Learning English and Chinese as Foreign Languages Wen-Chuan Lin, 2019-09-19 Learning English and Chinese is becoming increasingly important to the prospects of young people This book compares English as a Foreign Language teaching in Taiwan with Chinese as a Foreign Language education in England in order to highlight how classroom activities are embedded within multiple settings including ethnic or other social group cultures family and community resources and school visions or goals The book illustrates how in Taiwan different ethnic groups recognise access and value English language learning to varying extents Its findings illuminate why some ethnic groups are highly motivated to learn English and are able to gain privileged economic positions in the job market In England access to Chinese is marked by social

class and the book argues that this could augment an educational apartheid that already exists in language teaching in secondary schools thereby exacerbating existing inequality

A Hybrid Approach to Teaching Chinese through Digital Humanities, CALL, and Project-Based Learning Dongdong Chen, 2024-08-15

A Hybrid Approach to Teaching Chinese through Digital Humanities CALL and Project Based Learning presents an exposition of current thinking research and best practices in Computer Assisted Language Learning CALL Digital Humanities DH and Project Based Language Learning PBLL in the context of teaching Chinese as a foreign language TCFL It proposes integrating CALL and DH into PBLL to form a Digital Humanities Augmented Technology Enhanced Project Based Language Learning DATEPBLL approach to transform student learning By combining DH pedagogy and CALL technology with PBLL the approach takes advantage of their synergies which enables instructors to help students develop linguistic and cultural competency as well as 21st century skills Case studies and best practices from experienced Chinese language teachers are presented to demonstrate the value of the DATEPBLL approach This is the first volume that covers all three fields and makes a strong case for the importance of incorporating CALL DH and PBLL for effective language learning Written for professionals in language education including educators curriculum designers and developers graduate students publishers government personnel and researchers the book provides theoretical insights and practical applications of CALL DH and PBLL
