Encyclopedia of World Sport David Levinson,Karen Christensen,1999 Spanning the wide world of sports this volume is packed with every conceivable fact that anyone would possibly want to know about nearly 300 sports including history and practice worldwide Games People Played Wray Vamplew,2021-09-14 Now in paperback this first global history of sports offers all spectators and participants a reason to cheer and to think *Games People Played* is surprisingly the first global history of sports The book shows how sports have been practiced experienced and made meaningful by players and fans

throughout history It assesses how sports developed and diffused across the globe as well as many other aspects from emotion discrimination and conviviality to politics nationalism and protest and how economics has turned sports into a huge consumer industry It shows how sports are sociable and health giving and also contribute to charity However it also examines their dark side sports impact on the environment the use of performance enhancing drugs and match fixing Covering everything from curling to baseball boxing to motor racing this book will appeal to anyone who plays watches and enjoys sports and wants to know more about their history and global impact More than Cricket and Football Joel Nathan Rosen, Maureen M. Smith, 2016-12-02 Contributions by Lisa Doris Alexander Sean Bell Benn L Bongang Joel S Franks Silvana Vilodre Goellner Annette R Hofmann Dong Jinxia Cl udia Samuel Kessler Jack Lule Li Luyang Mark Panek Roberta J Park Gamage Harsha Perera Joel Nathan Rosen Viral Shah Maureen M Smith Nancy E Spencer Dominic Standish Tim B Swartz Dan Travis Theresa Walton Fisette and Zhong Yijing Given the presumed dominance of American sport many fans throughout the hemisphere find it difficult to envision the role of sport beyond the confines of their own continent And yet world sport consists of so much more than the games Americans play and so much more than the stereotype of cricket for the elite and football for the working class As worldwide sport continues to gain in popularity we also see parallels to many aspects visible in North American sport particularly celebrity and all its trappings and pitfalls The success of athletes from other countries in basketball and ice hockey and the proliferation of stars imported and now exported to and from North America provides some better examples of sport s international power It also creates a very new kind of sport celebrity albeit one that often shows a rather limited reach beyond that star s own country or continent Thus rather than focusing on the Western Hemisphere this collection of some of world sport s most heralded celebrities including stars of Motocross surfing distance running and more serves as a sort of passport to many places that make up our global sporting environment
