Looking At Stages A Review Of The New York And London Theater From 1970 To 1995:

Looking at Stages Joseph E. Geist, 1996 The Gothic Novel and the Stage Francesca Saggini, 2015-08-12 In this groundbreaking study Saggini explores the relationship between the late eighteenth century novel and the theatre arguing that the implicit theatricality of the Gothic novel made it an obvious source from which dramatists could take ideas Similarly elements of the theatre provided inspiration to novelists The Cambridge History of American Theatre Don B. Wilmeth, Christopher Bigsby, 1998 This is an authoritative and wide ranging history of American theatre in all its dimensions from theatre building to playwriting directors performers and designers Engaging the theatre as a performance art a cultural institution and a fact of American social and political life the history addresses the economic context that conditioned the drama presented The history approaches its subject with a full awareness of relevant developments in literary criticism cultural analysis and performance theory At the same time it is designed to be an accessible challenging narrative All volumes include an extensive overview and timeline followed by chapters on specific aspects of theatre Volume Three examines the development of the theatre after World War II through the productions of Broadway and beyond and into regional theatre across the country Contributors also analyze new directions in theatre design directing and acting as well as key plays and playwrights through the 1990s The Stage Lives of Animals Una Chaudhuri, 2016-10-04 The Stage Lives of Animals examines what it might mean to make theatre beyond the human In this stunning collection of essays Una Chaudhuri engages with the alternative modes of thinking feeling and making art offered by animals and animality bringing insights from theatre practice and theory to animal studies as well as exploring what animal studies can bring to the study of theatre and performance As our planet lives through what scientists call the sixth extinction and we become ever more aware of our relationships to other species Chaudhuri takes a highly original look at the animal imagination of well known plays performances and creative projects including works by Caryl Churchill Rachel Rosenthal Marina Zurkow Edward Albee Tennessee Williams Eugene Ionesco Covering over a decade of explorations a wide range of writers and many urgent topics this volume demonstrates that an interspecies imagination deeply structures modern western drama Acting Mary Beth Osnes, 2001-12-07 A groundbreaking cross cultural reference work exploring the diversity of expression found in rituals festivals and performances uncovering acting techniques and practices from around the world Acting An International Encyclopedia explores the amazing diversity of dramatic expression found in rituals festivals and live and filmed performances Its hundreds of alphabetically arranged fully referenced entries offer insights into famous players writers and directors as well as notable stage and film productions from around the world and throughout the history of theater cinema and television The book also includes a surprising array of additional topics including important venues from Greek amphitheaters to Broadway and Hollywood acting schools the Actor s Studio and companies the Royal Shakespeare performance genres from religious pageants to puppetry technical terms of the actor s art and much more It is a unique resource for exploring the techniques

performers use to captivate their audiences and how those techniques have evolved to meet the demands of performing through Greek masks and layers of Kabuki makeup in vast halls or tiny theaters or for the unforgiving eye of the camera
