set foot inside Alec was there all dominance and dark intentions His eyes glinted with possession and his voice was a rough caress that left her thighs clenching with every command His touch was merciless pinning her against cold marble walls with promises that made her breath hitch and her pulse race He didn't ask he demanded And Luna hated how her body arched willingly under his hands how her protests melted into breathless moans But Alec wasn't the only one with his sights set on her Killian the rogue alpha was a sinful contrast all wicked smirks and teasing fingers He prowled in her shadows taunting and tempting until Luna's cheeks burned and her knees trembled His mouth was sin itself brushing over sensitive skin stealing gasps that turned into needy whimpers He made it a game to see how many times he could leave her blushing and soaked his chuckles dark and hungry whenever she bit her lip to stifle a moan And then there was Rafe silent lethal and devastatingly patient His hands were gentle but his eyes were ravenous tracing the curves of her body like a wolf sizing up prey His fingers skimmed down her spine with a possessive softness that left her shivering When he finally pulled her against him mouth hot on her neck Luna's resolve shattered leaving her writhing against his hard chest begging without words Every night was a struggle between lust and defiance and Luna was losing The estate itself seemed to conspire with the alphas luring her into darkened hallways and silk draped chambers where control slipped away with every heated kiss and growled command They didn't just want her submission they wanted her soul Bound in silk ribbons with dark roses at her feet and three sets of claws tracing her skin Luna found herself surrendering back arching breath catching body aching for everything they promised The blood moon was rising bringing the curse to its peak To break it Luna had to make a choice to submit completely or risk losing them all But every growl every bruising kiss every thrust that left her gasping for more stripped away her resistance Alec's savage dominance Killian's wicked teasing Rafe's possessive tenderness each left their mark a claim that sank deeper until Luna could no longer deny the heat roaring beneath her skin When dawn broke the curse shattered along with every restraint Luna had left She stood marked and claimed with three alphas kneeling at her feet eyes dark with hunger and loyalty The power thrummed through her veins seductive and dangerous and Luna embraced it with a sultry smile that left them growling Her goal might have been survival but what she claimed was dominion over the estate over the alphas and over the wild hunger that bound them all The night was theirs The power was hers And the wild had only just begun to bow

The Bride Wore White Amanda Quick, 2024-03-26 A psychic desperate to escape her destiny and a killer finds her future in the coastal town of Burning Cove in New York Times bestselling author Amanda Quick's latest novel Being Madame Ariadne Psychic Dream Consultant wasn't Prudence Ryland's ideal gig but it paid well which was reason enough to do the work until she realizes that her latest client intends to kill her But Prudence a master at reinvention finds a new job and home as far away as possible and is finally able to relax which turns out to be a big mistake Letting her guard down means being kidnapped and drugged and waking up in a bloodstained wedding dress in the honeymoon suite next to a dead man With the press outside the hotel waiting with their cameras and police sirens in the distance it's obvious she's being framed for the man's murder Prudence knows who is responsible but will anyone believe her It doesn't seem likely that rumored crime boss Luther Pell or his associate Jack Wingate believe her seemingly outrageous claims of being a target of a ruthless vendetta In fact Prudence is convinced that the mysterious Mr Wingate believes her to be a fraud at best and at worst a murderer And Jack Wingate does seem to be someone intimately familiar with violence if going by his scarred face and grim expression So no one is more shocked than Prudence when Jack says he'll help her Of course his ideas for helping her involve using her as the bait for a killer but Prudence feels oddly safe with Jack protecting her But who will protect Prudence from her growing fascination with this enigma of a man

Hollywood on the Hudson Richard Koszarski, 2008 Thomas Edison invented his motion picture system in New Jersey in the 1890s and within a few years most American filmmakers could be found within a mile or two of the Hudson River They planted themselves here because they needed the artistic and entrepreneurial energy that D W Griffith realized New York had in abundance But as the going rate for land and labor skyrocketed and their business grew more industrialized most of them moved out The way most historians explain it the role of New York in the development of American film ends here In

Hollywood on the Hudson Richard Koszarski rewrites an important part of the history of American cinema During the 1920s and 1930s film industry executives had centralized the mass production of feature pictures in a series of gigantic film factories scattered across Southern California while maintaining New York as the economic and administrative center But as Koszarski reveals many writers producers and directors also continued to work here especially if their independent vision was too big for the Hollywood production line East Coast filmmakers Oscar Micheaux Rudolph Valentino Ben Hecht Charles MacArthur Paul Robeson Gloria Swanson Max Fleischer and others quietly created a studio system without back lots long term contracts or seasonal production slates They substituted newsreel photography for Hollywood glamour targeted niche audiences instead of middle American families ignored accepted dramatic conventions and pushed the boundaries of motion picture censorship Rebellious and unconventional they saw the New York studios as laboratories not factories and used them to pioneer the development of new technologies from talkies to television new genres new talent and ultimately an entirely new vision of commercial cinema
