Lucrezia Borgia And The Mother Of Poisons:

Lucrezia Borgia and the Mother of Poisons Roberta Gellis, 2003-09 Historical mystery that brings medieval London to life Magdalene is a memorable character sharp witted and strong and she shines through this novel from start to unpredictable climax Publishers Weekly

Lucrezia Borgia and the Mother of Poisons Roberta Gellis, 2004-09 Poisoner The bellowed accusation strikes into silence all those in Lucrezia Borgia's audience chamber Lucrezia has fled Rome to a loveless marriage with Alfonso heir to the duke of Ferrara to escape the rumors that she is utterly depraved incestuous a lecher a poisoner To her delight she is warmly welcomed in Ferrara by the duke by his court by the people indeed by everyone except her husband And then after only six weeks of basking in the warmth of general approval Alfonso rushes into her apartment and accuses her of poisoning Bianca Tedaldo one of her ladies in waiting and mistress to Alfonso Immediately Lucrezia sees the nightmare of her life in Rome recurring The whispers behind her back the signs to ward off evil people making out their wills when she invites them to share a meal To deny the charge is useless Lucrezia knows all too well the futility of claiming innocence even when the claim is clearly and plainly true The only way for her to retrieve her reputation is to discover who committed the crime and expose the true murderer

Ruthless Rulers C.S. Denton, 2016-07-29 Throughout history all monarchs have lived with the same dichotomy of simultaneously being human and more than human In our time when monarchs seem little more than tourist curiosities and democracy is taken for granted it is easy to forget just how much power pre democratic rulers once wielded The rulers and holders of political power in this book were all possessed of vast in many cases absolute power power which was often exercised arbitrarily and unjustly What unites the figures in this book is that they all in one way or another failed to live up to the extravagantly high hopes invested in them and as a consequence have been judged harshly by history A few such as George III might have been remembered more kindly were it not for mental illness changing their status from that of hero to villain Some like Louis XVI were unfairly transformed into monsters by hostile propaganda while others such as Peter the Great have been both celebrated as heroes and denounced as tyrants often in the same breath Finally there are those rulers who like Caligula or Ivan the Terrible may well fully deserve their evil reputations Ruthless Rulers is a study in how often rulers were carried away or overwhelmed by their exalted status while a few were even driven over the edge into madness

The Poison Path Grimoire Coby Michael, 2024-11-05 Shares a detailed formulary including rituals magical correspondences and recipes for working with the baneful herbs of occult herbalism Looks at the plants of fate and the divination practices they support love magic with poison plants shadow work and spell work the devil's garden and the use of nightshades as power plants for medicine and magic Explores poison history lore occult toxicology and the alchemical power of working with poison Examining the art and science of working with noxious and malefic plants and fungi Coby Michael discusses the occult properties of poison and how poison plants can be used in spell work and other magical operations He looks at the plants of Fate and the divination

practices they support love magic with poison plants shadow work the devil's garden and the use of nightshades as power plants for medicine and magic Presenting a detailed formulary he shares rituals magical correspondences and recipes for working with specific poison plant allies and other baneful herbs of occult herbalism Exploring the path of dark herbalism the author explains how it encompasses not only veneficium poisonous plants and fungi but all plants that humanity has tried to forget from invasive plants and those we can't domesticate to those that have been regulated arbitrarily or simply feared as toxic or poison He shows how the dark herbalist seeks out plants that are adversarial or taboo because the qualities we consider dark are really the plant's spiritual medicine and can offer powerful wisdom and healing Examining poison history lore and occult toxicology he explains how the aim of using these plants is not to cause physical death but rather death of the ego He shows how poison in this sense is an alchemical force that allows the practitioner to become a vessel for the forbidden fruit of knowledge and how the transmutation of our personal poisons can lead to powerful self transformation
