**Lovers on the Nile** Richard Hall,1980-01-01      **Lovers on the Nile** Richard Hall,1980      **Lovers on the Nile** Richard Seymour Hall (Schriftsteller, Australien, England),James A. Casada,1980      Search for the Nile's Source John

Humphries,2013-09-15 The source of the Nile had long eluded and tormented explorers and John Hanning Speke s discovery of Lake Victoria in 1858 elevated him to the pantheon of heroes of African exploration alongside Livingstone and Stanley But the part played by the Welsh mining engineer John Petherick in the discovery was ignored after he was branded a slave trader by Speke and the controversy that followed ended with Petherick ruined and Speke dead This first biography of Petherick places him at the centre of one of the great discoveries in African exploration and as the focus of a dispute that rocked the geographical establishment Was Petherick a rogue as portrayed by some or the victim of a conspiracy that destroyed his reputation and denied him a share of the credit for his part in one of the greatest feats in African exploration

*The Trapped Lovers* Dr Jit Pal Aggarwal,2025-03-31 The novel The Trapped Lovers is written on the themes of love and sexuality and the craze of the modern youth to follow the postmodern values Rishu Takiat is a Dalit boy who belonged to Amritsar It was the chance that he had saved a young and beautiful girl Sudha from the stampede during his school days She was the daughter of rich businessman She became devoted to him and financed his education stealing money from the cupboard of her dad She had told thousand lies to live with him Sudha had passion to visit the historical places of Egypt Athens and Mesopotamia She left Rishu and joined the cancer doctor Rama of Hyderabad She was excited when she came to know that Rama lived in Athens She took the flight and went with him but was shocked to know about the reality of Rama She came in contact with a Greek girl Sophia who took her to the City club of Athens where she came in contact with Robin Douglas who was on her holidays to visit the historical places of Egypt and Rome Sudha s ambition was fired and she joined him and spent one month with him He narrated false and frivolous stories of his Indian mom and pretended that he loved her and wanted to marry her Both were now trapped lovers But in fact Robin was an American guy whose routine was to trap a beautiful girl and cheat on here Sudha was shocked when she came to know about his real identity She cried and returned to meet Rama who had been cheated on by Sophia Both were alone and they married She gave birth to twins Humpty and Dumpty but Rama was killed in the plane crash Sudha was compelled to come back India where she met Kajal in the aeroplane She was the sister of Rishu She took her to Bombay where she met her old friend Rishu who was at the end of the road The story is full of suspense sexuality of the trapped lovers of Seema Rihu Kamini and Sudha      **Egypt's African**

**Empire** Dr Alice Moore-Harell,2014-03-01 This book is a detailed and original study of the creation of the province of Equatoria located in present day Southern Sudan No detailed account has previously been published on the effort to conquer and create a new Egyptian province in the 1870s in the interior of Africa despite its importance to the history of the on going northsouth conflict in the Sudan The annexation of Equatoria emerged from the Khedive viceroy Ismail s aspiration for an

African empire that would control the source of the White Nile at Lake Victoria At the time he was under pressure from the British government to suppress the lucrative slave trade in the Turco Egyptian Sudan and to this end the new province was to be under direct control of Cairo and not the authorities in Khartoum The two conquering expeditions of Equatoria were led by Britons Samuel Baker and Charles Gordon later Governor General of the Sudan With them were other Europeans Americans Sudanese and Egyptians Baker Gordon and some of the others left detailed accounts of their experience in the region All of which contribute to our knowledge not only of the difficulties involved in the annexation of a region thousands of kilometres from Cairo but also geographical data and a record of the complex human relations that developed between the men involved in the expeditions and the creation of the new province Official documents from the Egyptian state archive Dar al Wathaiq provide detailed accounts of the politics of the annexation of Equatoria and these accounts are discussed in their historical context The Gentleman's Magazine ,1798 **Visualizing Africa in Nineteenth-Century British Travel**

**Accounts** Leila Koivunen,2008-11-19 This study examines and explains how British explorers visualized the African interior in the latter part of the nineteenth century providing the first sustained analysis of the process by which this visual material was transformed into the illustrations in popular travel books At that time central Africa was effectively a blank canvas for Europeans unknown and devoid of visual representations While previous works have concentrated on exploring the stereotyped nature of printed imagery of Africa this study examines the actual production process of images and the books in which they were published in order to demonstrate how why and by whom the images were manipulated Thus the main focus of the work is not on the aesthetic value of pictures but in the activities interaction and situations that gave birth to them in both Africa and Europe **The Gentleman's Magazine: Or, Monthly Intelligencer** Edward Cave,1799 **The Gentleman's Magazine and Historical Chronicle** ,1798
