Lessons from Solomon Glen A. Blanscet, 2018-06-08 Everyone wants to be successful The problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King Solomon a man who not only achieved success by the world's standards but also had and lost true success that comes from knowing God Author Glen A Blanscet has penned engaging narrative retellings of King Solomon's story from the Bible and from King Solomon's story we learn several success lessons that we can apply in our own search for true success in life Based on the life of Solomon Blanscet has distilled from Solomon's story the life lessons that lead us to genuine success from the wisest man who ever lived I highly recommend this book Dr David L Allen Southwestern Baptist Theological Seminary In this book Glen Blanscet has masterfully extracted from scripture Solomon's successes and failures providing the reader with vivid lessons on attaining true success Steve Mullen PhD Dallas Baptist University

How Prayer Can Walk You Through the Storms in Your

Life Dr. Essie Farley, 2021-06-04 Prayer is about having a personal relationship with God meeting the King on a daily basis God wants to be a part of your life He knew about your pain before it occurred and He knows when it will end Take God at His word and hold on to His promises Your life will never be the same God has provided everything we need to walk through our journey with success This journey through life is not about having sunshine every day if we do not experience the difficult things in life we will not learn how to appreciate the good and bad When we are in a storm we must learn how to ask God Why am I in this storm and what is it that You want me to learn from it A spiritual storm is a trial tragedy or misfortune The storms have a purpose in our lives and when you stay on board God will reveal the purpose at His timing Storms can either make us or break us depending on how we respond Storms are considered a training process for God's children He uses the storms to shape us into who He wants us to be Stay tuned to an amazing journey with God
