Mary Angelon Young

Lovers And Heretics:

Lovers and Heretics John Hale, 1976 *Pilgrims, Heretics, and Lovers* Claude Marks, 1975 A re creation of seven centuries of medieval life and art in the Midi the troubadour country of France **Krishna's Heretic Lovers** Mary Angelon Young, 2016-06-14 This book recounts the legendary love story of Chandidas and Rami 14th century Bengalis He is a young Brahmin priest who renounces his caste status to become an heretical poet musician wandering the byways of India with a small band of mystics and bards Rami is a beautiful 20 year old widow of low caste living with her two children To survive she washes the clothes of local villagers An overwhelming magnetism of love and fate compels them to come together against prevailing religious and social customs Rami leaves all of her familiar world behind to travel sing and praise the Divine with her beloved Chandidas along the dusty roads of Bengal Krishna s Heretic Lovers is an historical romance that blends fiction and fact love and sex action and spiritual teachings politics and true characters with the authentic poetry written by the revered poet Chandidas later known as the Father of Bengali poetry The synthesis of these elements together with rare insight into the practices of a genuine tantric sect creates an unforgettable alchemy for readers Vivid descriptions of cultural and natural environments along with richly detailed characters capture the religion politics and lifestyle of the late 14th early 15th century of remote Bengali villages The reader is transported into an era when the basic human freedom to create love and worship based on one s natural impulse had to be carved from the stone of rigid hierarchical even feudal societal and religious structures Thanks to Mary Angelon Young Chandidas and Rami live again to sing the glories of Krishna and Radha to a new audience Victory to the Divine Couple Dr Robert Svoboda author of *Mysticism in the 21st Century* and *Aghora At the Left Hand of God* A BOOK FOR STUDENTS OF COMPARATIVE RELIGION OR ANYONE FASCINATED WITH EASTERN TRADITIONS ESPECIALLY THOSE YEARNING FOR A LOVE STORY THAT INCLUDES SPIRITUAL TEACHINGS DHARMA AND SCHOLARSHIP *Heretics in Love* James Lees-Milne, 1973 *Truth and the Heretic* Karen Sullivan, 2005-09-15 Exploring the figure of the heretic in Catholic writings of the twelfth and thirteenth centuries as well as the heretic s characterological counterpart in troubadour lyrics Arthurian romance and comic tales *Truth and the Heretic* seeks to understand why French and Occitan literature of the period celebrated the very characters who were so persecuted in society at large Karen Sullivan proposes that such literature allowed medieval culture a means by which to express truths about heretics and the epistemological anxieties they aroused The first book length study of the figure of the heretic in medieval French and Occitan literature *Truth and the Heretic* will fascinate historians of ideas and literature as well as scholars of religion critical theory and philosophy *The scale, or ladder, of perfection. With an essay on the spiritual life of mediaeval England* by J.B. Dalgairns Walter Hilton, 1901 *Heretics* Gerd Ludemann, 1996-01-01 According to the commonly held view early Christianity was a time of great harmony and heresy emerged only at a later stage To the contrary Gerd Ludemann argues that the time from the first Christian communities to the end of the second century was defined by

struggle by various groups for doctrinal authority Drawing on a wealth of data he asserts that the losers in this struggle actually represented Christianity in its more authentic original form Orthodoxy has been defined by the victors in this struggle and it is they who subsequently silenced alternative views and labeled them heretical Ludemann's findings are important as well as liberating for the understanding of both Christianity and the Bible Readers will gain a new understanding of Jesus and the early church from this compelling and controversial book *The Scale (or, Ladder) of Perfection, Written by Walter Hilton, a Carthusian Famous in the Reigne of Henry the 6th. Printed First in the Yeare 1494. ... By the Changing of Some Antiquated Words Rendred More Intelligible.* by A. Baker and S. Cressy Walter HYLTON, 1870

The Scale of Perfection Walter Hilton, 1870 **The Inner Lives of Medieval Inquisitors** Karen Sullivan, 2011-03-15

There have been numerous studies in recent decades of the medieval inquisitions most emphasizing larger social and political circumstances and neglecting the role of the inquisitors themselves In this volume Karen Sullivan sheds much needed light on these individuals and reveals that they had choices both the choice of whether to play a part in the orthodox repression of heresy and more frequently the choice of whether to approach heretics with zeal or with charity In successive chapters on key figures in the Middle Ages Bernard of Clairvaux Dominic Guzman Conrad of Marburg Peter of Verona Bernard Gui Bernard D'licieux and Nicholas Eymerich Sullivan shows that it is possible to discern each inquisitor making personal moral choices as to what course of action he would take All medieval clerics recognized that the church should first attempt to correct heretics through repeated admonitions and that if these admonitions failed it should then move toward excluding them from society Yet more charitable clerics preferred to wait for conversion while zealous clerics preferred not to delay too long before sending heretics to the stake By considering not the external prosecution of heretics during the Middle Ages but the internal motivations of the preachers and inquisitors who pursued them as represented in their writings and in those of their peers *The Inner Lives of Medieval Inquisitors* explores how it is that the most idealistic of purposes can lead to the justification of such dark ends
