The Living Church ,1980 *Seekers in the Hands of an Elusive God* Jeffery M. Leonard,2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God

by Paul Radin author and expert on primal religion *Turnaround God* Charlotte Gambill, 2013-09-24 Don't settle for less than what God can do. We often face situations in life that are hard. Whether it be a job loss, a difficult marriage, or problems with the kids, harsh storms come and we can quickly feel overwhelmed, even desperate. In the beginning of creation, God entered the darkness and void and displayed his turnaround nature. He spoke words that turned darkness into light and filled the emptiness with fruitfulness. His turnaround power brought order into the chaos. In the same way, God enters our lives with the power of his turnaround ability and offers not just a slight improvement but a complete turn around. Turnarounds, by their nature, are radical. They bypass nice and sensible; they freak out the orderly, and they do not line up with agendas. But turnarounds reveal our miraculous Savior to a messed up world. Using examples from her own life and those of biblical characters, international speaker and teacher Charlotte Gambill offers that God is more than just a little bit of help; he's all the help we need. It's time for us to fully understand that there is nothing that God can't turn around.
