Modern China An Encyclopedia Of History Culture And Nationalism:

Modern China Ke-wen Wang, 1998 Charts Western influence and national development Beginning with the mid 19th century when China encountered the West and began to enter the modern age this encyclopedia offers an overview of the world's largest and most populous nation The coverage includes not only major political topics but also surveys the arts business literature education journalism and all other major aspects of the nation's social cultural and economic life The encyclopedia also offers significant material on such often neglected subjects as women and minorities modern drama Sino French War the federalist movement overseas Chinese Mongolian independence and more Special emphasis throughout is on the dramatic changes that have taken place in the country since the end of World War II Provides an overview of the modern era The entries are written by China specialists who are thoroughly familiar with every aspect of the nation and its peoples While history predominates the articles cover all academic fields and include considerable material on recent decades as well as on earlier periods There are entries on national political leaders and key thinkers major events and trends in the nation's history institutions organizations and currents of thought that led to the emergence of the modern nation The encyclopedia's longer essays offer detailed and insightful surveys of censorship important eras literary movements powerful social groups anti imperialism campaigns Five Year Plans the Sino Vietnamese War economic breakthroughs and other vital topics The coverage is informed by a thorough exploration of the historical role of Chinese nationalism a potent force that was shaped by the need to retain national unity and independence under foreign assault Modern China Ke-wen Wang, 1998 Contains detailed entries on major political topics as well as the arts business literature education journalism and other aspects of social cultural and economic life focusing on the period from the mid 19th century to the present Offers material on neglected subjects including women and minorities modern drama the Sino French War and Mongolian independence Longer essays survey broad topics such as censorship literary movements and powerful social groups Emphasis throughout is on dramatic changes that have taken place since the end of WWII Most entries are followed by an English language bibliography Includes a chronology and bandw photos Annotation copyrighted by Book News Inc Portland OR **Modern China**, 1999

The Allure of the Nation Tze-ki Hon, 2015-03-20 Covering half a century from 1895 to 1945 *The Allure of the Nation* examines three interlocking aspects of Chinese nationalist modernity 1 the quest to balance global connectivity and ethnic authenticity 2 the desire to balance national unity and local autonomy 3 the drive to balance history's place as a tool of political propaganda and as a weapon used to critique orthodoxy and political suppression By viewing the nation as a cluster of spatial temporal relations that link individuals to a territorial state this book provides a different view of early twentieth century China where the party state did not have full control of political and cultural affairs and alternative political perspectives such as local self government and democratic aristocracy could be freely expressed The Marshall Mission to China, 1945-1947 Roger B. Jeans, 2011-08-28 This book breaks new ground in our understanding of a pivotal period in the

history of American foreign policy the early Cold War and the struggle for dominance in China between the Nationalists and Communists The famous Marshall Mission to China has been the focus of intense scrutiny ever since General George C Marshall returned home in January 1947 and full scale civil war consumed China Yet until recently there was little new to add to the story of the failure to avert war between the Chinese Nationalists under Chiang Kai shek and the Chinese Communists led by Mao Zedong Drawing on a newly discovered insider s account Roger B Jeans makes an invaluable contribution to our understanding of Marshall s failed mediation effort and the roles played by key Chinese figures Working from the letters and diary of U S Army Colonel John Hart Caughey Jeans offers a fresh interpretation of the mission From beginning to end Caughey served as Marshall s executive officer in effect his right hand man assisting the general in his contacts with the Chinese and drafting key documents for him Through his writings Caughey provides a rare behind the scenes view of the general s mediation efforts as well as intimate glimpses of the major Chinese figures involved including Chiang Kai shek Madame Chiang and Zhou Enlai In addition to daily contact with Marshall Caughey often rubbed shoulders with these major Nationalist and Communist figures As a meticulous eyewitness to history in the making Caughey offers crucial insight into a key moment in post World War II history

The Soldier Image and State-Building in Modern China, 1924-1945 Yan Xu, 2019-02-15 Based on groundbreaking research this book is the first of its kind to provide a close examination in English of the extensive imagery of the soldier figure in the war culture of early twentieth century China This study moves away from the traditional military history perspectives and focuses on the neglected cultural aspect of the intersection of war and society in China during a crucial period that led to the eventual victory of the Chinese Communist Party over the Nationalist Party Integrating history literature and arts this appealing narrative reveals multiple meanings of the soldier figure created by different political social and cultural forces in modern China Drawing from a wide range of sources including government documents speeches newspaper articles memoirs military textbooks and yangge drama Yan Xu recounts stories of unforgettable Chinese political leaders including Chiang Kai shek and Mao Zedong She also examines the wartime experiences of previously marginalized social groups including women soldiers wounded soldiers student soldiers military writers and vocational education professionals giving voice to those largely forgotten by military historians This book opens up a new area in modern Chinese history and Chinese military history by revealing that the cultural discourse on the soldier image is essential to understanding Chinese nationalism state building and civil military relations in the early twentieth century

Ethnomusicology Jennifer Post, 2013-03-01 Ethnomusicology A Research and Information Guide is an annotated bibliography to books recordings videos and websites in the field of ethnomusicology The book is divided into two parts Part One is organized by resource type in categories of greatest concern to students and scholars It includes handbooks and guides encyclopedias and dictionaries indexes and bibliographies journals media sources and archives It also offers annotated entries on the basic literature of ethnomusicological history and research Part Two provides a list of current

publications in the field that are widely used by ethnomusicologists Multiply indexed this book serves as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decades

The History of China , Reference Sources in History Ronald H. Fritze, Brian E. Coutts, Louis A. Vyhnanek, 2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites

Confucian Concord Federico Brusadelli, 2020-09-25 In Confucian Concord Federico Brusadelli offers an intellectual analysis of the Datong Shu Written by Kang Youwei 1858 1927 and conceived as his most esoteric and comprehensive legacy to posterity the book was eventually published posthumously in 1935 considered too advanced for the times in Kang s own opinion Connecting Datong Shu to its author s intellectual biography and framing it within the intellectual and political debate of the time Brusadelli investigates the conceptual and philosophical implications of Kang s global prophecy showing how an apparently utopian and escapist piece of literature was actually an attempt to save at least ideally the imperial political order updating the traditional Confucian universalism to a new modern world

After Empire Peter Zarrow, 2012-03-28 From 1885 1924 China underwent a period of acute political struggle and cultural change brought on by a radical change in thought after over 2 000 years of monarchical rule the Chinese people stopped believing in the emperor These forty years saw the collapse of Confucian political orthodoxy and the struggle among competing definitions of modern citizenship and the state What made it possible to suddenly imagine a world without the emperor After Empire traces the formation of the modern Chinese idea of the state through the radical reform programs of the late Qing 1885 1911 the Revolution of 1911 and the first years of the Republic through the final expulsion of the last emperor of the Qing from the Forbidden City in 1924 It contributes to longstanding debates on modern Chinese nationalism by highlighting the evolving ideas of major political thinkers and the views reflected in the general political culture Zarrow uses a wide range of sources to show how statism became a hegemonic discourse that continues to shape China today Essential to this process were the notions of citizenship and sovereignty which were consciously adopted and modified from Western discourses on legal theory and international state practices on the basis of Chinese needs and understandings This text provides fresh interpretations and keen insights into China s pivotal transition from dynasty to republic

Twentieth Century China James H. Cole, 2004 Emphasizing reference works published since 1964 these

volumes cover books periodicals and inclusions i e chapters in edited volumes on the 1911 Revolution the Republic of China 1949 post 1911 Taiwan post 1911 Hong Kong and Macao and post 1911 overseas Chinese *Information Sources of Political Science* Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world's leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed *Information Sources of Political Science* is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries *Culture, Music Education, and the Chinese Dream in Mainland China* Wai-Chung Ho, 2018-01-04 This book focuses on the rapidly changing sociology of music as manifested in Chinese society and Chinese education It examines how social changes and cultural politics affect how music is currently being used in connection with the Chinese dream While there is a growing trend toward incorporating the Chinese dream into school education and higher education there has been no scholarly discussion to date The combination of cultural politics transformed authority relations and officially approved songs can provide us with an understanding of the official content on the Chinese dream that is conveyed in today's Chinese society and how these factors have influenced the renewal of values based education and practices in school music education in China **Asian Thought & Society**, 2000

Biographical Dictionary of the People's Republic of China Yuwu Song, 2014-01-10 This biographical dictionary is an indispensable research tool for information about the prominent persons of the past seven decades in China The book documents nearly 600 Chinese individuals who contributed for better or worse to the development of Chinese life and culture since the founding of the People's Republic of China in 1949 Though the book is weighted toward political figures it includes persons in business the military academia medicine social movements the arts entertainment and athletics In addition to an objective description of the person's life an analysis is provided that identifies the individual's contributions and importance

History of Pussy USA Kurt Kristensen, 2015-09-21 *History of pussy* is an Original Book on the History of Visual Organ female The author traces from prehistory to today as the man has represented the female sex and what were the meanings related to them The topics dealt with by the author follow a vast historical and cultural framework that embraces centuries of social history of women in order to shed light on the cultural motivations that were the basis of theories and beliefs female organ The Politics of Historical Production in Late Qing and Republican China Tze-ki Hon, Robert Culp, 2007-08-13 By

examining various forms of historical production happening outside the mainstream of academic history in early 20th century China this book shows how historical writings were central to the Chinese debate on the nation elite authority and active citizenry *The Far East and Australasia 2003* Europa Publications,2002 A unique survey of each country in the region It includes an extensive collection of facts statistics analysis and directory information in one accessible volume *The Library Journal* ,1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately

Modern China An Encyclopedia Of History Culture And Nationalism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern China An Encyclopedia Of History Culture And Nationalism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern China An Encyclopedia Of History Culture And Nationalism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern China An Encyclopedia Of History Culture And Nationalism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
