Collected Poems C. P. Cavafy, 1992-09-28 C P Cavafy 1863 1933 lived in relative obscurity in Alexandria and a collected edition of his poems was not published until after his death Now however he is regarded as the most important figure in twentieth century Greek poetry and his poems are considered among the most powerful in modern European literature Here is an extensively revised edition of the acclaimed translations of Edmund Keeley and Philip Sherrard which capture Cavafy's mixture of formal and idiomatic use of language and preserve the immediacy of his frank treatment of homosexual themes his brilliant re creation of history and his astute political ironies The resetting of the entire edition has permitted the translators to review each poem and to make alterations where appropriate George Savidis has revised the notes according to his latest edition of the Greek text About the first edition The best English version we are likely to see for some time James Merrill *The New York Review of Books* Keeley and Sherrard have managed the miracle of capturing this elusive inimitable unforgettable voice It is the most haunting voice I know in modern poetry Walter Kaiser *The New Republic*

The Reception of Byzantium in European Culture since 1500 Przemyslaw Marciniak,Dion C.

Smythe, 2017-05-15 Studies on the reception of the classical tradition are an indispensable part of classical studies. Understanding the importance of ancient civilization means also studying how it was used subsequently. This kind of approach is still relatively rare in the field of Byzantine Studies. This volume, which is the result of the range of interests in mostly non-English speaking research communities, takes an important step to filling this gap by investigating the place and dimensions of Byzantium after Byzantium. This collection of essays uses the idea of reception theory and expands it to show how European societies after Byzantium have responded to both the reality and the idea of Byzantine Civilisation. The authors discuss various forms of Byzantine influence in the post-Byzantine world from architecture to literature to music to the place of Byzantium in modern political debates, e.g. in Russia. The intentional focus of the present volume is on those aspects of Byzantine reception less well known to English reading audiences, which accounts for the inclusion of Bulgarian, Czech, Polish, and Russian perspectives. As a result, this book shows that although so-called Byzantinism is a pan-European phenomenon, it is made manifest in local national versions. The volume brings together specialists from various countries, mainly Byzantinists whose works focus not only on Byzantine Studies, that is, history, literature, and culture of the Byzantine Empire, but also on the influence of Byzantine culture on the world after the Fall of Constantinople. **Yannis Ritsos** (Giannēs Ritsos), 1991-03-21. The celebrated modern Greek poet Yannis Ritsos follows such distinguished predecessors as C. P. Cavafy and George Seferis in a dramatic and symbolic expression of a tragic sense of life. The shorter poems gathered in this volume present what Ritsos calls simple things that turn out not to be simple at all. Here we find a world of subtle nuances in which everyday events hide much that is threatening, oppressive, and spiritually vacuous, but the poems also provide lyrical and idyllic interludes along with cunning re-creations of Greek mythology and history. This collection of Ritsos's work, perhaps most of all those poems written while he was in forced exile under the dictatorship of the Colonels, testifies to his just place among the major European poets of this century. The distinguished translator of modern Greek poetry, Edmund Keeley, has chosen for this anthology selections from seven of Ritsos's volumes of shorter poems written between 1946 and 1975. Two of these volumes are represented here in English versions for the first time; two others have been translated only sporadically, and the remaining three were first published in a bilingual edition, now out of print. Ritsos in Parentheses. The collection thus covers thirty years of a poetic career that is the most prolific and among the most honored in Greece's modern history. Cavafy's Alexandria, Edmund Keeley, 1996. C. P. Cavafy, one of the greatest modern Greek poets, lived in Alexandria for all but a few of his seventy years. Alexandria became for Cavafy a central poetic metaphor and eventually a myth encompassing the entire Greek world. In this, the first full-length critical work on Cavafy in English, Keeley describes Cavafy's literary progress and aesthetic development in the making of that myth. **Journal of Modern Greek Studies**, 1989. Classical and Modern Literature, 1988. *International Who's Who in Poetry 2004*, Europa Publications, 2003. Provides up-to-date profiles on the careers of leading and emerging poets. **Romanticism in National Context**, Roy Porter, Mikulas Teich, 1988-05-27. Special

emphasis is placed on the interplay between Romantic culture and social political and economic change in this study of the course of Romanticism in various European countries **The Princeton University Library Chronicle** ,1996

Laughing with Medusa Vanda Zajko,Miriam Leonard,2006-01-12 Laughing with Medusa explores a series of interlinking questions including Does history s self positioning as the successor of myth result in the exclusion of alternative narratives of the past How does feminism exclude itself from certain historical discourses Why has psychoanalysis placed myth at the centre of its explorations of the modern subject Why are the Muses feminine Do the categories of myth and politics intersect or are they mutually exclusive Does feminism s recourse to myth offer a script of resistance or commit it to an ineffective utopianism Covering a wide range of subject areas including poetry philosophy science history and psychoanalysis as well as classics this book engages with these questions from a truly interdisciplinary perspective It includes a specially commissioned work of fiction Iphigeneia s Wedding by the poet Elizabeth Cook
