Modern Descriptive English Grammar:

A Descriptive Grammar of English Andrew Rossiter, 2020-04-24 Grammar can often be seen as a dull and complicated art with all sorts of dusty and quirky rules that are hard to understand and even harder to explain. This Descriptive Grammar of English by example shakes off the dust to present the essential principles of modern English grammar as clearly as possible, picking out the simple rules that determine the standard practices of modern English both in writing and in speech. Most native speakers generally follow the essential rules of English grammar as if by intuition; in many cases they will be quite unaware of what the rules are, even that they exist, though they may well notice when someone else says something quite ungrammatical or even worse writes something ungrammatical. But rules or principles or guidelines do exist, and without them it would be very difficult to communicate properly and coherently. Grammar is the highway code of any language and people need either to learn it or to absorb it subconsciously in order to speak or write proficiently. Children master the rudiments of grammar in their native language by hearing, remembering, repeating, and experimenting, and up to a point this is sufficient for everyday communication. However, beyond a certain level, and more importantly when learning a second or foreign language, some awareness of the rules and principles of grammar becomes useful and in many situations vital. Some understanding of grammar is indeed essential for anyone wanting to teach English, whether it be to native speakers or as a foreign language. By highlighting literally hundreds of short sentences and expressions, this Descriptive Grammar of English clearly illustrates and succinctly explains the rules that govern acceptable usage of the English language today. Where necessary, it uses colour coding to show up pertinent points and to contrast different structures or functions. This is not a grammar book for grammarians; it is a grammar book for anyone, and no prior knowledge of linguistics is required. As befits any discussion of grammar, it uses the expressions or jargon that are required to explain grammar, but also explains them by including a glossary of grammatical terms which will be of value to most readers. Originally conceived for the benefit of non-native speakers of English, particularly advanced EFL and ESL students and teachers of English as a foreign or second language, it is also very much suited for school and home use in English-speaking countries. In short, it is for anyone who is looking for clear and example-based explanations of how English works and is written and spoken. It covers all the main points of English grammar in a way that is understandable to any student. As well as explaining the essential aspects of English grammar, such as verbs and nouns and adjectives, it includes succinct and clearly illustrated sections on such important points as style, word order, and punctuation. It distinguishes where appropriate between the usages of written and spoken English and between British English and American English. All the points covered in this grammar are copiously illustrated with examples from everyday English, including memorable and familiar expressions that are hard to forget. Children are not the only ones who learn their grammar by example.

Modern Descriptive English Grammar Hulton Willis, 1972 **DESCRIPTIVE GRAMMAR OF ENGLISH** ANDREW. ROSSITER, G. J. HARRIS, JOHN. PIRILLO, NWADIKE

ELVIS. CHUKWUEBUKA,2023 **A Descriptive Grammar of English** Andrew Rossiter,2022-06-27 A Descriptive Grammar of English is a concise pedagogical reference grammar highlighting the fundamentals of contemporary English grammar clearly illustrated with unambiguous and pertinent examples of modern usage Descriptive English Grammar Homer Clyde House,Susan Emolyn Harman,1931 English Grammar Richard Hudson,2002-09-11 English Grammar helps users to understand grammatical concepts encourages the reader to practise applying newly discovered concepts to everyday texts teaches students to analyze almost every word in any English text provides teachers and students with a firm grounding in a system which they can both understand and apply The Structure of Modern English Laurel J. Brinton,2000 This text is designed for undergraduate and graduate students interested in contemporary English especially those whose primary area of interest is English as a second language Focus is placed exclusively on English data providing an empirical explication of the structure of the language **Reference Grammars and Modern Linguistic Theory** Gottfried Graustein,Gerhard Leitner,2011-11-21 Over the past few decades the book series Linguistische Arbeiten Linguistic Studies comprising over 500 volumes has made a significant contribution to the development of linguistic theory both in Germany and internationally The series will continue to deliver new impulses for research and maintain the central insight of linguistics that progress can only be made in acquiring new knowledge about human languages both synchronically and diachronically by closely combining empirical and theoretical analyses To this end we invite submission of high quality linguistic studies from all the central areas of general linguistics and the linguistics of individual languages which address topical questions discuss new data and advance the development of linguistic theory *Modern English Structures - Second Edition* Bernard O'Dwyer,2006-06-14 Modern English Structures is a clear and accessible text that follows a structural approach to teaching basic English grammar The book is divided into three parts what a sentence constituent is what a sentence constituent does and where a sentence constituent goes Form Function and Position The objective of the book is to bring students to a better understanding of sentence constituents and sentence structures providing them with appropriate terminology to discuss these forms and relationships This second edition has been revised and updated throughout The accompanying Modern English Structures Workbook parallels the text and provides useful training both in memorization and in higher order thinking skills *The Linguistic Structure of Modern English* Laurel J. Brinton,Donna Brinton,2010 This text is for advanced undergraduate and graduate students interested in contemporary English especially those whose primary area of interest is English as a second language primary or secondary school education English stylistics theoretical and applied linguistics or speech pathology The emphasis is on empirical facts of English rather than any particular theory of linguistics the text does not assume any background in language or linguistics In this newly revised edition numerous example sentences are taken from the Corpus of Contemporary American English A full glossary of key terms an additional chapter on pedagogy and new sections on cognitive semantics and politeness have been added Other changes include

completely updated print references web links to sites of special interest and relevance and a revised reader friendly layout A companion website that includes a complete workbook with self testing exercises and a comprehensive list of web links accompanies the book The website can be found at the following address <http://dx.doi.org/10.1075/z.156.workbook> Students completing the text and workbook will acquire a knowledge of the sound system of contemporary English an understanding of the formation of English words a comprehension of the structure of both simple and complex sentence in English a recognition of complexities in the expression of meaning an understanding of the context and function of use upon the structure of the language and an appreciation of the importance of linguistic knowledge to the teaching of English to first and second language learners Laurel J Brinton is Professor of English Language at the University of British Columbia Donna M Brinton is Senior Lecturer in TESOL at the University of Southern California s Rossier School of Education The Linguistic Structure of Modern English is a revised edition of The Structure of Modern English by Laurel J Brinton 2000

Multi-word Verbs in Early Modern English Claudia Claridge, 2016-10-11 The topic of this book fits in with the recently growing interest in phraseology and fixedness in English It offers a description of multi word verbs in the language of the 17th and 18th centuries an important formative period for Modern English For the first time multi word verbs are treated together as a group as it is argued that phrasal verbs prepositional verbs phrasal prepositional verbs verb adjective combinations and verbo nominal combinations share defining characteristics These characteristics are also reflected in similar possibilities of usage in particular the subtle modification of verbal meaning and these verbs potential for topicalization structures both leading to a greater expressiveness Using a new text collection the Lampeter Corpus of Early Modern English Tracts 1640 1740 the study provides a description of the multi word verb types found their syntactic behaviour and their semantic structure The composition of the corpus also allowed the examination of the development of these verbs over time and in different registers The corpus study is supplemented by an investigation of attitudes towards multi word verbs with the help of contemporary works on language leading to a more speculative discussion of the factors influencing the choice between multi word and simplex verbs **Garner's Modern English Usage** Bryan

Garner, 2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner s Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever

available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you are sure to learn from every single page of this book Historical Sociolinguistics Terttu

Nevalainen, Helena Raumolin-Brunberg, 2014-10-13 This volume presents a sociolinguistic perspective on the history of the English language Based on original empirical research it discusses the social factors that promoted linguistic changes in earlier English and the people who were the leading force behind them The authors focus on the major grammatical developments that shaped the language in Tudor and Stuart times the period that laid the foundations for modern Standard English Nevalainen and Raumolin Brunberg adopt an interdisciplinary approach exploring the extent to which sociolinguistic models and methods can be applied to the history of English *Modern Tagalog* Teodoro A. Llamzon, 2017-12-04 No

detailed description available for Modern Tagalog **On the move** Inge de Mönink, 2016-08-22 This book should be seen mainly as a contribution to the long standing tradition of English descriptive linguistics It gives a complete account of the nature and frequency of possible noun phrase NP structures in contemporary British English including the ones that deviate from the prototypical description we find in handbooks of English The book focuses on those NPs which are characterized by the fact that one or more of the constituents is not in its prototypical position but has moved The detailed description of variant NPs is obtained through the careful combination of corpus data and experimental data The book addresses the question how corpus data can be combined with intuitive data and offers a practical approach to the task the multi method approach In this approach corpus data are combined with intuitive data obtained from native speakers in an elicitation experiment *English Grammar Descriptive and Historical* , **English in Modern Times** Joan C Beal, 2014-02-24 English

in Modern Times describes the development of the English language from 1700 until 1945 and argues that it is in the course of this later modern English period that the characteristics of modern English evolved This is the first undergraduate text to cover the whole of this important period which has been called the Cinderella of English historical linguistics because of its lack of representation in scholarly literature This book is sociohistorical in orientation arguing that social changes in the Anglophone world need to be taken into account if we are to understand the linguistic changes that occurred during this period Further chapters deal with changes in vocabulary syntax and morphology and phonology and with the attempts of lexicographers grammarians and elocutionists to arrest and control these changes by codifying the language Unlike many earlier histories of English English in Modern Times does not define English as confined to Standard English but also considers the development of extraterritorial Englishes and non standard varieties of British English in the Later Modern

period *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1974 *Corpus Based Studies in English* Magnus Ljung, 2023-11-27

Corpus based Studies in English contains selected papers from the seventeenth International Conference on English Language Research on Computerized Corpora ICAME 17 The topics include parsing and annotation of corpora discourse studies lexicography translation studies parallel corpora language variation and change national varieties methodology and English language teaching The papers on parsing and annotation include discussions of the treatment of irregular forms semantic pragmatic labels in air traffic control a comparison of tagging systems and a presentation of T tag lexicon construction The papers on discourse and lexicography include a study of like as a discourse marker thesaural relations and the lexicalisation of NPs In translation studies one paper discusses explicitness as a universal feature of translation and the paper on parallel corpora contrasts English and Norwegian Many papers deal with variation and change here we find a discussions of dialogue vs non dialogue in modern English fiction and an account of verbal disputes in adolescent English the historical studies deal with e g text type evolution multi verb words normalization in Middle English prose and modalities in Early Modern English The methodology papers discuss the use in corpus analysis of inferential statistics probabilistic approaches to anaphora resolution and multi method approaches to data The ELT paper compares the use of the progressive in native and non native compositions **English Traditional Grammars** Gerhard Leitner, 1991-11-15

Until recently grammars of English have received surprisingly little scholarly attention while a lot of research is done on dictionaries It appears however that learners of English shy away from modern grammars and prefer to consult dictionaries or traditional reference grammars instead This raises questions as to the relationship between theoretical linguistics and grammar writing and calls for more research into this area especially for the period from 1800 onwards which was crucial for the development of grammatical thinking and its acceptance or rejection at all educational levels today This volume brings together work from international experts on the historiography of English grammar writing who deal with a variety of topics grouped into three overlapping sections I Native Grammars of English II Non native Grammars of English and III Grammatical Analyses The volume includes summaries of the articles and a name index

The Top Books of the Year Modern Descriptive English Grammar The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Modern Descriptive English Grammar : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Modern Descriptive English Grammar : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Popen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Modern Descriptive English Grammar Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern Descriptive English Grammar PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern Descriptive English Grammar PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern Descriptive English Grammar free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Modern Descriptive English Grammar Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modern Descriptive English Grammar is one of the best book in our library for free trial. We provide copy of Modern Descriptive English Grammar in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Modern Descriptive English Grammar. Where to download Modern Descriptive English Grammar online for free? Are you looking for Modern Descriptive English Grammar PDF? This is definitely going to save you time and cash in something you should think about.
