**Receiving the Love of God Through Loss in the Death of Thy Neighbor** William H. Jankans, 1998-04-01 **The New Jerusalem Messenger**, 1869 *Practicing Prayer for the Dead* James B. Gould, 2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence *Practicing Prayer for the Dead* offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned

Getting Right with God Joseph C. Way B.A. B.D. MDiv., 2020-09-04 For centuries numerous people have asked How do you get right and stay right with god Since a person's god is whatever they value love the most possible gods are limitless When asked from the Judeo Christian perspective the question is narrowed but the answers are extremely diverse Due to many identified factors the author believes incorrect answers have been too frequently offered starting soon after the death of Jesus and continuing to this day Due to God's nature and ours the author bases his answer exclusively on appropriate God like love as described and practiced by Jesus The ancient Hebrews recognized the original answer and Jesus repeated it when he insisted we love God above all else and then love our neighbor as our self Paul got it all wrong Jesus did not fill the empty spaces in Paul's Judaism Believe Jesus and act like it     **The Book of Deuteronomy and Post-modern Christianity** James

Baxter,2013-04-02 As a dominant voice in our society Western Christianity including fundamentalism is dying despite the growing tendency of people to identify as spiritual but not religious In the face of this reality churches continue to preach the same message of sin judgment guilt in order to be saved or in the case of more progressive churches feel good messages No wonder Western Christianity is failing If it is ever to regain its viability Christianity must rethink its total devotion to Christ and look again at its roots A new Christianity must start over with the original vision of God s dream for us as expressed by Moses and Jesus Jesus was not a Christian He was a Jewish reformer and he worked within the context of the Jewish Scriptures the Old Testament Deuteronomy was one of these books When this ancient wisdom is paired with post modern Christianity we see that the teachings of Moses and Jesus are as relevant today as they were two to three thousand years ago perhaps even more so

*The Collected Works of Martin Luther* Martin Luther,2023-11-16 The Collected Works of Martin Luther presents a comprehensive anthology of the influential theologian s writings encompassing his seminal discourses during the Protestant Reformation The volumes reflect Luther s bold literary style blending scripture based argumentation with poignant personal reflections and a passionate call for ecclesiastical reform Key texts such as the Ninety Five Theses and the Large and Small Catechisms illustrate not only Luther s theological insights but also his skillful use of rhetoric making complex ideas accessible to the laity The work situates itself within the historical context of 16th century Europe capturing the fervor of a transformative era in Christianity Martin Luther 1483 1546 a German monk and theologian emerged as a central figure in the Reformation driven by a profound quest for spiritual truth and reform within the Catholic Church His intimate struggles with faith and doctrine compelled him to challenge the prevailing norms of his time echoing the sentiments of growing dissatisfaction among believers His writings reveal a deep understanding of scripture and a commitment to the principles of justification by faith shaping the beliefs of countless followers in the centuries that followed This collection is indispensable for scholars and lay readers alike offering insights into the foundations of Protestant thought and the enduring relevance of Luther s theological contributions It invites readers to engage with the historical narrative and appreciate the literary artistry that has influenced modern Christianity and Western thought
