Lowenthal,2015-10-01 The past remains essential and inescapable A quarter century after the publication of his classic  
account of man s attitudes to his past David Lowenthal revisits how we celebrate expunge contest and domesticate the past  
to serve present needs He shows how nostalgia and heritage now pervade every facet of public and popular culture History  
embraces nature and the cosmos as well as humanity The past is seen and touched and tasted and smelt as well as heard and  
read about Empathy re enactment memory and commemoration overwhelm traditional history A unified past once certified  
by experts and reliant on written texts has become a fragmented contested history forged by us all New insights into history  
and memory bias and objectivity artefacts and monuments identity and authenticity and remorse and contrition make this  
book once again the essential guide to the past that we inherit reshape and bequeath to the future      *The Art Quarterly*
