect the community in fundamental ways their meaning is always multivalent and conflicted attesting to both triumphs and tragedies Constituting a vital part of both

individual and national identity commemoration s contradictions strike at the core of American identity and speak to the importance of remembrance in the construction of our diverse national cultural landscape Contributors Jhennifer A Amundson Judson University Catherine W Bishir North Carolina State University Libraries Thomas J Campanella University of North Carolina at Chapel Hill Glenn T Eskew Georgia State University Glenn Forley Parsons The New School for Design Sally Greene University of North Carolina at Chapel Hill Alison K Hoagland Michigan Technological University Lynne Horiuchi University of California Berkeley Ellen M Litwicki SUNY Fredonia David Lowenthal University College London Mark A Peterson University of California Berkeley Richard M Sommer University of Toronto Dell Upton University of California Los Angeles

Confederate Outlaw Brian D. McKnight, 2011-04-08 In the fall of 1865 the United States Army executed Confederate guerrilla Champ Ferguson for his role in murdering fifty three loyal citizens of Kentucky and Tennessee during the Civil War Long remembered as the most unforgiving and inglorious warrior of the Confederacy Ferguson has often been dismissed by historians as a cold blooded killer In *Confederate Outlaw Champ Ferguson and the Civil War in Appalachia* biographer Brian D McKnight demonstrates how such a simple judgment ignores the complexity of this legendary character In his analysis McKnight maintains that Ferguson fought the war on personal terms and with an Old Testament mentality regarding the righteousness of his cause He believed that friends were friends and enemies were enemies no middle ground existed As a result he killed prewar comrades as well as longtime adversaries without regret all the while knowing that he might one day face his own brother who served as a Union scout Ferguson s continued popularity demonstrates that his bloody legend did not die on the gallows Widespread rumors endured of his last minute escape from justice and over time the borderland terrorist emerged as a folk hero for many southerners Numerous authors resurrected and romanticized his story for popular audiences and even Hollywood used Ferguson s life to create the composite role played by Clint Eastwood in *The Outlaw Josey Wales* McKnight s study deftly separates the myths from reality and weaves a thoughtful captivating and accurate portrait of the Confederacy s most celebrated guerrilla An impeccably researched biography *Confederate Outlaw* offers an abundance of insight into Ferguson s wartime motivations actions and tactics and also describes borderland loyalties guerrilla operations and military retribution McKnight concludes that Ferguson and other irregular warriors operating during the Civil War saw the conflict as far more of a personal battle than a political one

Insurgents, Raiders, and Bandits John Arquilla, 2011-07-16 From the small bands of wilderness warriors who battled in 18th century North America to the Chechen Lion and the contemporary conflict in Chechnya John Arquilla chronicles the deadly careers of the greatest masters of irregular warfare over the past 250 years Their impact on events has been profound with irregulars playing crucial roles in such epochal struggles as the Anglo French duel for North America the defeat of Napoleon in Spain and Russia the American Civil War both world wars and the current era of terrorism Seeing the world through the eyes of guerrillas raiders and bandits Arquilla has written an alternative history that provides lessons for warfare in our time that

must not be ignored **Rebels on the Great Lakes** John Bell,2011-09-14 In 1863 1864 Confederate naval operations were launched from Canada against America with an unexpected impact on North America s future Since the terrorist attacks of 9 11 a myth has persisted that the hijackers entered the United States from Canada This is completely untrue Nevertheless there was a time during the U S Civil War when attacks on America were launched from Canada but the aggressors were mostly fellow Americans engaged in a secessionist struggle Among the attacks were three daring naval commando expeditions against a prisoner of war camp on Johnsons Island in Lake Erie These Confederate operations on the Great Lakes remain largely unknown However some of the people involved did make more indelible marks in history including a future Canadian prime minister a renowned Victorian war correspondent a beloved Catholic poet a notorious presidential assassin and a son of the abolitionist John Brown The improbable events linking these figures constitute a story worth telling and remembering Rebels on the Great Lakes offers the first full account of the Confederate naval operations launched from Canada in 186364 describing forgotten military actions that ultimately had an unexpected impact on North Americas future

Soldiers and Citizens' Album of Biographical Record [of Wisconsin] Containing Personal Sketches of Army Men and Citizens Prominent in Loyalty to the Union Mrs M. A. W. Brown,Hiram O. Brown,1888 **Soldiers' and Citizens' Album of Biographical Record [of Wisconsin] Containing Personal Sketches of Army Men and Citizens Prominent in Loyalty to the Union** ,1888 **The Uncivil War** Robert R. Mackey,2014-08-04 The Upper South Arkansas Tennessee Kentucky and Virginia was the scene of the most destructive war ever fought on American soil Contending armies swept across the region from the outset of the Civil War until its end marking their passage at Pea Ridge Shiloh Perryville and Manassas Alongside this much studied conflict the Confederacy also waged an irregular war based on nineteenth century principles of unconventional warfare In The Uncivil War Robert R Mackey outlines the Southern strategy of waging war across an entire region measures the Northern response and explains the outcome Complex military issues shaped both the Confederate irregular war and the Union response Through detailed accounts of Rebel guerrilla partisan and raider activities Mackey strips away romanticized notions of how the shadow war was fought proving instead that irregular warfare was an integral part of Confederate strategy Le Roy Fitch Myron J. Smith, Jr.,2013-12-06 This is the first published biography of Lieutenant Commander Le Roy Fitch U S Navy Fitch saw action on the Ohio Tennessee and Cumberland Rivers fought against Morgan Wheeler and Forrest as well as irregulars commanded an ironclad monitor during the Battle of Nashville and was renowned for his abilities in counterinsurgency and convoy tactics History of the 112th Regiment of Illinois Volunteer Infantry Bradford F. Thompson,1885 Escape from the prison at Andersonville Charles T Goss Capture prison life and escape George W Nicholas Belle Isle and Andersonville escape from Andersonville Francis J Liggett Includes Regimental roster pages 334 430 **Cumulative Paperback Index, 1939-1959** R. Reginald,2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by

author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin Jersey Blue William Gillette,1995 This political history of New Jersey during the Civil War and the years immediately before and after invites us to rethink New Jersey's role and in particular its relationship to the border states William Gillette argues that there is little evidence supporting the idea that New Jersey's residents were pro southern before the war or even antiwar during it although attitudes toward the abolition of slavery were more ambivalent The perspectives Gillette offers in Jersey Blue from the recruiting ground the battlefield and the home front cast new light on New Jersey's wartime activities state identity and our understanding of the interrelationships between New Jersey's national regional and state developments Gillette takes a broader view of the politics of the Civil War as he touches on the economy geography demography immigration nativism conscription and law The result is a pioneering history of New Jersey that deepens our understanding of the Civil War

The Mosby Myth Paul Ashdown,Edward Caudill,2002 Confederate Colonel John Singleton Mosby 1833 1916 was only one of a number of heroes to emerge during the Civil War yet he holds a singular place in the American imagination He is the irrepressible rebel with a cause the horseman who emerges from the forest to protect the embattled farmer and his household and bring retribution to the invader Mosby was the fabled Gray Ghost of the Confederacy a mythic cavalry officer who operated with virtual impunity behind Union lines near Washington D C The Mosby Myth is the first book devoted to explaining Mosby's place in American culture myth and legend The book provides not just a biography of John Mosby's life but a study of his legacy Well written and informative this book is sure to provoke new thought about the effect of the memory of Mosby and the memory of the Civil War on American society and culture **PRODUCT DESCRIPTION** **A**

Kentucky Sampler Lowell H. Harrison,Nelson L. Dawson,2014-07-15 The Filson Club History Quarterly first published in 1926 has long enjoyed a reputation as one of the nation's finest regional historical journals Over the years it has published excellent essays on virtually every aspect of Kentucky history Gathered together here for the first time are twenty eight selections chosen from the first fifty years of the journal's publication These essays span the range of Kentucky history and culture from frontier criminals to best sellers by Kentucky women writers and from Indian place names to twentieth century bank failures Included among the essayists are Thomas D Clark J Winston Coleman Jr Robert E McDowell Lowell Harrison Hambleton Tapp Julia Neal Allan M Trout and many other well known authorities on Kentucky history The editors have arranged these essays into five chronological periods which include the pioneer era the antebellum years the Civil War the late nineteenth century and the twentieth century They have carefully chosen essays that provide a topical diversity within each category Included in this volume are two brief introductory essays sketching the history of The Filson Club and The Filson Club History Quarterly *"Those Damn Horse Soldiers"* George Walsh,2013-05-21 The historian and author of Whip

the Rebellion shares an excellent popular history of Civil War cavalry from the outbreak of war to its bitter end Booklist Many accounts of the Civil War battles armies and key figures have been written over the years but none have looked at the bloodiest war in our nation s history through the eyes of the cavalry The horse soldiers in the Civil War are often referred to as the last of the cavaliers men who valued their honor as much as their cause In this sweeping history George Walsh brings to life anew the gallant horse soldiers of the North and South showing in dramatic detail how their raids and expeditions affected the outcome of the war and how their fortunes waxed and waned Walsh offers vivid portraits of cavalrymen such as Fitzhugh Lee son of Confederate commanding general Robert E Lee the Gray Ghost John Singleton Mosby the young and fiery George Armstrong Custer and many others

Immerse yourself in the artistry of words with is expressive creation, **Rebel Raider** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.
