Modern History Of Jordan:

The Modern History of Jordan Kamal Suleiman Salibi, 1993 Few states in the modern world have had a less promising birth than Jordan When in 1921 the Hashemite Emir Abdallah was recognized as the ruler of this romantic backwater of the former Ottoman Empire it was sparsely populated extremely poor and widely regarded as ungovernable Today against all the odds Jordan has become one of the most prosperous and stable of Middle Eastern countries and a major player in the region's politics In this political history Kamal Salibi attempts to explain how this transformation was achieved The book traces the story of modern Jordan from its origins in the Arab revolt at the end of World War I and the political success of the astute and colourful founder of its ruling dynasty It includes a detailed examination of the far reaching implications for Jordan of the Palestinian tragedy and a constantly tense relationship with neighbouring Israel and it shows how King Hussein the longest surviving ruler in the contemporary Middle East has guided the country through these difficult times to introduce democracy in 1988 Bloomsbury Publishing *The Modern History of Jordan* Kamal S. Salibi, 1993-08-15 Few states in the modern world have had a less promising birth than Jordan Today against all the odds it has become one of the most prosperous and stable of Middle Eastern countries and a major player in the region's politics This book attempts to explain Minorities and the State in the Arab World Ofra Bengio, Gabriel Ben-Dor, 1999 This text offers a comprehensive discussion of minorities and ethnic politics in eight Arab countries Focusing on the strategic political chaos made by minorities majorities and regimes in power the authors point to probable future developments in majority minority relations in the region Of Empires and Citizens Amaney A. Jamal, 2012-09-09 In the post Cold War era why has democratization been slow to arrive in the Arab world This book argues that to understand support for the authoritarian status quo in parts of this region and the willingness of its citizens to compromise on core democratic principles one must factor in how a strong U S presence and popular anti Americanism weakens democratic voices Examining such countries as Jordan Kuwait Morocco Palestine and Saudi Arabia Amaney Jamal explores how Arab citizens decide whether to back existing regimes regime transitions and democratization projects and how the global position of Arab states shapes people's attitudes toward their governments While the Cold War's end reduced superpower hegemony in much of the developing world the Arab region witnessed an increased security and economic dependence on the United States As a result the preferences of the United States matter greatly to middle class Arab citizens not just the elite and citizens will restrain their pursuit of democratization rationalizing their backing for the status quo because of U S geostrategic priorities Demonstrating how the preferences of an international patron serve as a constraint or an opportunity to push for democracy Jamal questions bottom up approaches to democratization which assume that states are autonomous units in the world order Jamal contends that even now with the overthrow of some autocratic Arab regimes the future course of Arab democratization will be influenced by the perception of American reactions Concurrently the United States must address the troubling sources of the region's rising anti Americanism **The**

Hashemites Robert McNamara, 2010-09-07 The story of the Arab Revolt and the Hashemite princes who led it during the First World War is inextricably linked in modern eyes to the legend of Lawrence of Arabia as portrayed in David Lean's 1962 film. But behind this romantic image lies a harsher reality of wartime expediency, double dealing and dynastic ambition which shaped the modern Middle East and laid the foundations of many of the conflicts that rack the region to this day. Arab nationalists claim that British instigation for the Arab Revolt against the Ottoman Empire was a commitment to independence for the Arab people, but in this book Robert McNamara shows how the British cultivated the Hashemite Sherifs of Mecca more as an alternative focus during the First World War for Muslim loyalty from the Ottoman Sultan, who as Caliph had declared a jihad against the Allies when the Turks joined the Central Powers, than as a leader of an independent and united Arabia. At the same time, the Sykes-Picot Agreement divided up the Middle East between British and French spheres of influence. The sense of betrayal that this caused has coloured Arab nationalists' views of the West ever since. The main countries of the Middle East—Jordan, Syria and Iraq—are all the creations of the post-First World War settlement worked out at the Paris Peace Conference. The story of the Hashemite dynasty at the Paris Peace Conference is the story of the birth of the modern history of a region that is now more than ever at the centre of world affairs. *We Are Your Soldiers* Alex

Rowell, 2023-11-14 The Best of The Economist's Middle East coverage in 2024 A searing exploration of authoritarianism in the Middle East through the legacy of Gamal Abdel Nasser's years in power in Cold War era Egypt. Gamal Abdel Nasser, the larger-than-life Egyptian president who ruled for eighteen years between the coup d'état he led in 1952 and his death in 1970, is best known for wresting the Suez Canal from the British and French empires and befriending such iconic revolutionaries as Fidel Castro and Che Guevara. Yet there is a darker side to Nasser's regime. He was a brutal authoritarian whose legacy, Alex Rowell argues, lies at the heart of the violent and repressive order that still prevails throughout the Arab world today. *We Are Your Soldiers* examines seven countries: Egypt, Iraq, Syria, Lebanon, Jordan, Yemen and Libya, weaving the epic tale of Nasser's dramatic encounters with each to reassess his impact in the Arab sphere. These engagements were often drenched in blood and destruction, leaving deep scars that endure to the present. Rowell shows how the Nasser years were crucial to the formation of regimes as varied as Bashar al-Assad's Syria, Muammar al-Gaddafi's Libya, Saddam Hussein's Iraq and Abd al-Fattah al-Sisi's Egypt. Crushing democracy at home while launching wars and slaying opponents abroad, Nasser ushered in the long political winter from which the region is still yet to emerge. Drawing on a deep reading of Arabic sources, extensive interviews and material never before published in English, Rowell offers a necessary reexamination of Nasser's rule and a new understanding of the politics of the Middle East. **The Middle East and South Asia 2022-2023** Ilan

Pappe, 2022-09-18 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia, yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises. This edition of the annually updated volume of the World Today Series provides important

insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments

Making the Modern Middle East T. G. Fraser, Andrew Mango, Robert McNamara, 2014-07-15 A century ago as World War I got underway the Middle East was dominated as it had been for centuries by the Ottoman Empire But by 1923 its political shape had changed beyond recognition as the collapse of the Ottoman Empire and the insistent claims of Arab and Turkish nationalism and Zionism led to a redrawing of borders and shuffling of alliances a transformation whose consequences are still felt today This fully revised and updated second edition of *The Makers of the Modern Middle East* traces those changes and the ensuing history of the region through the rest of the twentieth century and on to the present Focusing in particular on three leaders Emir Feisal Mustafa Kemal and Chaim Weizmann the book offers a clear authoritative account of the region seen from a transnational perspective one that enables readers to understand its complex history and the way it affects present day events

Sovereignty After Empire Sally N. Cummings, 2011-07-19 How does empire affect the route to successor sovereign state systems and the features of the sovereignty of these systems This unique systematic comparison of empires and of their consequences for sovereignty in the Middle East and Central Asia brings theory on empire and sovereignty to bear on empirical variation across the two regions The novel approach to understanding the political structures of states in two significant areas of the non European world offers an important comparative discussion of post imperial development and sovereignty It raises a clear set of research questions about variations of imperial practice and puts forward an attractive and persuasive case that imperial legacy has been an important variable in the post independence period

Teen Life in the Middle East Ali Akbar Mahdi, 2003-05-30 This unique volume offers unprecedented insight into the typical day interests and familial social and cultural lives of Middle Eastern teens Each chapter includes a resource guide to teach teens more about the 11 profiled countries Iran Iraq Israel Jordan Kuwait Lebanon Palestinian territories Saudi Arabia Syria Turkey United Arab Emirates and Yemen Numerous photos accompany the text This book provides teen readers in the West with a window into the everyday lives of their counterparts in the East fostering a better understanding of both their similarities and differences The current population of the Middle East is young and their future is critical in our worldview Teen life in the Middle East is marked by extremes In some countries especially those that are Westernized teens share the benefits of globalization with material and social comforts such as private

schooling and vacations abroad In other countries political instability religious and cultural repression war and occupation earthquakes and poverty are ongoing crises Many teenagers must endure a difficult and sometimes nearly impossible path to adulthood

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Modern History Of Jordan eBooks, including some popular titles.

FAQs About Modern History Of Jordan Books

What is a Modern History Of Jordan PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern History Of Jordan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern History Of Jordan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern History Of Jordan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern History Of Jordan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
