**Postcolonial Nations, Islands, and Tourism** Helen Kapstein, 2017-07-11 Postcolonial Nations Islands and Tourism examines how real and literary islands have helped to shape the idea of the nation in a postcolonial world Through an analysis of a variety of texts ranging from literature to prison correspondence to tourist questionnaires it exposes the ways in which nationalism relies on fictions of insularity and intactness which the island and island tourism appear to provide The island space seems to offer the ideal replica of the nation and tourist practices promise the liberation of leisure the gaze and mobility However the very reliance on the constantly shifting and eroding island form exposes an anxiety about boundaries and limits on the part of the postcolonial nation In appropriating island tourism the new nation tends to recapitulate the failures and crises of the colonial nation before it Starting with the first literary tourist Robinson Crusoe Postcolonial Nations Islands and Tourism goes on to show how authors such as JM Coetzee Romesh Guneseckera and Julian Barnes have explored the outlines and implications of islandness It argues that each text expresses a profound discomfort with national form by undoing the form of the island through a variety of narrative strategies and rhetorical manoeuvres By throwing the category of the island into crisis these texts let uncertainties about the postcolonial nation and its violent practices emerge as doubt in the narratives themselves Finally in its selection of texts that shuttle between South Africa Great Britain and Sri Lanka equalizing the former colonial metropole and its outposts it offers an alternative disciplinary mapping of current postcolonial writing *Racine's Tragedies of Tyranny*, 2024-04-22 In Bajazet and Mithridate Racine depicts the tragedies of characters who either wield tyrannic power or are subjected to tyranny This international collection of essays deploys cutting edge

research to illuminate the plays and their contexts The contributors to this volume examine Racine's stagecraft his exploration of space sound and silence his language and the psychology of those who exercise power or who attempt to maintain their freedom in the face of oppression The reception and reworking of his plays by contemporaries and subsequent generations round off this wide ranging study *Sex, Time and Place* Simon Avery, Katherine M. Graham, 2016-10-06 *Sex Time and Place* extensively widens the scope of what we might mean by queer London studies Incorporating multidisciplinary perspectives including social history cultural geography visual culture literary representation ethnography and social studies this collection asks new questions widens debates and opens new subject terrain Featuring essays from an international range of established scholars and emergent voices the collection is a timely contribution to this growing field Its essays cover topics such as activist and radical communities and groups AIDS and the city art and literature digital archives and technology drag and performativity lesbian Londons notions of bohemianism and deviancy sex reform and research and queer Black history Going further than the existing literature on Queer London which focuses principally on the experiences of white gay men in a limited time frame *Sex Time and Place* reflects the current state of this growing and important field of study It will be of great value to scholars students and general readers who have an interest in queer history London studies cultural geography visual cultures and literary criticism **Georgic Literature and the Environment** Sue Edney, Tess Somervell, 2022-11-18 This expansive edited collection explores in depth the georgic genre and its connections to the natural world Together its chapters demonstrate that georgic a genre based primarily on two classical poems about farming Virgil's *Georgics* and Hesiod's *Works and Days* has been reworked by writers throughout modern and early modern English language literary history as a way of thinking about humans relationships with the environment The book is divided into three sections Defining Georgic Managing Nature and Eco Georgic for the Anthropocene It centres the georgic genre in the ecocritical conversation giving it equal prominence with pastoral elegy and lyric as an example of nature writing that can speak to urgent environmental questions throughout literary history and up to the present day It provides an overview of the myriad ways georgic has been reworked in order to address human relationships with the environment through focused case studies on individual texts and authors including James Grainger William Wordsworth Henry David Thoreau George Eliot Thomas Hardy Seamus Heaney Judith Wright and Rachel Blau DuPlessis This is a much needed volume for literary critics academics and students engaged in ecocritical studies environmental humanities and literature addressing a significantly overlooked environmental literary genre *All the Living and the Dead* Hayley Campbell, 2022-08-16 A deeply compelling exploration of the death industry and the people morticians detectives crime scene cleaners embalmers executioners who work in it and what led them there We are surrounded by death It is in our news our nursery rhymes our true crime podcasts Yet from a young age we are told that death is something to be feared How are we supposed to know what we're so afraid of when we are never given the chance to look Fueled by a childhood fascination with death journalist Hayley Campbell searches for

answers in the people who make a living by working with the dead Along the way she encounters mass fatality investigators embalmers and a former executioner who is responsible for ending sixty two lives She meets gravediggers who have already dug their own graves visits a cryonics facility in Michigan goes for late night Chinese with a homicide detective and questions a man whose job it is to make crime scenes disappear Through Campbell s incisive and candid interviews with these people who see death every day she asks Why would someone choose this kind of life Does it change you as a person And are we missing something vital by letting death remain hidden A dazzling work of cultural criticism All the Living and the Dead weaves together reportage with memoir history and philosophy to offer readers a fascinating look into the psychology of Western death
