General History of Drugs Volume 3 Part 2 Antonio Escobedo, 2023-07-27 Drugs History Nineteenth Century Twentieth Century morphine opium cocaine ether cannabis De Quincey Gautier Malraux *Social and Political Thought of Mahatma Gandhi* Bidyut Chakrabarty, 2006 This book examines the Gandhian precepts of satyagraha or non violent protest and non violence and the evolution of these precepts in the context of anti imperial movements organized by Gandhi **The Blue Frontier** Ronald C. Po, 2018-08-23 Argues that Qing China was not just a continental empire but a maritime power protecting its interests at sea **Form Follows Fever** Christopher Cowell , 2024-03-14 Form Follows Fever is the first in depth account of the turbulent early years of settlement and growth of colonial Hong Kong across the 1840s During this period the island gained a terrible reputation as a diseased and deadly location Malaria then perceived as a mysterious vapour or miasma intermittently carried off settlers by the hundreds Various attempts to arrest its effects acted as a catalyst reconfiguring both the city's physical and political landscape though not necessarily for the better Caught in a frenzy to rebuild the city in the devastating aftermath this book charts the complex interplay between a cast of figures from military surveyors naval doctors Indian sepoys and corrupt and paranoid officials to opium traders arsonists Chinese contractors and sojourner architects and artists However Hong Kong's construction was not just physical but also imagined Architecture cartography epidemiology and urban infrastructure offer a critical forensic lens through which to examine the shifting ideologies of public health and space race and place making and commerce and politics all set against the radical alteration of the settlement from shore hugging to climbing city in response to miasma theory a pre bacteriological belief in gaseous emanations from a sickly environment This kaleidoscopic study draws upon many unpublished textual sources including medical reports personal diaries and letters government records journal accounts newspaper articles and advertisements As this history is set a decade before the introduction of photography to the colony the book relies upon a variety of alternate visual evidence from previously lost watercolour illustrations of the city to maps plans and drawings that individually and in combination provide trace material enabling the reconstruction of this strange and rapidly evolving society Form Follows Fever sheds new light on a period often considered the colonial Dark Ages in the territory's history Christopher Cowell's account of British Hong Kong offers the most detailed account yet of the crucial first decade of the colony's existence His engagement with the medley of actors from across the globe that contributed to the colony's ultimate success is both intriguing and revealing It is a brilliant miniature of colonial urban development in action Alex Bremner Edinburgh School of Architecture and Landscape Architecture University of Edinburgh This is a beautifully written book Cowell offers fresh perspectives on how malaria played a decisive role in shaping the forms of the colonial built environment and the future course of the city It is a must read for anyone interested in Hong Kong history and urbanism Cecilia L Chu School of Architecture The Chinese University of Hong Kong A wonderfully rich and detailed architectural history of Hong Kong's first

decade as a British colony that sheds new light on the consequential effects of disease and climate on what was built by whom and why Cole Roskam Department of Architecture The University of Hong Kong *Form Follows Fever* shows how Hong Kong's path from a so called barren island to a thriving port city was often a perilous one It is a wonderfully original and insightful study that weaves together an unlikely melange of urban history military engineering and medical history John M Carroll Department of History The University of Hong Kong *A General History Of The Chinese In Singapore* Chong Guan Kwa, Bak Lim Kua, 2019-06-21 *A General History of the Chinese in Singapore* documents over 700 years of Chinese history in Singapore from Chinese presence in the region through the millennium old Hokkien trading world to the waves of mass migration that came after the establishment of a British settlement and through to the development and birth of the nation Across 38 chapters and parts readers are taken through the complex historical mosaic of Overseas Chinese social economic and political activity in Singapore and the region such as the development of maritime junk trade plantation industries and coolie labour the role of different bangs clan associations and secret societies as well as Chinese leaders the diverging political allegiances including Sun Yat sen's revolutionary activities and the National Salvation Movement leading up to the Second World War the transplanting of traditional Chinese religions the changing identity of the Overseas Chinese and the developments in language and education policies publishing arts and more With *Pride in our Past Legacy for our Future* as its key objective this volume aims to preserve the Singapore Chinese story history and heritage for future generations as well as keep our cultures and traditions alive Therefore the book aims to serve as a comprehensive guide for Singaporeans new immigrants and foreigners to have an epitome of the Singapore society This publication is supported by the National Heritage Board's Heritage Project Grant Related Link s **Geographers** T. W. Freeman, Marguerita Oughton, Philippe Pinchemel, 2016-01-28 An annual collection of studies of individuals who have made major contributions to the development of geography and geographical thought Subjects are drawn from all periods and from all parts of the world and include famous names as well as those less well known explorers independent thinkers and scholars Each paper describes the geographer's education life and work and discusses their influence and spread of academic ideas Each study includes a select bibliography and brief chronology The work includes a general index and a cumulative index of geographers listed in volumes published to date *Religion, Caste, and Politics in India* Christophe Jaffrelot, 2010 Following independence the Nehruvian approach to socialism in India rested on three pillars secularism and democracy in the political domain state intervention in the economy and diplomatic non alignment mitigated by pro Soviet leanings after the 1960s These features defined a distinct Indian model if not the country's political identity From this starting point Christophe Jaffrelot traces the transformation of India throughout the latter half of the twentieth century particularly the 1980s and 90s The world's largest democracy has sustained itself by embracing not only the vernacular politicians of linguistic states but also Dalits and Other Backward Classes or OBCs The simultaneous and related rise of Hindu nationalism has put minorities and secularism on the

defensive In many ways the rule of law has been placed on trial as well The liberalization of the economy has resulted in growth yet not necessarily development and India has acquired a new global status becoming an emerging power intent on political and economic partnerships with Asia and the West The traditional Nehruvian system is giving way to a less cohesive though more active India a country that has become what it is against all odds Jaffrelot maps this tumultuous journey exploring the role of religion caste and politics in determining the fabric of a modern democratic state The Testimonies of Indian Soldiers and the Two World Wars Gajendra Singh,2014-01-16 In the two World Wars hundreds of thousands of Indian sepoys were mobilized recruited and shipped overseas to fight for the British Crown The Indian Army was the chief Imperial reserve for an empire under threat But how did those sepoys understand and explain their own war experiences and indeed themselves through that experience How much did their testimonies realise and reflect their own fragmented identities as both colonial subjects and imperial policemen The Testimonies of Indian Soldiers and the Two World Wars draws upon the accounts of Indian combatants to explore how they came to terms with the conflicts In thematic chapters Gajendra Singh traces the evolution of military identities under the British Raj and considers how those identities became embattled in the praxis of soldiers war testimonies chiefly letters depositions and interrogations It becomes a story of mutiny and obedience of horror loss and silence This book tells that story and is an important contribution to histories of the British Empire South Asia and the two World Wars

Burma, Kipling and Western Music Andrew Selth,2016-11-03 For decades scholars have been trying to answer the question how was colonial Burma perceived in and by the Western world and how did people in countries like the United Kingdom and United States form their views This book explores how Western perceptions of Burma were influenced by the popular music of the day From the First Anglo Burmese War of 1824 6 until Burma regained its independence in 1948 more than 180 musical works with Burma related themes were written in English speaking countries in addition to the many hymns composed in and about Burma by Christian missionaries Servicemen posted to Burma added to the lexicon with marches and ditties and after 1913 most movies about Burma had their own distinctive scores Taking Rudyard Kipling s 1890 ballad Mandalay as a critical turning point this book surveys all these works with emphasis on popular songs and show tunes also looking at classical works ballet scores hymns soldiers songs sea shanties and film soundtracks It examines how they influenced Western perceptions of Burma and in turn reflected those views back to Western audiences The book sheds new light not only on the West s historical relationship with Burma and the colonial music scene but also Burma s place in the development of popular music and the rise of the global music industry In doing so it makes an original contribution to the fields of musicology and Asian Studies Land, Water, Language and Politics in Andhra Brian Stoddart,2014-03-14 This book explains how access to and use of land water and language helped shape Andhra politics in India from 1850 down to the present day After independence the debate over land reform and policies on irrigation has shaped the fortunes of various governments while the debate over the make up of the language based state has

stimulated separatist movements like the one in support of Telangana The book discusses how British innovations in irrigation in coastal Andhra in the mid nineteenth century transformed the economy there from food crops to cash crops and created new markets for local entrepreneurs This stimulated increased education and social reform in the region which in turn supported new politics in search of constitutional concessions The drive for a Telugu language based province then arose in concert and those political resources were then used to determine local patterns down to independence The 1930s rise of the socialists then the communist organisations was an extension of land and water tax debates which impacted the political nature of development both before and after independence This is one of the first books on Andhra that recounts this story and is based on extensive archival research exploring the deep relationships between land water language and politics It would be of primary interest to those studying modern nationalism in India natural resource management Indian politics and economic growth

The Corporation as a Protagonist in Global History, c. 1550-1750, 2018-12-10 William A Pettigrew and David Veevers put forward a new interpretation of the role Europe's overseas corporations played in early modern global history recasting them from vehicles of national expansion to significant forces of global integration Across the Mediterranean Atlantic Indian Ocean and Pacific corporations provided a truly global framework for facilitating the circulation movement and exchange between and amongst European and non European communities bringing them directly into dialogue often for the first time Usually understood as imperial or colonial commercial enterprises The Corporation as a Protagonist in Global History reveals the unique global sociology of overseas corporations to provide a new global history in which non Europeans emerged as key stakeholders in European overseas enterprises in the early modern world Contributors include Michael D Bennett Aske Laursen Brock Liam D Haydon Lisa Hellman Leonard Hodges Emily Mann Simon Mills Chris Nierstrasz Edgar Pereira Edmond Smith Haig Smith and Anna Winterbottom

Shaping the Sciences of the Ancient and Medieval World Agathe Keller, Karine Chemla, 2024-05-14 This book contributes to a worldwide history of textual criticism and critical editions of ancient scientific texts It first looks at ancient editorial practices and at their impact on modern editions Contributions analyze how through time the perception of what a text was may have changed and influenced how scholarly texts were made accessible The second section looks at the historical political and social contexts within which editions and translations of ancient scientific texts were produced Finally the last two parts examine the specificities of editions and translations that bore on scholarly documents Not only is there a focus on how the elements specific to scientific texts such as diagrams and numbers were treated but case studies analyzing the specific work carried out to edit mathematical and astronomical texts of the past are also offered to the reader The scholarship displayed in this work lays the foundation for further studies on the history of critical editions and raises questions to those who make scholarly translations and critical editions today

Mon Nationalism and Civil War in Burma Mr Ashley South, 2013-01-11 A major contribution to the literature of Burmese history and politics this book traces the rich and tragic history of the Mon people of

Burma and Thailand from the pre colonial era to the present day This vivid account of ethnic politics and civil war situates the story of Mon nationalism within the big picture of developments in Burma Thailand and the region Primarily an empirical study it also addresses issues of identity and anticipates Burmese politics in the new millennium A particular feature of the book is its first hand descriptions of insurgency and displacement drawn from the author s experiences as an aid worker in the war zone

Managing Famine, Flood and Earthquake in China Lauri Paltemaa,2015-10-05 China suffers frequently from many types of natural disasters which have affected the lives of many millions of Chinese The steps which the Chinese state has taken to prevent disasters mitigate their consequences and reconstruct in the aftermath of disasters are therefore key issues This book examines the single metropolis of Tianjin in northern China a city which has suffered particularly badly from natural disasters the great famine of 1958 61 the great flood of 1963 and the great earthquake of 1976 It discusses how the city managed these disasters what policies and measures were taken to prevent and mitigate disasters and to promote reconstruction afterwards It also explores who suffered from and who benefited from the disasters Overall the book shows how disaster management was erratic sometimes managed highly efficiently and in other cases disappointingly delayed and inept It concludes that although the Maoist state possessed formidable resources disaster management was always

constrained by other political and economic considerations and was never an automatic priority

South Asian Studies,1985 **The Chinese State at the Borders** Diana Lary,2011-11-01 In this ground breaking study Hsiao Ting Lin demonstrates that the Chinese frontier was the subject neither of concerted aggression on the part of a centralized and indoctrinated Chinese government nor of an ideologically driven nationalist ethnopolitics Instead nationalist sovereignty over Tibet and other border regions was the result of rhetorical grandstanding by Chiang Kai shek and his regime Tibet and Nationalist China s Frontier makes a crucial contribution to the understanding of past and present China Tibet relations A counterpoint to erroneous historical assumptions this book will change the way Tibetologists and modern Chinese historians frame future studies of the region

Occupied Aviel Roshwald,2023-04-27 For most of the population of Europe and East and Southeast Asia the most persistent and significant aspect of their experience of the Second World War was that of occupation by one or more of the Axis powers In this ambitious and wide ranging study Aviel Roshwald brings us the first single authored comparative treatment of European and Asian responses to German and Japanese occupation during the war He illustrates how patriotic ethno national and internationalist identities were manipulated exploited reconstructed and reinvented as a result of the wholesale dismantling of states and redrawing of borders Using eleven case studies from across the two continents he examines how behavioral choices around collaboration and resistance were conditioned by existing identities or loyalties as well as by short term cost benefit calculations opportunism or coercion

Indonesia's Maritime Policy from Independence to 2019 Indra Alverdian,2024-08-02 Alverdian explores how a distinct national character of maritime governance has influenced the nature of Indonesia s aspiration to go beyond archipelagic towards a maritime

nation through focusing on the intersection between the nation's political culture historical changes and geopolitical contexts which gave rise to the primacy of the theme of unity in the nation's discourse The main theme of this research is the three pillar framework of the Tanah Air concept which includes the political culture of persatuan nasional national unity the strategic culture of cakra manggilingan turning of the times from dark to golden periods and the geopolitical context of posisi silang dunia world crossroad position The findings of this publication indicate the dominant influence of Javanese political culture philosophy values and traditions on the distinct character of Indonesia's maritime orientation Specifically Javanese political philosophy and traditions within each pillar of Tanah Air have influenced continuity rather than change in the evolution of Indonesia's maritime policy This book helps readers understand how the defining theme of unity in national political culture has shaped the evolution of Indonesia's maritime policy from 1945 to 2019 It illustrates how the continuous influence of the theme of national unity as devised by the political elites through history has addressed the realities of the archipelago's geography and it is significant from both an academic and practical policy perspective A book designed for academics and the general public interested in gaining greater insight and knowledge on Indonesia's maritime policy and maritime nation aspirations

Facing Japan Parks M. Coble, 2020-03-17 In *Facing Japan* Parks M Coble focuses on how events that took place during the Japanese occupation of Manchuria from 1931 until war erupted in 1937 affected the Chinese government and public opinion Both in the places where incidents occurred and in other centres of power Japanese threats attacks and economic demands pressed Nationalist China relentlessly and aroused popular indignation Throughout most of the period Chiang Kai Shek was trying to wrest control of China from all domestic rivals Aware that his army was inferior to Japan's his Nationalist government repeatedly made concessions in response to Japanese provocations Chiang busied himself with anti Communist campaigns leaving others to take public responsibility for his unpopular appeasement policies For such crises as the Mukden Incident and the Japanese attack on Shanghai Coble examines the tension that Chiang's policy caused within the Kuomintang and the alternatives put forward by other major leaders both inside and outside the government To further explore the political complexities of the day Coble traces the actions of regional leaders and their constantly changing relations to the central government in Nanking reviews editorials of various newspapers and chronicles the actions of student organizations and patriotic associations

Recentring Southeast Asia Himanshu Prabha Ray, 2024-11-19 This book assesses the impact of European colonization in the late 19th and early 20th century in restructuring the shared past of India and Southeast Asia It provides case studies that transcend colonial constructs and adopt newer approaches to understanding the shared past The authors explore these developments through the lens of political figures like Jawaharlal Nehru 1889-1964 and re-examine themes such as the Greater India Society 1926-1959 established in Calcutta and the role of Buddhism in post World War II connections as the repatriation of the mortal remains of Japanese soldiers killed in Burma Myanmar acquired urgency Drawing on a diverse range of sources including

archaeology Buddhist texts the afterlives of the Hindu temples maritime networks and inscriptions from Vietnam and central India the book will be an essential read for scholars and researchers of history Buddhism archaeology heritage studies cultural studies and political history as well as South and Southeast Asian history
