Rebels Keep:

Rebels at Work Lois Kelly, Carmen Medina, Debra Cameron, 2014-11-05 Struggling to make changes at work or convince management to take action Ready to challenge conventional thinking or introduce a new idea but worried about being viewed as a troublemaker or getting in way over your head *Rebels At Work* provides concrete ideas techniques and advice on how to refine your thinking improve your approach to work and manage yourself so you can achieve more and stay sane and optimistic in the process Authors Lois Kelly and Carmen Medina successful and occasionally wildly unsuccessful rebels themselves Lois at marketing agencies Carmen at the CIA reveal ways to navigate corporate politics frame and communicate ideas deal with controversy avoid common mistakes and manage yourself so you know when and how to keep pushing and when to quit *How Insurgency Begins* Janet I. Lewis, 2020-09-03 Why do only some incipient rebel groups become viable challengers to governments Only those that control local rumor networks survive *Compliant Rebels* Hyeran Jo, 2015-08-21 Seventeen million people have died in civil wars and rebel violence has disrupted the lives of millions more In a fascinating contribution to the active literature on civil wars this book finds that some contemporary rebel groups actually comply with international law amid the brutality of civil conflicts around the world Rather than celebrating the existence of compliant rebels the author traces the cause of this phenomenon and argues that compliant rebels emerge when rebel groups seek legitimacy in the eyes of domestic and international audiences that care about humanitarian consequences and human rights By examining rebel groups different behaviors such as civilian killing child soldiering and allowing access to detention centers *Compliant Rebels* offers key messages and policy lessons about engaging rebel groups with an eye toward reducing civilian suffering in war zones **A Dying People** Gibson W. Jerue, 2011-02-03 A war that loses its objectives like the fourteen year civil war in Liberia makes innocent civilians targets and victimizes the vulnerable *A Dying People* is a true story of a thirteen year old unwilling sex slave raped multiple times by her captor Gibson Jerue tells a story of a girl Kusay Glanyon who was born in the wrong ethnic group that rebel forces vowed to wipe out of the face of the earth Kusay s father was killed in battle against the NPFL rebels her mother and her two young brothers five and seven were brutally and summarily executed before her very eyes She became an object of sexual assault by a rebel commander whose objective of saving her was not to give her another day to live but to prey on her *Brave Boundaries* Sasha K. Shillcutt, 2022-09-06 A guide for women on how to set strong workable boundaries to safeguard their health happiness and wellbeing Women are taught that when someone asks you for help you say yes Women are supposed to agree to take on whatever is asked of them regardless of how busy they are No matter how much a woman deeply desires to say no the societal expectation is that women are helpers taught to fix problems show up at all times and not let people down Rather than say no they often become avoiders and lose opportunities for personal growth This leads to feelings of failure inauthenticity and burnout Dr Sasha Shillcutt has known this feeling too but now shows women there is another way Setting boundaries is the essential lesson that they need

to learn in order to avoid burnout and a loss of themselves in their incessant drive to please and say yes **I Shall Be Near to You** Erin Lindsay McCabe,2014-01-28 An extraordinary novel about a strong willed woman who disguises herself as a man in order to fight beside her husband inspired by the letters of a remarkable female soldier who fought in the Civil War Rosetta doesn't want her new husband Jeremiah to enlist but he joins up hoping to make enough money that they'll be able to afford their own farm When Jeremiah leaves Rosetta decides her true place is by his side no matter what that means and to be with him she follows him into war With the army desperate for recruits Rosetta has no trouble volunteering although she faces an incredulous husband Her strong will clashes with Jeremiah's and their marriage is tested by broken conventions constant danger war and the fear that Rosetta will be discovered Rich with historical details and inspired by more than 250 documented accounts of the women who fought in the Civil War while disguised as men **I Shall Be Near To You** is a courageous adventure a woman's search for meaning and individuality and a poignant story of enduring love Praise for **I Shall Be Near to You** Astounding Glamour Compellingly authentic Elle This fascinating historical novel is beautifully written and emotionally charged Using a female soldier's point of view for the narration makes McCabe's story refreshingly unique Romantic Times McCabe has created a tough realistic woman who is equally committed to being a good soldier and a good wife **I Shall Be Near to You** is both a poignant love story and a gritty war experience and is highly recommended Historical Novels Review A beautiful and powerful story that offers a rare perspective on those who fought in the Civil War Following a pair of newlyweds so brave and loving and committed navigate the horrors of war is heart wrenching In her deceptively simple prose McCabe has delivered an unforgettable haunting and well researched take on history that has a rightful place on bookshelves next to the most timeless and celebrated of sagas Free Lance Star A gripping story and McCabe's writing gives it considerable impact **I Shall Be Near to You** is a memorable addition to the literature of the Civil War San Jose Mercury News **Lightning On Ice: Rebel Glory** Sigmund Brouwer,1995-09-01 At 17 star defenseman Brian Thomas McPhee likes his chances of making it as a pro hockey player Yet a string of recent accidents threatens to knock his team out of the playoffs and ruin his promising career BT McPhee has begun to question how many accidents can happen before they become more than a coincidence But it's not a good time for questions Not when the team needs him most For BT McPhee however there is no choice Unless the questions are answered the team's season and his promising career will surely end **Blackwood's Edinburgh Magazine** ,1860 **The Rebellion Record** Moore,1865 **The Rebellion Record** Frank Moore,1865
