Modern English literature, a selection of the Complete Catalogue of the Tauchnitz Edition of The Hearth-Stone: Thoughts Upon Home-Life in Our Cities Samuel Osgood,2019-12-20

In *The Hearth Stone Thoughts Upon Home Life in Our Cities* Samuel Osgood presents a poignant meditation on urban domesticity exploring the intricate relationship between the home and the rapidly industrializing American society of the late 19th century Written in a lyrical style marked by philosophical reflection and rich imagery the book marries poetic prose with sociological insights inviting readers to consider the moral and emotional dimensions of home life amidst the chaos of city living Osgood s thoughtful observations resonate within the broader Romantic literary context emphasizing the sanctity of the home as a refuge from the dehumanizing forces of urban modernity Samuel Osgood a prominent figure in American literature and a contemporary of Emerson and Thoreau drew upon his early experiences in a rural setting which honed his appreciation for nature and domestic tranquility His career as a writer and clergyman involved a deep engagement with themes of community spirituality and the ethical implications of progress This rich background informs Osgood s exploration of home as both a physical space and a moral ideal weaving personal anecdotes with broader societal critiques Readers seeking a deeper understanding of the interplay between home life and urbanization will find *The Hearth Stone* a compelling and thought provoking work Osgood s reflections resonate with timeless relevance making it essential reading for those interested in the cultural and emotional implications of modern living as well as anyone who appreciates the nexus of literature and social commentary
