Rebels At The Gate

Mick O'Farrell

Rebels At The Gate:

Rebels at the Gate W Lesser,2005-05 Robert E Lee s first defeats and the battles that shaped the Civil War *Rebels at the Gates* Robert P. Watson,2025-05-01 Rebels at the Gate chronicles an intriguing series of events that nearly changed American history In the last full year of the Civil War Washington DC came within hours of being invaded and Lincoln within inches of being shot During the summer of 1864 General Ulysses Grant was laying siege to Petersburg near Richmond deploying every available Union soldier in an effort to end the bloody war once and for all His counterpart General Robert E Lee and his famed Army of Northern Virginia were trapped inside Richmond and recognized that the Confederate capital would fall Lee knew Grant and understood that he would never stop attacking until he had Richmond It was then that the southern commander hatched a desperate and bold plan to save the Confederacy and perhaps bring the war to an end but on the Confederacy s terms Historian Robert Watson provides the definitive account of this largely forgotten attack on and defense of Washington and the fascinating events surrounding the battle **Rebels at the Gate** Donald E. Bastin,2001

"My Will Is Absolute Law" Jonathan A. Noyalas,2006-04-26 When the South fired the first shot of the Civil War in April 1861 hundreds of volunteers flocked to answer President Lincoln s call to arms anxious to defend their country and uphold the sanctity of the Union Among these first volunteers was Robert H Milroy Determined to obtain a military education and denied his wish to attend West Point Milroy had at last secured a position to attend Captain Partridge s Military Academy at Norwich University in Vermont After graduating however he was thwarted time and again in his desire for a military career quickly discovering that military appointments tended to favor West Point graduates A fervent abolitionist and dedicated patriot Milroy craved military action and viewed the Civil War as his long awaited opportunity to achieve the glorious reputation he so ardently desired Compiled from primary sources such as Milroy s correspondence and the letters of those who knew him this biography details the life and times of General Robert H Milroy Although perhaps not one of the major players on the stage of Civil War drama Milroy was one of the staunchest defenders not only of the Union but of the Emancipation Proclamation as well Focusing primarily on Milroy s Civil War career this work serves to provide information about lesser known operations in western Virginia during 1861 and 1862 as well as illustrate the bonds that formed between commanders and their men It also provides a case study of how an abolitionist general enforced his will in various regions throughout the Confederacy Appendices contain a portion of Milroy s unfinished autobiography and a list of troops commanded by Milroy in combat *The Land Shall be Deluged in Blood* Patrick H. Breen,2015 Signs The first blood To Jerusalem Where are the facts The coolest and most judicious among us Long and elaborate arguments Willing to suffer the fate that awaits me Communion **The Howling Storm** Kenneth W. Noe,2020-10-07 Finalist for the Lincoln Prize Winner of the Colonel Richard W Ulbrich Memorial Book Award Traditional histories of the Civil War describe the conflict as a war between North and South Kenneth W Noe suggests it should instead be understood as a war between the North the South

and the weather In *The Howling Storm* Noe retells the history of the conflagration with a focus on the ways in which weather and climate shaped the outcomes of battles and campaigns He further contends that events such as floods and droughts affecting the Confederate home front constricted soldiers food supply lowered morale and undercut the government s efforts to boost nationalist sentiment By contrast the superior equipment and open supply lines enjoyed by Union soldiers enabled them to cope successfully with the South s extreme conditions and ultimately secure victory in 1865 Climate conditions during the war proved unusual as irregular phenomena such as El Ni o La Ni a and similar oscillations in the Atlantic Ocean disrupted weather patterns across southern states Taking into account these meteorological events Noe rethinks conventional explanations of battlefield victories and losses compelling historians to reconsider long held conclusions about the war Unlike past studies that fault inflation taxation and logistical problems for the Confederate defeat his work considers how soldiers and civilians dealt with floods and droughts that beset areas of the South in 1862 1863 and 1864 In doing so he addresses the foundational causes that forced Richmond to make difficult and sometimes disastrous decisions when prioritizing the feeding of the home front or the front lines *The Howling Storm* stands as the first comprehensive examination of weather and climate during the Civil War Its approach coverage and conclusions are certain to reshape the field of Civil War studies

Comandante Che Paul J. Dosal, 2010-11-01 The victory of Fidel Castro s rebel army in Cuba was due in no small part to the training strategy and leadership provided by Ernesto Che Guevara Despite the deluge of biographies memoirs and documentaries that appeared in 1997 on the thirtieth anniversary of Guevara s death his military career remains shrouded in mystery *Comandante Che* is the first book designed specifically to provide an objective evaluation of Guevara s record as a guerrilla soldier commander and strategist from his first skirmish in Cuba to his defeat in Bolivia eleven years later Using new evidence from Guevara s previously unpublished campaign diaries and declassified CIA documents Paul Dosal reassesses Guevara s impact as a guerrilla warrior and theorist comparing his accomplishments with those of other guerrilla leaders with whom he has been ranked including Colonel T E Lawrence Mao Tse Tung and General Vo Nguyen Giap This reassessment reveals that Guevara was often underrated as a conventional military strategist overrated as a guerrilla commander and misrepresented as a guerrilla theorist Guevara achieved his greatest military victory by applying a conventional military strategy in the final stages of the Cuban Revolution orchestrating the defensive campaign that held off the Cuban army in the summer of 1958 As a guerrilla commander he scored impressive victories in ambush after ambush in Bolivia but in winning the battles he lost the war He violated most of his own precepts during the Bolivian campaign compelling analysts to question the validity of both his strategies and his command skills Though he is credited with developing foco theory Guevara never attempted to advance a new theory of guerrilla warfare He was a fighter not a theorist He wanted to defeat American imperialism by launching guerrilla campaigns simultaneously in Asia Africa and Latin America but his tricontinental strategy resulted in failures first in the Congo and then in Bolivia *Comandante Che* presents

the full record of Guevara's successes and failures separating myth from reality about one of the twentieth century's most controversial revolutionary figures

Rebellion and Riot Barrett L. Beer, 2005 The short reign of Edward VI was a turbulent one even by Tudor standards In addition to such perennial problems as religious change inflation poor harvests and war with Scotland and France and to some extent as a result of them the kingdom was threatened by widespread unrest riots and rebellions among the common people The riots and rebellions were of course put down and their history was recorded by the educated ruling class In this study Barrett L Beer looks at these dramatic events from the viewpoint of the rebellious commoners Drawing on a variety of contemporary manuscript sources he analyzes the themes of discontent that motivated them the radical demands that challenged the social order and the acts of repression and reform by which the government responded Above the clamor of the streets and countryside runs the intricate story of the interaction and often confusing relations among the commoners the gentry who controlled local government and the king's councillors in London Rebellion and Riot provides insights into the critical mid Tudor period in England The discontents these riots reflected helped shape the direction of later history

BOOK JACKET The Siege of Delhi Amarpal Singh, 2021-07-15 A forensic look into the Sepoy rebellion at Meerut in 1857 and the three month siege and capture of Delhi which followed

Chandragupta The Path of Fallen demygod Rajat Pillai, 2012

A Walk Through Rebel Dublin 1916 Mick O'Farrell, 1999-01-01 A Walk Through Rebel Dublin 1916 is a comprehensively illustrated guide to the Rising of Easter Week 1916 based on the significant locations of the rebellion Dealing separately with thirty buildings and sites throughout the city including the GPO Liberty Hall Trinity College the Four Courts and Dublin Castle the author provides a brief fascinating history of the events and personalities that dominated these locations during Easter Week A contemporary photograph of each location is juxtaposed with a photograph of the building or streetscape as it looks today While some dramatic changes have taken place in the architecture of Dublin over the course of the twentieth century there is much that has remained unaltered as these images will testify A Walk Through Rebel Dublin 1916 can be read and enjoyed without visiting the locations featured but the reader is encouraged to walk the streets of Dublin book in hand to get a vivid sense of some of the most dramatic episodes in Ireland's history

Centurion Simon Scarrow, 2013-05-28 The thrilling adventures of two Roman army officers continue in this bestselling novel as the Empire faces a new threat from its enemy Parthia Parthia is vying with Rome for control of Palmyra an officially neutral kingdom Palmyra's royal household is on the brink of open revolt and so a task force under the command of experienced soldiers Macro and Cato is dispatched to defend its king and guard its borders When Parthia hears of the Roman army's presence it starts amassing its troops for war Macro's cohort must march against the enemy deep into treacherous territory If Palmyra is not to fall into the clutches of Parthia they will have to defeat superior numbers in a desperate siege The quest for a lasting peace has never been more challenging nor more critical for the future of the empire Praise for Centurion Roman legionnaires Marco and Cato continue their martial adventures in the eighth installment of Scarrow's

splendid Eagle series Military and political intrigue abounds as combat positions are staked out and the historical and literary stage is authentically set for a series of sizzling battle scenes Booklist Replete with court intrigue deadly politics and massive close quarters battle scenes Scarrow s newest is excellent historical fiction Publishers Weekly *The Prophecy of the Ages* George Vargas,2004-02 This fast paced tale set in an imaginary world of wizards warriors and kings deals with a boy who discovers that he must fulfill a prophecy that is thousands of years old if the world as he knows it is ever to survive To accomplish his task and fight off the Dark One this boy must unite every country on the continent before they are to stand together and face the evil forces that are gathering To do this he must battle between his conscience and his sense of duty and then decide on whether or not it is just for him to wage war if need be in order to bring about unity throughout the world and save the lives of millions This epic novel of war treachery and magic is full of surprises and will provide the reader with an unforgettable experience into the world of fantasy Field-Marshal Lord Kitchener Edwin Sharpe Grew,1917 **The Young Mandarin** John A. Davis,1896 Down and Out in Saigon Haydon Cherry,2019-05-28 A moving portrait of the lives of six poor city dwellers set in early twentieth century colonial Saigon Historian Haydon Cherry offers the first comprehensive social history of the urban poor of colonial French Saigon by following the lives of six individuals a prostitute a Chinese laborer a rickshaw puller an orphan an incurable invalid and a destitute Frenchman and how they navigated the ups and downs of the regional rice trade and the institutions of French colonial rule in the first half of the twentieth century Down and Out in Saigon is marked by three qualities that endow it with unusual value the originality of its subject matter as the first and only history of colonial Saigon s poor population the excellence of its research and Cherry s elegant prose Peter B Zinoman University of California Berkeley This is more than a corrective of revolutionary historiography it is a tour de force that brings marginal and forgotten lives into the story of modern Vietnamese history Charles Keith author of Catholic Vietnam A Church from Empire to Nation **Register of the Kentucky State Historical Society, Frankfort, Kentucky** Kentucky State Historical Society,1918 **The Register of the Kentucky State Historical Society** Kentucky Historical Society,1918 *The China Review, Or, Notes and Queries on the Far East* ,1895 *Further Papers Relating to the Rebellion in China* Great Britain. Foreign Office,1975
