Model Soldiers:

The History of Toy Soldiers Luigi Toiati, 2019-02-28 Amazing A must have must read bible for lovers of toy history and in particular toy soldiers Absolutely glorious Books Monthly Humans have made and collected toy soldiers from time immemorial They amuse and comfort us awaken our curiosity turn aggressiveness into creativity In The History of Toy Soldiers Luigi Toiati himself an avid collector and manufacturer of toy soldiers conveys and shares the pleasure of collecting and playing with them Far from a dry encyclopedia it leads the reader through the fascinating evolution of the toy soldier from ancient times to the early twenty first century The author as a sociologist with an interest in semiotics the study of signs offers truly original insights into why different types of toy soldiers were born in a given period and country or why in a given size and material The author s writing is packed with factual detail about the different types of toy and model soldiers and their manufacturers but also with anecdotes nostalgia wit and his enduring passion for the subject Six hundred beautiful color photographs many depicting the author s own collection complete this delightful book Toiati creatively delivers exhaustive details captivating anecdotes and a sense of nostalgia that exudes the fundamental childhood joy of playing with toy soldiers combined with adult collectors wonderment at their charms Toy Soldier Model Figure A book that will enter the annals of Toy Soldier collections as one of the best and most complete books on this topic IPMS USA A great journey of exploration Miniature Wargaming

Researching American-made Toy Soldiers Richard O'Brien, 2009 For the first time Richard O'Brien has collected hundreds of articles and features he wrote for various toy soldier collecting magazines in one compelling book Filled with pictures and information on the best known and the most obscure toy soldiers of the past century

Toy Soldiers Simon Clark, 2023-09-22 Toy soldiers have played a significant role in the history of toys since the days of ancient Egypt reflecting real world realities of the times in which they were produced Written as a primer for toy soldier collectors both new and experienced as well as for those wishing to relive childhood memories this highly illustrated volume conveys the reader from the early origins of toy soldiers to the so called golden age of the 1930s then through the austerity of World War II and early post war years to the plastic revolution of the 1960s It moves on to look at the reintroduction of the traditional toy soldier in the 1980s and 90s and the emergence of the bespoke military miniature and commercial connoisseur ranges by the likes of King Country First Legion and similar makers before ending with a brief examination of the future of the toy soldier Brief histories of the major toy soldier makers both past and present are included and most of their most prominent products are examined and evaluated in some detail Useful hints on identifying and buying toy soldiers as well as practical information on the storage and display of your toy soldier collection how to start a collection and where to buy toy soldiers are also included in this meticulously researched work Collecting Toy Soldiers in the 21st Century James Opie, Mark Hastings, 2011-11-02 A completely updated edition of the classic guide by a leading authority in the field For the toy soldier collector an absolute must have Miniature Wargames James Opie s highly popular Collecting Toy Soldiers was an

inspiration for anyone involved in the hobby Decades later this is a completely new companion updating the experience for the twenty first century collector James now gives the reader the benefit of his long experience as one of the world s leading authorities on toy soldiers figures and models and a lifetime as a passionate collector himself *Collecting Toy Soldiers in the 21st Century* contains comprehensive advice on all aspects of collecting fully illustrated with new pictures Guidance for every budget includes price trends and pitfalls to avoid when buying or selling at auction at shows online or privately Sharing informative and often amusing anecdotes James illustrates just how satisfying it can be to explore this blend of history tradition nostalgia and play whether on the grandest scale or with the most limited of funds *Britains & Other Interesting Toy Soldiers* John Franklin,2025-08-05 packed with anecdotes useful technical information and helpful advice for the collector but it is above all a proud tour of inspection of a sixty year labor of love IPMS USA John Franklin has been collecting traditional toy soldiers for over sixty years mostly Britains but as the title suggests including other interesting additions In this book he shares some of the in depth knowledge gained through experience and countless hours of careful research but most of all the passion and enthusiasm for his hobby He explains how he was inspired to collect soldiers like so many in early boyhood and how a hobby grew into an obsession The various chapters then examine themes he followed in his collecting such as Britains Special Painting Orders and Indian Army Pipe Bands for example or address questions regarding the manufacture or identity of specific sets that he has researched or in some cases is still seeking the answer to It is packed with anecdotes useful technical information and helpful advice for the collector but it is above all a proud tour of inspection of a sixty year labour of love Over four hundred photographs show much of the author s magnificent collection in a parade of miniature pomp and splendour *Britains Toy Soldiers* James Opie,2016-10-30 This is the first full colour history of the world famous toy soldiers to chart the whole story of their development from Victorian table toy to 21st Century collectable Prior to 1893 the family toy business of the Britain family was struggling as the toy industry was dominated by German manufacturers and importers Then came the fateful decision first to import then to design and manufacture toy soldiers an area the German firms were particularly strong in Britains Toy Soldiers were born and soon their boxes stamped with the slogan Best Quality English Make were being eagerly opened by little boys across Britain and then around the world The rest as they say is history and it is all captured here by James Opie the world s leading expert on the subject as he lovingly traces the varying fortunes of arguably the most famous British toy company Illustrated with lavish colour photographs many of them featuring items from the author s own collection the book includes feature sections such as collectors favourites and prices high value and famous sets artistic highlights quirks and mysteries It is without doubt the most authoritative book on the subject and will be welcomed by the thousands of devoted collectors world wide as well as many more with fond memories of childhood battles with these beautiful toys **Model Soldiers** ,1972 **Model Soldiers in Colour** Roy Dilley,1980 **Soldiers** ,1984 **Boys' Life** ,1981-11 Boys Life is the official youth magazine for the Boy Scouts of America
