The Secret Paris of the 30s is one of the most remarkable photographic memoirs ever published For years it was known that Brassa had taken a series of secret photographs which could not be published because of their daring nature Alone or in the company of friends he discovered the forbidden Paris of the 1930s its brothels its whores its pimps its opium dens the sordid yet bewitching bas monde where high society mingled with the underworld Brassa s photographs reveal a milieu previously only known through books such as the novels of Henry Miller a frequent companion on his nocturnal rambles the seamy grimy yet infinitely exciting reality that tourists still think of when they seek Paris by night These fascinating images are accompanied by Brassa s own text in which he describes the extraordinary conditions under which he took his photographs *The Secret Paris of the 30's* Gyula) Brassai (Halasz, 1976 **The Secret Paris of the 30's**, 1977 Chanteuse in the City Prof. Kelley Conway, 2004-09-08

Long before Edith Piaf sang La vie en rose her predecessors took to the stage of the belle epoque music hall singing of female desire the treachery of men the harshness of working class life and the rough neighborhoods of Paris Icon of working class femininity and the underworld the realist singer signaled the emergence of new cultural roles for women as well as shifts in the nature of popular entertainment Chanteuse in the City provides a genealogy of realist performance through analysis of the music hall careers and film roles of Mistinguett Josephine Baker Fr hel and Damia Above all Conway offers a fresh interpretation of 1930s French cinema emphasizing its love affair with popular song and its close connections to the music hall and the caf concert Conway uncovers an important tradition of female performance in the golden era of French film usually viewed as a cinema preoccupied with masculinity She shows how in films such as P p le Moko Le Crime de Monsieur Lange and Zouzou the realist chanteuse addresses female despair at the hopelessness of love Conway also sheds light on the larger cultural implications of the shift from the intimate caf concert to the spectacular music hall before the talkies displaced both kinds of live performance altogether **A Guide to Hemingway's Paris** John Leland, Walking Tours, 1989-01-01

Retracing for modern day visitors the Paris of The Sun Also Rises and A Moveable Feast of James Joyce Gertrude Stein F Scott Fitzgerald and Ezra Pound thsi guidebook uncovers the cafes hotels restaurants bars nightclubs gardens and other landmarks immortalized by Hemingway in his fiction and nonfiction *A Paris Secret* Caroline Montague, 2019-11-14

A sweeping tale of ambition and passion in the shattered world of post war Paris perfect for fans of Santa Montefiore and Kate Furnivall 1952 In the fragile atmosphere of post war Paris Sophie Bernot is training as a heart surgeon A young woman in a man s world Sophie is determined to bury her past and forge her medical career whatever the costs Across the channel Sebastian Ogilvie is burning with ambition for his first architectural project As his schemes lead him to France and to a chance encounter with Sophie his future seems full

of promise But when Sophie and Sebastian find themselves entangled in a brief passionate affair they each face a choice that will change their lives irrevocably and a secret that will take years to be uncovered Sweeping from Paris to London to the snow capped peaks of the Alps this is an unforgettable story of passion heartache and forgiveness **Brassai** Marja Warehime,1998 In this study of Brassai s complete oeuvre the author analyzes Brassai s paradoxical position between documentary realism and surrealism in the France of the 1930s She stresses the subjects he pursued most passionately the shadowy Paris night urban graffiti and the nature of creative genius Mists of Regret Dudley Andrew,2021-11-09 Just before World War II French cinema reached a high point that has been dubbed the style of poetic realism Working with unforgettable actors like Jean Gabin and Arletty directors such as Renoir Carn Gremillon Duvivier and Chenal routinely captured the prizes for best film at every festival and in every country and their accomplishments led to general agreement that the French were the first to give maturity to the sound cinema Here the distinguished film scholar Dudley Andrew examines the motivations and consequences of these remarkable films by looking at the cultural web in which they were made Beyond giving a rich view of the life and worth of cinema in France Andrew contributes substantially to our knowledge of how films are dealt with in history Where earlier studies have treated the masterpieces of this era either in themselves or as part of the vision of their creators and where certain recent scholars have reacted to this by dissolving the masterpieces back into the system of entertainment that made them possible Andrew stresses the dialogue of culture and cinema In his view the films open questions that take us into the culture while our understanding of the culture gives energy direction and consequence to our reading of the films The book demonstrates the value of this hermeneutic approach for one set of texts and one period but it should very much interest film theorists and film historians of all sorts **Travelers' Tales Paris** James O'Reilly,Sean O'Reilly,Larry Habegger,2011-12-27 Paris is one city that you should endeavor to know over the course of a lifetime and not just in one or two visits It is the center of the civilized universe and it belongs to everyone even to those who see it only in their dreams The City of Light has bestowed on millions the gift of the incandescent present an image or experience into which all life is condensed and reflected upon for years to come Travelers Tales Paris captures the romance of the world s favorite city through stories that entertain inform and touch the heart John Gregory Dunne reveals the manic pleasures of driving in the city s chaotic traffic Joseph Diedrich and Katya Macklovich explore romantic encounters that could only happen here Herbert Gold and David Applefield take aim at the nostalgia surrounding The Left Bank one reveling in its literary past the other urging the visitor to reach out to a new modern Paris in the outlying area of Montreuil Tim O Reilly and Coleman Lollar evoke the appeal of unexpected tourist sites and Marcel Laventurier recounts his harrowing escape from the Nazis on a train bound for occupied Paris in a tale you will never forget *Catalog of Copyright Entries. Third Series* Library of Congress. Handbook has established itself as an indispensable resource in classrooms and costume shops Ingham and Covey draw on decades of hands on experience to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive No other book covers the same breadth of necessary topics for every aspect of costuming from the basics of setting up a costume shop to managing one and everything in between *Bill Brandt* Paul Delany, 2004 Bill Brandt the greatest of British photographers who visually defined the English identity in the mid twentieth century was an enigma Indeed despite his assertions to the contrary he was not in fact English at all His life like much of his work was an elaborate construction England was his adopted homeland and the English were his chosen subject The England in which Brandt arrived in the Thirties was deeply polarized He photographed both upstairs and downstairs and recorded the industrial north as well as the society rounds of the affluent south Although much of his work was for the new illustrated magazines it was frequently influenced by surrealism and an eye for the slightly strange The subjects of his portraits include the greatest creative figures of his age and his English landscapes were sublime His radical treatment of the female body forms a landmark in the history of the photography Paul Delany ambitiously traces the details of Brandt s life and reveals how the biographical facts and the fantasies that accompanied them deeply affected Brandt s work The biography is richly illustrated with duotone reproductions of his masterpieces and a number of unpublished private photographs *Perennial Decay* Liz Constable, Dennis Denisoff, Matthew Potolsky, 2015-03-17 When Oscar Wilde was convicted of gross indecency in 1895 a reporter for the National Observer wrote that there was not a man or a woman in the English speaking world possessed of the treasure of a wholesome mind who is not under a deep debt of gratitude to the marquis of Queensberry for destroying the high Priest of the Decadents But reports of the death of decadence were greatly exaggerated and today more than one hundred years after the famous trial and at the beginning of a new millennium the phenomenon of decadence continues to be a significant cultural force Indeed decadence in the nineteenth century and in our own period has been a concept whose analysis yields a broad set of associations In *Perennial Decay* Emily Apter Charles Bernheimer Sylvia Molloy Michael Riffaterre Barbara Spackman Marc Weiner and others extend the critical field of decadence beyond the traditional themes of morbidity the cult of artificiality exoticism and sexual nonconformism They approach the question of decadence afresh reevaluating the continuing importance of late nineteenth century decadence for contemporary literary and cultural studies

Becoming Lesbian Tamara Chaplin, 2024-12-04 A landmark analysis of how a marginalized subculture used modern media to transform public attitudes toward sexual desire In *Becoming Lesbian* historian Tamara Chaplin argues that the history of female same sex intimacy is central to understanding the struggle to control the public sphere This monumental study draws on undiscovered sources culled from cabaret culture sexology police files radio TV photography the Minitel an early form of internet and private letters as well as over one hundred interviews filmed by the author *Becoming Lesbian* demonstrates how women of diverse classes and races came to define themselves as lesbian and used public spaces and public media to exert

claims on the world around them in ways that made possible new forms of gendered and sexual citizenship Chaplin begins in the sapphic cabarets of interwar Paris These venues she shows exploited female same sex desire for profit while simultaneously launching an incipient queer female counterpublic Refuting claims that World War II destroyed this female world Chaplin reveals instead how prewar sapphic subcultures flourished in the postwar period laying crucial groundwork for the politicization of lesbian identity into the twenty first century Becoming Lesbian is filled with colorful vignettes about female cabaret owners singers TV personalities writers and activists all brought to life to make larger points about rights belonging and citizenship As a history of lesbianism this book represents a major contribution to modern French history queer studies and genealogies of the media and its publics

Twilight Visions Therese Lichtenstein, 2011-07-21 Through an examination of surrealist photographs objects exhibitions activities and writings the essays in Twilight Visions the beautifully illustrated companion volume to the exhibition of the same name portray the French capital as a city in the process of metamorphosis in a kind of twilight state The Bureau of Surrealist Research the major Surrealist exhibitions and the photographs of Paris by Brassai Andre Kertesz Ilse Bing Germaine Krull and Man Ray among others all reflect the tumultuous social and cultural transformations occurring in Paris in the 1920s and 30s Juxtaposing the strange with the familiar they seek to break down repressive hierarchies At the same time they represent a desire to change the world through experimental activities Introduced by Therese Lichtenstein with essays by Therese Lichtenstein Julia Kelly Colin Jones and Whitney Chadwick this absorbing volume considers the social aesthetic and political stances of the Surrealists as they probed hidden aspects of the commonplace and blurred the boundaries between dreams and reality subjectivity and objectivity Copub Frist Center for the Visual Arts
