*Globalization and Agriculture* Miguel Rocha de Sousa,Zander Navarro,Antônio Márcio Buainain,2017-11-08 Globalization and Agriculture Redefining Unequal Development focuses on the development of national agriculture of nine countries in Latin America Africa and Asia from two different and complementary angles One angle is the opportunities created by globalization for agricultural production and how the countries have dealt with the expansion of the world as a consequence of the world market The other angle is the social and economic consequences of globalization for agricultural and rural development The case studies included in this book prove that the contradictory meanings referred above are indeed representative of different facets and features of globalization

**Farm Management In Peasant Agriculture** Michael Collinson,2019-03-04 First published in 1972 Farm Management in Peasant Agriculture remains the only detailed discussion of on site research techniques for economists working on the development of small holder agriculture in Africa Part 1 describes the conditions of the agricultural sector within which the African peasant farmer must operate and then outlines an

approach to farm management tailored to those conditions Part 2 sets out the research planning and investigation tasks implied by the approach Survey techniques as well as the value of a pre survey for understanding general attributes of a farm system are reviewed and alternative data collection methods are elaborated Part 3 shows how research data can be used in planning content for extension programs Dr Collinson concludes with the details of a planning method that interpolates changes in farm practice into a model of the existing farm system and that projects a sequence of changes representing a sequence of extension content on the basis of farmer acceptability
