understanding of what it means to be alive in this world      **Some Kind of Hero** Matthew Field,Ajay Chowdhury,2015-10-12 For over 50 years Albert R Broccoli s Eon Productions has navigated the ups and downs of the volatile British film industry enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series Latterly this family run business has been crowned with box office gold and recognised by motion picture academies around the world However it has not always been plain sailing Changing financial regimes forced 007 to relocate to France and Mexico changing fashions and politics led to box office disappointments and changing studio regimes and business disputes all but killed the franchise And the rise of competing action heroes has constantly questioned Bond s place in popular culture But against all odds the filmmakers continue to wring new life from the series and 2012 s Skyfall saw both huge critical and commercial success crowning 007 as the undisputed king of the action genre **Some Kind of Hero** recounts this remarkable story from its origins in the early 60s right through to the present day and draws on hundreds of unpublished interviews with the cast and crew of this iconic series      **Marathon** Clarence DeMar,2016-10-26 Long before the days of running apps designer running shoes and online marathon training programs three time Olympian Clarence DeMar self coached his way to seven Boston Marathon victories a record that remains unbroken today More than one hundred years since winning his first marathon Clarence DeMarathon DeMar is still known as one of the greatest American distance runners of all time **Marathon DeMar s** 1937 memoir is a simple and honest reflection of the life of this working class family man who experienced national fame during the depression era A student of his sport and an athlete far ahead of his time DeMar would average 100 miles per week while closely monitoring his body s response to nutritional changes Among the first elite athletes to experiment with vegetarian and alkaline based diets DeMar shares his experience based perspective on nutrition sleep mileage and even foot strike topics that are still heavily debated in the running community today The fashion and technology surrounding the sport may certainly have changed over the years but the feat of running 26.2 miles has remained Perhaps this is why modern day runners find DeMar s **Marathon** memoir to be as pertinent and informative today as it was in 1937      *When Harry Met Cubby* Robert Sellers,2019-09-23 Enthralling an essential read particularly for fans of 007 Cinema Retro *When Harry Met Cubby* is a fitting tribute to two extraordinary men If you love behind the scenes stories about the making of movies there s plenty of drama to sate you here Entertainment Focus Albert R Cubby Broccoli and Harry Saltzman remain the most successful producing partnership in movie history Together they were responsible for the phenomenally successful James Bond series separately they brought kitchen sink drama to the screen made a star out of Michael Caine in the Harry Palmer films and were responsible for the children s classic Chitty Chitty Bang Bang But their relationship was fraught almost from the very beginning With such contrasting personalities their interactions often span out of control They managed to drive away their coveted star Sean Connery and ultimately each other Loved and hated in equal measure respected and feared by their contemporaries few people have loomed as large over the film industry as Broccoli and Saltzman yet their lives went in

very different directions Broccoli was feted as Hollywood royalty whereas Saltzman ended up a forgotten recluse When Harry Met Cubby charts the changing fortunes and clashing personalities of two titans of the big screen *What I Talk About When I Talk About Running* Haruki Murakami,2009-08-11 An intimate look at writing running and the incredible way they intersect What I Talk About When I Talk About Running is an illuminating glimpse into the solitary passions of one of our greatest artists While training for the New York City Marathon Haruki Murakami decided to keep a journal of his progress The result is a memoir about his intertwined obsessions with running and writing full of vivid recollections and insights including the eureka moment when he decided to become a writer By turns funny and sobering playful and philosophical here is a rich and revelatory work that elevates the human need for motion to an art form **The Athlete and Their**
