Rebels Democrats The Struggle For Equa:

The Unknown American Revolution Gary B. Nash, 2006-05-30 In this audacious recasting of the American Revolution distinguished historian Gary Nash offers a profound new way of thinking about the struggle to create this country introducing readers to a coalition of patriots from all classes and races of American society From millennialist preachers to enslaved Africans disgruntled women to aggrieved Indians the people so vividly portrayed in this book did not all agree or succeed but during the exhilarating and messy years of this country s birth they laid down ideas that have become part of our inheritance and ideals toward which we still strive today **Rebels and Democrats** Elisha P. Douglass, 1967 **North Carolina's Revolutionary Founders** Jeff Broadwater, Troy L. Kickler, 2019-03-27 This collection of essays profiles a diverse array of North Carolinians all of whom had a hand in the founding of the state and the United States of America It includes stories of how men who stood together to fight the British soon chose opposing sides in political debates over the ratification of the supreme law of the land the Constitution It also includes accounts of women freedmen and Native Americans whose narratives shed light on the important roles of marginalized peoples in the Revolutionary South Together the essays reveal the philosophical views and ideology of North Carolina s revolutionaries Contributors Jeff Broadwater Jennifer Davis Doyle Lloyd Johnson Benjamin R Justesen Troy L Kickler Scott King Owen James MacDonald Maggie Hartley Mitchell Karl Rodabaugh Kyle Scott Jason Stroud Michael Toomey and Willis P Whichard *The South in the Revolution, 1763-1789* John Richard Alden, 1957-10-01 In 1763 the oppressive program of Grenville set up a tempo of resentment Virginia and Maryland soon struck against the abuse of liberty with Patrick Henry as their spokesman Rioting followed the Carolinas and Georgia With the Townshend Acts of 1767 the crisis worsened In nine more years the Tea and Trumpets period to use Mr Alden s phrase would explode into the Revolution These events form but a single bright strand in the intricate story of the South during the Revolution This volume the first complete account yet written of an exciting period ranges from the demography of the South including White Negro and Indian groups through the War of Independence into the critical early years of the Union The emphasis throughout is upon political and social change The network of historic conditions and human motives is treated with consummate skill and the heroic story of the war with its gallery of personalities on both sides is vigorously narrated The book also gives a valuable account both of the origins and evolution of Southern sectionalism and of the role of the South in creating the Union Besides the full scale record of the colony states on the Atlantic seaboard the development of the Old Southwest is brilliantly detailed including Indian warfare the settlement of Kentucky and Tennessee and many other related topics *Whose American Revolution was It?* Alfred F. Young, Gregory Nobles, 2011-09 The meaning of the American Revolution has always been a much contested question and asking it is particularly important today the standard easily digested narrative puts the Founding Fathers at the head of a unified movement failing to acknowledge the deep divisions in Revolutionary era society and the many different historical interpretations that have followed Whose American Revolution

Was It speaks both to the ways diverse groups of Americans who lived through the Revolution might have answered that question and to the different ways historians through the decades have interpreted the Revolution for our own time As the only volume to offer an accessible and sweeping discussion of the period s historiography and its historians Whose American Revolution Was It is an essential reference for anyone studying early American history The first section by Alfred F Young begins in 1925 with historian J Franklin Jameson and takes the reader through the successive schools of interpretation up to the 1990s The second section by Gregory H Nobles focuses primarily on the ways present day historians have expanded our understanding of the broader social history of the Revolution bringing onto the stage farmers and artisans who made up the majority of white men as well as African Americans Native Americans and women of all social classes *The Organization of American Culture, 1700-1900* Peter D. Hall,1984-02 Nationality argues Peter Hall did not follow directly from the colonists declaration of independence from England nor from the political union of the states under the Constitution of 1789 It was rather the product of organizations which socialized individuals to a national outlook These institutions were the private corporations which Americans used after 1790 to carry on their central activities of production The book is in three parts In the first part the social and economic development of the American colonies is considered In New England population growth led to the breakdown of community and the migration of people to both the cities and the frontier New England s merchants and professional tried to maintain community leadership in the context of capitalism and democracy and developed a remarkable dependence on private corporations and the eleemosynary trust devices that enabled them to exert influence disproportionate to their numbers Part two looks at the problem of order and authority after 1790 Tracing the role of such New England influenced corporate institutions as colleges religious bodies professional societies and businesses Hall shows how their promoters sought to civilize the increasingly diverse and dispersed American people With Jefferson s triumph in 1800 these institutions turned to new means of engineering consent evangelical religion moral reform and education The third part of this volume examines the fruition of these corporatist efforts The author looks at the Civil War as a problem in large scale organization and the pre and post war emergence of a national administrative elite and national institutions of business and culture Hall concludes with an evaluation of the organizational components of nationality and a consideration of the precedent that the past sets for the creation of internationality *The Struggle for Equality* Orville Vernon Burton,Jerald E. Podair,Jennifer L. Weber,2011 This collection of essays organized around the theme of the struggle for equality in the United States during the nineteenth and twentieth centuries also serves to honor the renowned Civil War historian James McPherson Complete with a brief interview with the celebrated scholar this volume reflects the best aspects of McPherson s work while casting new light on the struggle that has served as the animating force of his lifetime of scholarship With a chronological span from the 1830s to the 1960s the contributions bear witness to the continuing vigor of the argument over equality Contributors Tradition, Conflict, and Modernization Richard Maxwell Brown,Don E. Fehrenbacher,2013-10-22

Tradition Conflict and Modernization Perspectives on the American Revolution aims to expand knowledge on the intellectual character of the Revolution its relation to the trend of modernization and its standing as a manifestation of social conflict The book discusses the American revolution in national tradition the collective action in England and America in 1765 1775 and back country rebellions and the homestead ethic in America in 1740 1799 The text also describes the perspective of modernization related to the American revolution modernization and human Historians will find the book invaluable

Dilemmas of Presidential Leadership Richard Ellis, Aaron B. Wildavsky, 1989-01-01 *Dilemmas of Presidential Leadership* challenges the widely accepted distinction between traditional and modern presidencies a dichotomy by which political science has justified excluding from its domain of inquiry all presidents preceding Franklin Roosevelt Rather than divide history into two mutually exclusive eras Richard Ellis and Aaron Wildavsky divide the world into three sorts of people egalitarians individualists and hierarchs All presidents the authors contend must manage the competition between these rival political cultures It is this commonality which lays the basis for comparing presidents across time To summarize and simplify the book addresses two general categories of presidencies The first is the president with a blend of egalitarian and individualist cultural propensities Spawned by the American revolution this anti authoritarian cultural alliance dominated American politics until it was torn asunder by what Charles Beard has called the second American revolution the Civil War The Jeffersonian and Jacksonian presidents labored with varying degrees of success to square the exercise of authority with their own and their followers anti authoritarian principles They also were faced with intraparty conflicts that periodically flared up between egalitarian and individualist followers The president with hierarchical cultural propensities faced different problems While the precise contours of the dilemma varied all struggled in one way or another to reconcile their own and their party's preferences with the anti hierarchical ethos that inhered in the society and the polity Hierarchical presidents like Washington and Adams were hamstrung by this dilemma as were Whig leaders like Henry Clay and Daniel Webster who aspired to the presidency but never achieved it Abraham Lincoln's greatness resided in part in his ability to resolve the hierarchy's dilemma He operated in wartime when he could invoke the commander in chief clause and he created a new cultural combination in which hierarchy was subordinated to individualism This suggests the authors was a key to his greatness The unique dimension of this volume is its use of cultural theory to explain presidential behavior It also differs from other books in that it deals with pre modern presidents who are too often treated as only of antiquarian interest in mainstream political science literature on the presidency The analysis lays the groundwork for a new basis for comparison of early presidents with modern presidents

Revolution, Confederation, and Constitution, Samuel Adams John K. Alexander, 2011-06-16 Samuel Adams *The Life of an American Revolutionary* vividly tells the story of a titan of America's greatest generation Friend and foe alike considered Adams one of the greatest members of the generation that achieved American independence and crafted constitutions that made the ideal of republican government a living reality in the new

nation Adams's role as a major political author and organizer are explored as is his central role in momentous events including the Boston Massacre and the Boston Tea Party The work demonstrates why Thomas Jefferson described Adams as the helmsman of the American Revolution Adams's career during the war and his involvement in crafting and defending republican constitutions are assessed as are his views on virtue religion education women and slavery Following Adams through the 1790s one sees that he wanted the revolutionary generation to bequeath a land of liberty and equality to the nation's posterity The personal side of this revolutionary who was renowned for his lack of concern for material things is not neglected The symbiotic relationship of Samuel and his wife Elizabeth is analyzed The work demonstrates that Adams's life provides a veritable guide to responsible citizenship and public service in a republic

Reconstruction: Voices from America's First Great Struggle for Racial Equality (LOA #303) Brooks D. Simpson, 2018-01-30 The aftermath of the Civil War comes to dramatic life in this sweeping new collection of firsthand writing from the Reconstruction era featuring pieces by Frederick Douglass Frances Harper and more Very very good Reconstruction conveys the struggle for racial equality better than many other anthologies documenting the era The Wall Street Journal Few periods in American history are more consequential but less understood than Reconstruction the tumultuous twelve years after Appomattox when the battered nation sought to reconstitute itself and confront the legacy of two centuries of slavery This anthology brings together more than one hundred contemporary letters diary entries interviews testimonies and articles by ordinary men and women and well known figures such as Frederick Douglass Frances Ellen Watkins Harper Andrew Johnson Thaddeus Stevens Ulysses S Grant Elizabeth Cady Stanton Mark Twain and Albion Tourg'e Through their eyes readers experience the fierce contest between President Andrew Johnson and the Radical Republicans resulting in the nation's first presidential impeachment the adoption of the revolutionary 14th and 15th Amendments the first achievements of black political power and the murderous terrorism of the Klan and other groups that combined with northern weariness indifference and hostility eventually resulted in the restoration of white supremacy in the South Throughout Americans confront the essential questions left unresolved by the defeat of secession What system of labor would replace slavery and what would become of the southern plantations Would the war end in the restoration of a union of sovereign states or in the creation of a truly national government What would citizenship mean after emancipation and what civil rights would the freed people gain Would suffrage be extended to African American men and to all women

Writing North Carolina History Jeffrey J. Crow, Larry E. Tise, 2017-10-10 Writing North Carolina History is the first book to assess fully the historical literature of North Carolina It combines the talents and insights of eight noted scholars of state and southern history William S Powell Alan D Watson Robert M Calhoon Harry L Watson Sarah M Lemmon and H G Jones Their essays are arranged in chronological order from the founding of the first English colony in North America in 1585 to the present Traditionally North Carolina has not received the same scholarly attention as Virginia and South Carolina despite the excellent resources

available on Tar Heel history This study derived from a symposium sponsored by the North Carolina Division of Archives and History in 1977 asks questions and describes methodologies needed to redress past neglect Besides providing a comprehensive evaluation of what has been written about North Carolina the essayists offer perspectives on how historians have interpreted the state s history and what directions future historians need to take Particularly important the book provides a bibliography and suggests opportunities for future historical investigation by discussing topics themes and source materials that remain untapped or underused North Carolina s unique and colorful culture folklore geography politics and growth demand new and creative historical analysis Collectively the authors and editors of Writing North Carolina History offer a welcome necessary guide to the study of Tar Heel history Originally published in 1979 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Rebels and Democrats, the Struggle for Equal Political Rights and Majority Rule During the American Revolution, by Elisha P. Douglass Elisha P. Douglass,1955 **Princeton Alumni Weekly** ,1955 **Society and Government 1760-1780** Dirk Hoerder,1972

Proceedings of the New York State Historical Association with the Quarterly Journal New York State Historical Association,1955 The Pennsylvania Magazine of History and Biography ,1955 New York History ,1955 The Mississippi Valley Historical Review ,1955-06

Rebels Democrats The Struggle For Equa Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rebels Democrats The Struggle For Equa has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rebels Democrats The Struggle For Equa has opened up a world of possibilities. Downloading Rebels Democrats The Struggle For Equa provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rebels Democrats The Struggle For Equa has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rebels Democrats The Struggle For Equa. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rebels Democrats The Struggle For Equa. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rebels Democrats The Struggle For Equa, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rebels Democrats The Struggle For Equa has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rebels Democrats The Struggle For Equa Books

1. Where can I buy Rebels Democrats The Struggle For Equa books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
