## **Modern Jewish Morality A Bibliographical Survey:**

**Modern Jewish Morality** G. E. Gorman, 1986-08-18 Product information not available      **Judaism and Human Rights in Contemporary Thought** S. Daniel Breslauer, 1993-06-21 This reference provides a comprehensive survey of human rights in Judaism It includes both theoretical discussions of the nature and substance of human rights and practical applications of that theory either by Jews or to Jews While numerous dissertations and audio visual materials focus on human rights and Judaism the bibliography is limited to books and articles The majority of the works have been written in English or Hebrew but significant studies in other languages chiefly French and German have also been included The volume contains more than 700 citations each accompanied by a descriptive annotation The book begins with an introductory essay that examines the basic concerns of the works that follow The annotated entries are then presented in five chapters The first chapter includes anthologies references and periodicals The second chapter includes studies of human rights in the Bible and Talmud The third chapter includes works on Jewish theories of human rights The fourth chapter broken down into smaller sections includes works on Judaism and particular human rights The fifth chapter contains entries for works on contemporary Judaism and human rights The volume concludes with author title and subject indexes      **An Introduction to Jewish Ethics** Louis Newman, 2019-10-16 For courses in Religion Judaism and Ethics This text offers an overview of the Jewish ethical tradition as it has evolved from biblical times to the present Provides an overview of the central beliefs of classical Judaism and the ways in which these frame traditional Jewish approaches to issues in ethics both theoretical and practical      Past Imperatives Louis E. Newman, 2012-02-01 Past Imperatives explores the nature and development of Jewish ethics by analyzing three important sets of issues the relationship between Jewish law and ethics the relationship between Jewish ethics and theology and the problems and prospects for constructing a contemporary Jewish ethic The penetrating and provocative essays are drawn from a number of fields including legal theory literary theory and theory of religion These studies illuminate many previously uninvestigated aspects of Jewish biomedical ethics covenant theology and textual interpretation in Judaism By exploring these issues within the larger context of historical and theoretical work in religious studies Past Imperatives moves beyond previous work in Jewish ethics which has largely sought to offer moral guidance from a Jewish perspective This volume boldly confronts the fact that Judaism encompasses many sometimes contradictory ethical perspectives and investigates their theological underpinnings how they have developed and how they differ from other moral and or religious perspectives      Judaica Reference Sources Charles Cutter, 2004-02-28 A recipient of the Outstanding Reference Award from the Association of Jewish Librarians in its earlier edition this updated edition of Judaica Reference Sources maintains its editorial excellence while revising and expanding coverage for the new century Virtually every aspect of Jewish life knowledge history culture religion and contemporary issues is covered in this annotated bibliographic guide A critical collection development tool for college university public school and synagogue libraries Judaica Reference Sources provides

entries for over 1 000 reference works as well as a selective list of related Web sites in English French German Yiddish and Hebrew Works published since 1970 are emphasized Unique in providing expert guidance to Judaica material for the librarian the layperson the student and the researcher this reference guide is a versatile tool that will fulfill your every need for Judaica material
