Houdek,1991 *Library Journal* ,1990 *Martindale Hubbell Law Directory* Martindale-Hubbell,2003-04 *Ruined by Love* Bean Sprout, Julia thought she had it all but who could have guessed that her world would be turned upside down Abortion Disfigurement A failed career A tarnished reputation She could not figure out how things turned out like this Maybe it was all because of Curtis After all love could destroy a woman s life **A WOMAN'S GUIDE TO TRUE LOVE WITHOUT FIRST HAVING A NERVOUS BREAKDOWN** Sheldon Engel,2021-06-03 To those women who seek true love and who have known the perils of disappointment hurt and futility this book is dedicated to providing such women with intuition and self presentment techniques to increase their probability of successfully achieving a potential true love relationship with a man Such intuition should also probably eliminate the woman s choosing a man destined to cause her pain and suffering without his having any remorse As a successful divorce lawyer for over thirty five years I have often seen the causation of a divorce being love lost or the undeniable realization that love never existed in

the marriage However I have also observed women divorcees overcome their fear of failure and hurt and with the use of relevant intuition and her self presentment find and maintain a true love relationship with a man The critical elements of the intuition a woman must embody and herself present to the man in order to have a chance of a long term relationship of true love with such man is formulated on my experiences as a divorce lawyer and my personal encounters to discover and maintain true love with a woman The described elements of the intuition in each s exercise depends on the woman s ability to ferret out the true character of the men she encounters in her quest to find true love Of course the effective utilization of a woman s intuition is regularly challenged by her needs desperation and anxiety Confidence in the woman s intuition and her self presentment persona must dominate over her immediate needs so that a woman can achieve the probability of success in finding and maintaining true love with a man The woman s guide to true love is not only based on her development of her intuition to eliminate expeditiously the false male candidate but also retain a man whose positive attributes overcome his modifiable faults Moreover in judging a man by her intuition the woman must also portray herself as being the one for her male partner To secure true love and maintain such love the woman s intuition must be coupled with the manner of presenting herself with honest reflective characteristics of her being The purpose of this book is not to clarify my achievements as a divorce lawyer The purpose is to use my knowledge gained from such legal specialty as well as from the insight I developed as a product of the successes and failures in my personal quest to find and maintain true love with a woman to give birth to the development of a woman s intuition and her self presentation to her suitor and to increase the probability of achieving true love without first having a nervous breakdown 7 Choice ,1990
