Rebuilding Walls Leading People Into A Deeper Commitment To God:

Restoring the Ruins: Nehemiah Rebuilds Jerusalem's Wall Ahmed Musa, 2024-12-09 Experience an extraordinary journey of leadership faith and determination in *Restoring the Ruins: Nehemiah Rebuilds Jerusalem's Wall*. This inspiring story follows Nehemiah, a cupbearer to the Persian king, as he answers God's call to rebuild the walls of Jerusalem after its destruction. Amid opposition, discouragement, and danger, Nehemiah leads a diverse group of workers with unwavering trust in God's guidance. Through prayer, perseverance, and teamwork, the crumbling walls rise again, becoming a symbol of renewed faith and unity for the people of Israel. Filled with timeless lessons on resilience, leadership, and reliance on God, this book is perfect for those seeking inspiration to overcome challenges and restore what's broken in their own lives. *Restoring the Ruins* is a powerful reminder that with faith and determination, even the greatest obstacles can be overcome. **Leadership as**

Loving One Another Bruce E. Winston, 2024-03-29 This volume explores leadership as a form of loving one's employees, centering on the biblical concepts of *Agapao* and *Agape*. It is organized into three parts: Part 1 examines biblical principles about *Agapao* and *Agape*; Part 2 employs Positive Organizational Scholarship (POS) to identify the role of love in organizational contexts; Part 3 offers case studies illustrating instances of love demonstrated by biblical figures in organizational and familial settings. Aligned with POS research, the book accentuates positive life-giving and conditions fostering human flourishing within organizations. This scholarly endeavor contributes to advancing research in areas such as work relationships, workplace spirituality, meaningful work, and the role of leadership in improving organizational performance. **The Secret**

Sauce of Servant Leadership Dr. Peter K. Scheuermann, 2023-02-10 The *Secret Sauce of Servant Leadership* was borne out of the desire to help others quickly ignite and launch servant leadership characteristics and attributes into a leader's style and approach to influencing and leading people, not employees. This book applies to all industries and cultures across the globe. The book is structured by first defining a leadership concept, then learning about examples of modern-day leaders and organizations who display and live out servant leadership characteristics in their approach, and then how this can be applied in other organizations. The author takes time in covering such topics as what is servant leadership, defining one's purpose, living out one's values, building a high-performance culture, creating trust, and sustaining long-lasting relationships; developing and sustaining a servant leader's character; and finally, the most important of all, love—the love of people. The last two chapters provide a 360-degree servant leadership assessment example and how servant leadership can be integrated and applied in workplace leadership programs. The hope of the author is that the reader will quickly gain an understanding of servant leadership characteristics, achieve insights into the examples of both individuals and organizations provided, and then immediately start incorporating these principles within their leadership approach, in turn helping others to become servant leaders. *Letters to the Church: Study Guide* Francis Chan, 2018-09-01 What does God want for His Church?
