*Women and Gender in Contemporary Chinese Societies* Shanshan Du, Ya-chen Chen, 2013-03-04 Recent attention to historical geographic and class differences in the studies of women and gender in China has expanded our understanding of the diversity and complexity of gendered China Nevertheless the ethnic dimension of this subject matter remains largely overlooked particularly concerning women's conditions and gender status Consequently the patriarchy and its oppression of women among the Han the ethnic majority in China are often inaccurately or erroneously associated with the whole gendered heritage of China epitomized by the infamous traditions of footbinding and female infanticide Such academic and popular predisposition belies the fact that gender systems in China span a wide spectrum ranging from extreme Han patriarchy to Lahu gender egalitarianism The authors contributing to this book have collectively initiated a systematic effort to bridge the gap between understanding the majority Han and ethnic minorities in regard to women and gender in contemporary Chinese societies By achieving a quantitative balance between articles on the Han majority and those on ethnic minorities this book transcends the ghettoization of ethnic minorities in the studies of Chinese women and gender The eleven chapters of this volume are divided into three sections which jointly challenge the traditions and norms of Han patriarchy from various perspectives The first section focuses on gender traditions among ethnic minorities which compete with the norms of Han patriarchy The second section emphasizes the impact of radical social transformation on gender systems and practices among both Han and ethnic minorities The third section underscores socio cultural diversity and complexity in resistance to Han patriarchal norms from a broad perspective This book complements previous scholarship on Chinese women and gender by expanding our investigative lens beyond Han patriarchy and providing images of the multiethnic landscape of China By identifying the Han as an ethnically marked category and by bringing to the forefront the diverse gender systems of ethnic minorities this book encourages an increasing awareness of and sensitivity to the cross cultural diversity of gendered China both in academia and beyond

**Modern Chinese Literary Thought** Kirk A. Denton, 1996 This volume presents a broad range of writings on modern Chinese literature Of the fifty five essays included forty seven are translated here for the first time including two essays by Lu Xun In addition the editor has provided an extensive general introduction and shorter introductions to the five parts of the book historical background a synthesis of current scholarship on modern views of Chinese literature and an original thesis on the complex formation of Chinese literary

modernity The collection reflects both the mainstream Marxist interpretation of the literary values of modern China and the marginalized views proscribed at one time or another by the leftist canon It offers a full spectrum of modern Chinese perceptions of fundamental literary issues China Bibliography Harriet T. Zurndorfer,2021-12-06 This volume serves as a guide to all facets of China study from advice on choosing an appropriate literary dictionary to finding the most recent yearbooks that offer statistical data about the contemporary economy China Bibliography does not restrict itself to one particular discipline but considers the development of Chinese civilization as a whole from its imperial beginnings to the present and therefore demonstrates how one would find information about Chinese history literature religion linguistics collectanea as well as present day PRC economic and political policies Because this book also explains how bibliographical data on China has accumulated over the last 300 years including within China itself it also may help the reader understand the significance of a particular type of reference work The Reading of Russian Literature in China M. Gamsa,2010-05-24

This book traces the profound influence that Russian literature which was tied inseparably to the political victory of the Russian revolution had on China during a period that saw the collapse of imperial rule and the rise of the Communist Party

**Hakka Chinese Confront Protestant Christianity, 1850-1900** Jessie Gregory Lutz,Rolland Ray Lutz,2015-03-04 This work focuses on the 19th century mission conducted by Chinese evangelists among the Hakka an ethnic minority in south China The principal part of the text comprises the autobiographies of eight pioneer missionaries who offer insight into village life and customs of the Hakka people **Hakka Chinese Confront Protestant Christianity, 1850-1900** Jessie G. Lutz,Rolland Ray Lutz,1998-01-16 The Basil Society s China mission one of the more successful Protestant missions in the nineteenth century was distinguished by the fact that most of the initial proselytizing was conducted by Chinese converts in the interior rather than by Western missionaries in the treaty ports Thus the first viable protestant communities were not only established by Chinese evangelists they were established among an ethnic minority in south China the Hakka people The autobiographies of eight pioneer Chinese missionaries featured in this book offer an unusual opportunity to view village life and customs in Guangdong during the mid nineteenth century by providing details on Hakka death and burial rituals ancestor veneration lineages and lineage feuds geomancy the status of Hakka women widespread economic hardship and civil disorder They also illustrate the appeals of Christianity the obstacles to conversion and Chinese opposition to

Christianity and Western missionaries The authors commentary addresses the issue of conversion which was fueled by individual desire for solace and salvation the building of a support community amid social chaos and the possibility of social mobility through education Despite an expanding role by Western missionaries the Chinese origins the rural interior locale and the status of the Hakka as a disadvantaged minority contributed to successive generations of Christian families and to early progress toward an autonomous Hakka church *Third World Women's Literatures* Barbara Fister, 1995-09-14 This reference volume serves as a companion to Third World women's literatures in English and in English translation by presenting entries on works writers and themes Entries are chosen to present a balance of well known writers and emerging ones contemporary as well as historical writers and representative selections of genres literary styles and themes What plays have been written by women in the developing world What books have been written by Sri Lankan or Brazilian women Which works address themes of feminism or exile or politics in the Third World These are the types of questions that can now be answered through Fister's companion to Third World women's literatures in English and English translation Organized alphabetically this reference volume presents entries on works writers and themes Entries are chosen to present a balance of well known writers and emerging ones contemporary as well as historical writers and representative selections of genres literary styles and themes By providing information about and leads to works by and about Third World women an important and largely marginalized literature Fister has created a unique reference tool that will help teachers scholars and librarians both public and academic expand their definitions of the literary making the voices of Third World women available in the same format in which many companions to Western literature do An important book for all public and college level libraries

*Biographical Dictionary of Chinese Women: v. 2: Twentieth Century* Lily Xiao Hong Lee, 2016-07-08 The first biographical dictionary in any Western language devoted solely to Chinese women Biographical Dictionary of Chinese Women is the product of years of research translation and writing by scores of China scholars from around the world Volume II Twentieth Century includes a far greater range of women than would have been previously possible because of the enormous amount of historical material and scholarly research that has become available recently They include scientists businesswomen sportswomen military officers writers scholars revolutionary heroines politicians musicians opera stars film stars artists educators nuns and more **Handbook of Autobiography / Autofiction** Martina Wagner-Egelhaaf, 2019-01-29

Autobiographical writings have been a major cultural genre from antiquity to the present time General questions of the literary as e g the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc can be studied preeminently in the autobiographical genre Yet the tradition of life writing has in the course of literary history developed manifold types and forms Especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance By conceiving autobiography in a wide sense that includes memoirs

diaries self portraits and autofiction as well as media transformations of the genre this three volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective While autobiography is usually considered to be a European tradition special emphasis is placed on the modes of self representation in non Western cultures and on inter and transcultural perspectives of the genre The individual contributions are closely interconnected by a system of cross references The handbook addresses scholars of cultural and literary studies students as well as non academic readers

**Women Who Changed the World** Candice Goucher,2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women s lived experiences Learning how women changed the world will change the ways the world looks at the past Women Who Changed the World Their Lives Challenges and Accomplishments through History features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today s tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman s life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women

**Berkshire Dictionary of Chinese Biography Volume 4** Kerry Brown,2015-05-01 The Berkshire Dictionary of Chinese Biography 1979 2015 provides a riveting new way to understand twenty first century China and a personal look at the changes that have taken place since the Reform and Opening Up era started in 1979 One hundred key individuals from this period were selected by an international group of

experts and the stories were written by more than 70 authors in 14 countries. The authors map the paths taken by these individuals, some rocky, some meandering, some fateful, and in telling their stories give contemporary Chinese history a human face. The editors have included, with the advice of myriad experts around the world, not only the life stories of politicians and government officials who play a crucial role in the development of the country, but the stories of cultural figures including film directors, activists, writers, and entrepreneurs from the mainland, China, Hong Kong, and also from Taiwan. The Greater China that comes through in this volume has diverse ideas and identities. It is often contradictory, sometimes fractious, and always full of creative human complexity. Some of the lives rendered here are heroic. Some are tragic, and many are inspirational. Some figures come in for trenchant criticism, and others are celebrated with a sense of wonder and awe. Like previous volumes of the Berkshire Dictionary of Chinese Biography, this volume includes a range of appendices, including a pronunciation guide, a bibliography, and a timeline of key events.
