## **Modern Nigeria:**

**Understanding Modern Nigeria** Toyin Falola, 2021-06-24 Since its independence from Britain in 1960 Nigeria has emerged as Africa's second largest economy and one of the biggest producers of oil in the world. Despite its economic success, however, there are deep divisions among its two hundred and fifty ethnic groups. Centered around three of the dominant themes of Nigeria's post-colonial narrative: ethnicity, democracy, and governance, this is an accessible and comprehensive introduction to the history and events that have shaped these three areas. World-renowned expert in Nigerian history, Toyin Falola shows us how the British laid the foundations of modern Nigeria with colonialism breeding competition for resources and power, and the widening cleavages between the Hausa, Fulani, Yoruba, and Igbo ethnic groups that had been forced together under British rule. The choice of federalism as a political system and the religious and political pluralism that have shaped its institutions and practices. Using an examination of the outcomes of this history manifested in hunger, violence, poverty, human rights violations, threats of secession, and corruption, where power and resources are used to reproduce underdevelopment. Falola offers insights and recommendations for the future of policy and the potential for intervention in the country.

**Modern Nigeria** Alex Egodotaye Asakitikpi, Aretha Oluwakemi Asakitikpi, 2024-01-25 Discover Nigeria, Africa's most populous country, in this thematic encyclopedia that covers everything from geography and economics to etiquette and pop culture. Part of Bloomsbury's Understanding Modern Nations series, this volume takes readers on a tour of contemporary Nigeria, helping them better understand the country and the many cultures, religions, and ethnicities that call it home. Chapters are organized thematically, examining a variety of topics including geography, history, government, economics, religion, ethnic and social groups, gender, education, language, etiquette, food, literature, and the arts and pop culture. Each chapter begins with an overview essay followed by a selection of encyclopedic entries that provide a more nuanced look at that facet of modern Nigeria. The main text is supplemented with sidebars that highlight additional high-interest topics. A collection of appendices rounds out the volume, offering short vignettes of daily life in the country, a glossary of key terms, statistical data, and a list of state holidays. Once a pawn of British colonialism, today Nigeria is a sovereign nation and a key player on the world stage. Its vast oil resources have made it an international powerhouse and the wealthiest country on the African continent, yet political unrest and corruption, and ethnic and religious violence, continue to threaten this prosperity. Nigeria is equally rich culturally, a nation where time-honored traditions mix with contemporary influences. Explore the diversity of modern Nigeria in this concise and accessible volume.

**Security Challenges and Management in Modern Nigeria** Abimbola Adesoji, Ayodeji Olukoju, Oluyato Adesina, 2019-01-15 This collection of essays explores the critical and fluid nature of security challenges that have plagued Nigeria since colonial times. Insecurity in diverse forms remains the bane of growth and progressive development in the country and has the capability to derail a society, no matter how sophisticated. What has generated insecurity at the macro and micro levels? How has insecurity been tackled? Why have security challenges

escalated particularly in the post independence period What lessons could be learnt from the way security matters have been mis handled in the past This volume presents chapters on the historical roots and antecedents of security challenges and considers the nexus between the economy political leadership and development and its impacts on security in modern Nigeria It also explores the effectiveness of the strategies employed to address security challenges and discusses why some security challenges have lingered

Religion in Contemporary Nigeria Y.A. Quadri, 2016-04-30 The dynamism of religion all over the world presupposes that discourse on it generally is a continuous exercise As religion influences the environment of its operation so also is the influence of the environment on the practice of religion Nigeria a multi religious nation has experienced and is still experiencing the positive as well the negative aspects of religious practices in her socio political economic and cultural spheres There is no doubt that religion is manipulated by some people which portray it in bad light and makes it vulnerable to criticisms despite the unanimity about its potential to be a force for good in the society Recent developments in Nigeria indicate that religion has a role in the survival or otherwise of the country Such include the re introduction of Sharicah penal code in some states in the northern part of the country the emergence of Islamic banks proliferation of private faith based tertiary institutions emergence of different factions and sects in religions and the challenge of insurgency using religion as camouflage in the name of the Boko Haram This book addresses contemporary issues in the use of religion in Nigeria Its uniqueness lies in the calibre of notable scholars who contributed to it from various ethno religious and geographical backgrounds It contains the views of eminent scholars from Islam and Christianity and is jointly edited by experienced professors in the two faiths The overall aim is to enhance better understanding of religion and to promote peaceful co existence between and among adherents of the two religions

**A History of Nigeria** Toyin Falola, Matthew M. Heaton, 2008-04-24 Nigeria is Africa s most populous country and the world s eighth largest oil producer but its success has been undermined in recent decades by ethnic and religious conflict political instability rampant official corruption and an ailing economy Toyin Falola a leading historian intimately acquainted with the region and Matthew Heaton who has worked extensively on African science and culture combine their expertise to explain the context to Nigeria s recent troubles through an exploration of its pre colonial and colonial past and its journey from independence to statehood By examining key themes such as colonialism religion slavery nationalism and the economy the authors show how Nigeria s history has been swayed by the vicissitudes of the world around it and how Nigerians have adapted to meet these challenges This book offers a unique portrayal of a resilient people living in a country with immense but unrealized potential

*Traditional Authority and Security in Contemporary Nigeria* David Ehrhardt, David Oladimeji Alao, M. Sani Umar, 2023-11-16 Exploring the contentious landscape of Nigeria s escalating violence this book describes the changing roles of traditional authorities in combatting contemporary security challenges Set against a backdrop of widespread security threats including insurgency land disputes communal violence regional independence movements and widespread criminal

activities perhaps more than ever before Nigeria's conventional security infrastructure seems ill equipped for the job This book offers a fresh empirical analysis of the roles of traditional authorities including kings Ezes Obas and Emirs who are often hailed as potent alternatives to the state in security governance It complicates the assumption that these traditional leaders by virtue of their customary legitimacy and popular roots are singularly effective in preventing and managing violence Instead in exploring their creative adaptation to governance roles after a dramatic postcolonial downturn this book argues that traditional leaders can augment but not substitute the state in addressing insecurity This book's in depth analysis will be of interest to researchers and policy makers across African and security studies political science anthropology and development The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Writing Contemporary Nigeria: How Sefi Atta Illuminates African Culture and Tradition Walter Collins, 2015-09-18 Sefi Atta is one of the latest in a great line of female Nigerian writers her works have garnered several literary awards these include the Red Hen Press Short Story Award the PEN International David TK Wong Prize the Wole Soyinka Prize for Literature in Africa and the Noma Award for Publishing in Africa Atta's oeuvre has received the praise and respect of several noted African writers such as Buchi Emecheta Chimamanda Ngozi Adichie and Helon Habila Atta's insights into the roles and treatment of women neocolonial government structures patriarchy 21st century phenomena such as Nigerian e mail phishing and the role of geography and place in characters lives make her works some of the most indelible offerings across contemporary African fiction Nevertheless there exists a relative dearth of critical analyses of her works That Atta writes across the genres perhaps explains some of the lack of literary criticism of her works This study will facilitate continued examination of Atta's writings and further dissemination of critique In this premiere edited volume on the works of Sefi Atta Collins has assembled contributors from around the globe who offer critical analysis on each of Atta's published novels and several of her short stories The volume is divided into four sections with chapters grouped by thematic connections Sisterhood Womanhood and Rites of Passage The City Dark Aspects of Atta's Works and Atta's Literature in Application The book examines Atta's treatment of these themes while referencing the proficiency of her writing and style The collection includes an interview with Atta where she offers an insightful and progressive perspective on current language use by Africans This book is the first aggregate of literary critique on selected works of Sefi Atta This book is an important volume of literary criticism for all literature world literature and African literature collections It is part of the Cambria African Studies Series headed by Toyin Falola University of Texas at Austin with Moses Ochonu Vanderbilt University

Healing Insanity: a Study of Igbo Medicine in Contemporary Nigeria Patrick E. Iroegbu, 2010-06-08 Healing Insanity A Study of Igbo Medicine in Contemporary Nigeria is an original and in depth study on endogenous medical system in an African society It is craftily written and provides solid insight through case studies and theory into how insanity affects patients and the society Particularly it explores various collective representations and strategies regarding insanity and healing as it examines the healing institutions healers and ritual cults The central question is given the patterns of healing how do the Igbo shape the incidence and symptoms of insanity define its aetiology and provide healers with culture specific resources and skills to address this illness The focus

became increasingly centred on bodily semantics and endogenous knowledge systems and practices Dr Patrick Iroegbus work is a very valuable and rare study and has appeared at a desirable time It is for an African society a comprehensive study of the many ways Igbo people in their practical routinized attitudes and body centred experiences as well as in their more reflective aetiologic knowledge and healing institutions relate to the phenomenon of insanity or *ara* in the cultural parlance As the first of its kind reminiscent of and assured by the various remarks of Igbo scholars and leaders at various meetings and discourses the task this work has set out to accomplish is a very brave one The authors account of his fieldwork experiences and adopted techniques illustrates his initiation revealing him as a genuine ethnographer who is a friend of people and at ease with his field With both the far seeing and inspiring analysis of Igbo medicine life and culture accounted for in the work the book stands out for ethnographers teachers students leaders policymakers and the general public This is a book that deserves to be read as it shapes the critical path toward understanding ways of healing insanity in a culture specific context crosscutting perspectives for a relationship between indigenous healing and the biomedical sphere Prof Ren Devisch Africa Research Centre University of Leuven This book is written with a clear purpose for everyone to read to understand and heal insanity and indeed provides a thick piece of cultural philosophy and vernacular of Igbo medicine in hopes of putting cultural wisdom in pursuit of integral health care development Prof Pantaleon Iroegbu Professor of Philosophy Major Seminary Ekpoma January 2006 To read this book as I did is to get the benefit of Dr Patrick Iroegbus ethnographic insight for an archetypical African healing system in Igboland It offers a fascinating theory of symbolic release that speaks of African symbolic action and knowledge system Dr Paul Komba Esq University of Cambridge

**Religion and the Making of Nigeria** Olufemi Vaughan, 2016-12-09 In Religion and the Making of Nigeria Olufemi Vaughan examines how Christian Muslim and indigenous religious structures along with the legacies of British colonial rule have provided the essential social and ideological frameworks for the construction of contemporary Nigeria *Islam in Modern Nigeria* Peter Bernard Clarke, Ian Linden, 1984

Life in Nigeria Amelia Khatri, AI, 2025-01-08 Life in Nigeria presents a comprehensive exploration of Africa's most populous nation examining how over 250 ethnic groups coexist and adapt in a rapidly changing society The book masterfully weaves together three fundamental aspects of Nigerian life the intricate relationships between diverse ethnic communities the country's transformation from an agricultural society to an oil based economy and the profound impact of urbanization on traditional social structures Through a blend of field research demographic data and historical records the book illuminates fascinating aspects of Nigerian society such as how the major ethnic groups Hausa Yoruba and Igbo maintain their distinct cultural identities while participating in a shared national narrative The work particularly excels in demonstrating how Nigeria's economic evolution from farming to oil production has reshaped both urban landscapes and traditional community structures with special attention given to environmental and social implications in regions like the Niger Delta The book's multidisciplinary approach combines anthropological insights with economic

analysis making complex societal transformations accessible to readers interested in African studies development economics and cultural anthropology By examining the interplay between traditional customs and modern realities from family structures to governance systems the work provides valuable frameworks for understanding how developing nations navigate the delicate balance between preserving cultural heritage and embracing change **Nigeria** Toyin Falola, Bukola A. Oyeniyi, 2015-02-24 Written by leading experts in African studies this broad introduction to Nigeria follows the history of the republic from the early period to the present day As Africa's most populated country and major world exporter of oil Nigeria is a nation with considerable international importance a role that is hampered by its economic underdevelopment and political instability This book examines all major aspects of Nigeria's geography politics and culture addressing the area's current attempts at building a strong nation developing a robust economy and stabilizing its domestic affairs Perfect for students of African history geography anthropology and political science this guidebook provides an overview and history of Nigeria from the early period to contemporary times Chapters focus on each region in the country the government economy and culture of Nigeria the challenges and problems Nigerians face since the country's independence and topics affecting everyday life including music food etiquette gender roles and marriage *Mass Media, People, and Politics in Nigeria* Luke Uka Uche, 1989 This Study Brings To The Fore The Precarious Predicament Of The Mass Media Of A Country Whose Political Culture Is Characterised By Divergent And Powerful Interest Groups With Insatiable Political And Economic Demands On The Larger Political Entity It Demonstrates How Nigeria's Development As A Nation State Has Similarly Influenced The Way And Manner Of The Organisation Administration And Contents Of Her Mass Media Systems *Quranic Schools in Northern Nigeria* Hannah Hoechner, 2018-03-15 In a global context of widespread fears over Islamic radicalisation and militancy poor Muslim youth especially those socialised in religious seminaries have attracted overwhelmingly negative attention In northern Nigeria male Qur'anic students have garnered a reputation of resorting to violence in order to claim their share of highly unequally distributed resources Drawing on material from long term ethnographic and participatory fieldwork among Qur'anic students and their communities this book offers an alternative perspective on youth faith and poverty Mobilising insights from scholarship on education poverty research and childhood and youth studies Hannah Hoechner describes how religious discourses can moderate feelings of inadequacy triggered by experiences of exclusion and how Qur'anic school enrolment offers a way forward in constrained circumstances even though it likely reproduces poverty in the long run A pioneering study of religious school students conducted through participatory methods this book presents vital insights into the concerns of this much vilified group [The Impact of Ethnic, Political, and Religious Violence on Northern Nigeria, and a Theological Reflection on Its Healing](#) Sunday Bobai Agang, 2011-09-07 This publication seeks to challenge established thinking about the causes of violence in Northern Nigeria It explores immediate and long term effects of that violence through reflection study and survey of previous research The fundamental argument within is that ethnic political and

religious violence has affected Christian perspectives and core values and thus has hampered efforts towards just peacemaking
