Models Of Change In Municipal Parks Recreation A Of Innovativ

Brenda Corbett

Models Of Change In Municipal Parks Recreation A Of Innovativ:

Models of Change in Municipal Parks and Recreation Mark E. Havitz, 1995 These case studies provide cutting edge information about innovative programs facilities and management practices that are setting the pace in municipal recreation and park services From successful contracting out to creative partnerships to new ways to reach at risk youth this book provides up to the minute information about where municipal recreation and park services are headed and how to get there Must reading for any municipal recreation and park professional

Innovations Dawn R. De Vries, Julie M. Lake, 2002 Innovations is an excellent program that addresses the physical cognitive communication emotional and social needs of long term care residents while improving or maintaining their functional abilities Innovations integrates recreation therapy and restorative nursing to make a significant improvement in the residents lives

Group Games & Activity Leadership Kenneth J. Bulik, 2000 This book has been compiled over many years to fill the need for a comprehensive reference for group games The 500 plus activities in Group Games Activity Leadership are intended to be used as a reference in the planning of larger group activities Some of the activities are new Many will remind readers of neighborhood games they played as youngsters and others will bring fond recollections to parents and grandparents This is primarily a book which has been designed to recall to the leader s mind familiar and not forgotten activities Detailed instructions including number of players required accessories dimensions of playing areas and illustrations of team formations accompany the game and activity descriptions The book is presented as a guide in which the old and new in group games will be easily understood and adapted to use in a variety of social and recreational settings

The Municipal Year Book , 1997

INNOVATION AND CHANGE IN THE HUMAN SERVICES Nicholas D. Richie, Diane E. Alperin, 2002-01-01 This second edition of Innovation and Change in the Human Services considerably updates and expands the previous volume An overview of the development of human services over the course of the twentieth century culminates in an evolutionary model which illustrates how human services generally progress from an initial individual problem stage to one of considerable governmental involvement and media attention Eight specific human services are discussed in detail hospices for those with life limiting illness continuing care retirement communities services for those with HIV AIDS domestic assault services day care for children services for the homeless lifelong occupational counseling and services for Alzheimer s patients A full chapter is devoted to some of the major events of the last decade of the twentieth century the Clinton Health Care Plan the Welfare Reforms of 1996 and the Oregon Death with Dignity Act The chapter on human services education compares degree programs in human services and social work and suggests a functional approach which would allow the human services worker to move easily from one setting to another due to having mastered a common core curriculum with universal applicability The last chapter deals with human services issues of considerable importance at the start of the twenty first century including the corporatization of human services the privatization of human services Social Security reform and healthcare reform This material is expected to be of use not only

to educators and students in the human services but also to policy analysts and health services administrators practitioners who face everyday the challenge of refining adapting the programs they administer study and support

Interpretation of Cultural and Natural Resources Douglas M. Knudson, Ted T. Cable, Larry Beck, 2003 This text explains cultural and natural environments and how to process information for the public in museums parks forests and many other private and public interpretive agencies worldwide Based in research and theory this book defines affirms and unifies this diverse field for both professionals and students by presenting the challenges and possibilities of the field including the presentation of interpretation to diverse audiences effective programming strategies state of the art management and marketing techniques training and using volunteers and the trends facing interpretation today and in the future

Motivating Change: Sustainable Design and Behaviour in the Built Environment Robert Crocker, Steffen Lehmann, 2013-07-24 Today's most pressing challenges require behaviour change at many levels from the city to the individual This book focuses on the collective influences that can be seen to shape change Exploring the underlying dimensions of behaviour change in terms of consumption media social innovation and urban systems the essays in this book are from many disciplines including architecture urban design industrial design and engineering sociology psychology cultural studies waste management and public policy Aimed especially at designers and architects Motivating Change explores the diversity of current approaches to change and the multiple ways in which behaviour can be understood as an enactment of values and beliefs standards and habitual practices in daily life and more broadly in the urban environment
