Cries from the Wilderness David Pocta,2023-12-06 One of the most prevalent challenges in contemporary Christianity is navigating the relationship between the individual and their faith community when the Christian enters spiritually challenging times periods of aridity misunderstanding suffering or darkness This problem is amplified because of the growing angst that many feel with organized religion When loyalty to the church gets tested during a personal faith crisis or honest intellectual query many leave disenchanting claiming a desire to be spiritual but not religious Cries from the Wilderness Reimagining Church Culture in an Age of Uncertainty explores the memoirs of three contemporary sojourners Rachel Held Evans David Gushee and Macy Halford asking What postures were common in his or her journey that helped them navigate their spiritual wilderness David Pocta then argues that a primary problem is that many faith communities rarely see themselves in the spiritual wilderness The author s contention is that spiritual communities are often ill equipped to nurture the spiritual life of disoriented or questioning Christians By acknowledging their own spiritual journey and drawing lessons

from healthy wilderness postures they would be better positioned to transform and mature their community while creating a nurturing environment for individual sojourners

Between the Stepping Stones Joseph Edward Laxton, 2016-08-22 Great Aunt Chris had begun Helens story but her death left Helen alone to scribble and scratch out a life now deprived of her deepest friend whose greatest gift to Helen was a garden a magical moonlit dance of crystal and gold and silver faeries The stories of three girls verging on the precipice of womanhood intertwine Each girl is a victim to brutality and each was somehow dragged down into servitude and humiliation yet each life is briefly illuminated by flashes of magic along her journey The world is full of magic not that witching magic of sorcery and spells but the subtle glimpses of magic found in the wrinkles and smiles of those whose wisdom and affection illuminate our journeys They're like fireflies flitting and dancing along a country road at night or the moonlit lace of branches along the forest floor Magic is sometimes found in the

fleeting passing of someone whose momentary flare of kindness and beauty enriches our hearts and souls And that kind of magic can only be found between the stepping stones in those places where people dare not tread because they are so afraid of the unknown Helen Miramund and Kathleen find themselves in places deep and dark and seemingly hopeless and only the kind intervention of another can lift them back into the light Shall each heroine be destined to be a laundress all her life or can each break with destiny and become a magician in her own right The stories seek to merge at a place and time preordained by the efforts and struggles of each girl not by a fickle destiny and hopefully each girl will have earned through her own heroic efforts and at that time and place the gift of true balance and insight Coffee at The Beach House Hotel Judith Keim,2023-06-27 Ann and Rhonda continue to deal with guests at The Beach House Hotel on the Gulf Coast of Florida including Bobby Bugs Bailey a star player in the NFL At the Vice President s suggestion Bobby s coach has sent him there to work to help adjust his behavior after Bobby s life of fame gets out of control There s no one better to handle someone like that then soft spoken Ann and outrageous Rhonda who declares it s time for Bobby to wake up and smell the coffee Tina Marks the movie star Ann and Rhonda helped earlier arrives with her two children and Sydney Harris her nanny who Tina has taken in after a bad family situation Sydney and Bobby strike up a friendship but it isn t until one of the children is kidnapped that Bobby proves the kind of man he wants to be and Ann and Rhonda are put to the biggest test of their lives Another of Judith Keim s series books celebrating love and families strong women meeting challenges and clean women s fiction with a touch of romance beach reads for all ages with a touch of humor satisfying twists and happy endings
