Modern Norwegian Literature 1860-1918 Brian W. Downs, 1966-01-02 Originally published in 1966 this general survey of the classic period of Norwegian literature was the first book in English devoted entirely to the period **Modern Norwegian Literature 1860-1918** Brian W. Downs, 2011-04-14 This general survey of the classic period of Norwegian literature provides an introduction for the general reader as well as the student Professor Downs begins with a historical survey which explains the political background to this period of flowering He then turns to the individual authors treating the greatest individually and grouping minor figures together Bjørnson and Ibsen naturally dominate the account but they are seen as members of a national movement and the general cultural and social background are kept in view Final chapters look forward to the new century Originally published in 1966 this was the first book in English devoted entirely to the period It is fuller than general histories of Scandinavian literature yet more general than studies of single authors The text assumes no knowledge of Norwegian but the footnotes help the specialist towards further reading and discuss points of substance using some Norwegian **Modern Norwegian Literature, 1860-1918** Brian Westerdale Downs, 1966 General survey of the classic period of Norwegian literature the age of Ibsen Bjørnson and Hamsun *The Cambridge Companion to Ibsen* James McFarlane, 1994-02-25 In the history of modern theatre Ibsen is one of the dominating figures The sixteen chapters of this 1994 Companion explore his life and work providing an invaluable reference work for students In chronological terms they range from an account of Ibsen's earliest pieces through the years of rich experimentation to the mature Ibsenist plays that made him famous towards the end of the nineteenth century Among the thematic topics are discussions of Ibsen's comedy realism lyric poetry and feminism Substantial chapters account for Ibsen's influence on the international stage and his challenge to theatre and film directors and playwrights today Essential reference materials include a full chronology list of works and essays on twentieth century criticism and further reading Veblen Charles Camie, 2020-11-30 Thorstein Veblen's analysis of America's parasitic upper class which plunders its wealth from productive workers is widely attributed to his outsider status But Charles Camie shows that Veblen's ideas did not derive from social marginality Veblen was a professional economist whose fierce social critique was the work of an academic insider **Modernism** Astradur Eysteinnsson, Vivian Liska, 2007-10-04 The two volume work *Modernism* has been awarded the prestigious 2008 MSA Book Prize *Modernism* has constituted one of the most prominent fields of literary studies for decades While it was perhaps temporarily overshadowed by postmodernism recent years have seen a resurgence of interest in modernism on both sides of the Atlantic These volumes respond to a need for a collective and multifarious view of literary modernism in various genres locations and languages Asking and responding to a wealth of theoretical aesthetic and historical questions 65 scholars from several countries test the usefulness of the concept of modernism as they probe a variety of contexts from individual texts to national literatures from specific critical issues to broad cross cultural concerns While the chief emphasis of these volumes is on literary

modernism literature is seen as entering into diverse cultural and social contexts These range from inter art conjunctions to philosophical environmental urban and political domains including issues of race and space gender and fashion popular culture and trauma science and exile all of which have an urgent bearing on the poetics of modernity *The Literary Kierkegaard* Eric Ziolkowski, 2011-12-31 Eric Ziolkowski's monumental study examines Kierkegaard's whole prolix literature including the pseudonymous and the signed published writings as well as his private journals papers and letters in relation to works by five other literary giants Kierkegaard himself stresses the essentially literary as opposed to the strictly theological or philosophical nature of his writings Uncovering this neglected aspect of Kierkegaard's oeuvre Ziolkowski first considers the notions of aesthetics and the aesthetic as Kierkegaard adapted them then his posture as a poet and his self conception as a weed in literature After taking account of the history of the critical recognition of Kierkegaard as a literary artist Ziolkowski looks at an important characteristic of Kierkegaard's literary craft that has received relatively little attention the manner by which he and his pseudonyms read and quoted other authors Ziolkowski explores the connections between the philosopher's writings and those of other literary masters who directly influenced him such as Aristophanes Cervantes and Shakespeare and those such as Wolfram von Eschenbach and Carlyle who while not direct influences gave paradigmatic expression to some of the same aspects of aesthetic ethical and religious existence that Kierkegaard portrayed A necessary resource for Kierkegaard scholars philosophers and students of religion and literature alike The literary Kierkegaard corrects a significant lack in our understanding of one of the most significant thinkers of the modern era dust jacket *Pillars of Society, Rosmersholm, Little Eyolf, When We Dead Awaken* Henrik Ibsen, 2019-08-17 *Pillars of Society* Ibsen's first major prose play 1877 explores the boundless ambition fostered during the industrial revolution and exposes the smug self righteousness and hypocrisy of the Victorian middle class Karsten Bernick a successful shrewd and calculating shipbuilder has made himself the benevolent benefactor of his community while ruthlessly taking advantage of the cheap labor available in this small seacoast town In order to maintain his credibility and develop the railroad he claims will be only for the public good he needs to resort to further lies and even blackmail *Rosmersholm* is a penetrating tale of guilt and desire of politics and personal morality as two women fight to the death for the soul of John Rosmer the spiritually intellectually and emotionally bankrupt last of the line in the house of Rosmersholm In what is also a ghost story the house itself becomes a major character a place where white horses announce impending death With its depth of psychological analysis the play seems ahead of its time Ibsen explored the realm of modern psychiatry years before Freud's major works *Little Eyolf* fuses naturalistic style with supernatural elements The dramatic death of their only child Eyolf triggers devastating confrontations of guilt and recrimination between Alfred Allmers a self absorbed man filled with grandiose ideas about his mission in life and his wife whose wealth has brought him security in a marriage of convenience *When We Dead Awaken* Ibsen's last work 1899 completes the twelve major prose plays that assured his reputation as the father of modern drama It is the final

reckoning of the price an artist and those close to him pay for the artist's dedication and devotion to his art Rubek a successful sculptor at the end of his career desperately tries to rationalize his life and his work to his former model and muse
