answered my own question I d started out in the old Forest Service where everybody did everything I d done this many times before in the days before fire shirts and Nomex britches and fire shelters I d had five fire seasons on the Toiyabe been on a couple big fires I knew this business I knew how to keep out of trouble About the time I resolved that little issue I was at the fire Uncle Sam's Cabins Les Joslin,1995 **Selected References Concerning the USDA Forest Service** ,1995
