The Summer Love Strategy Ray Stoeve, 2024-05-07 Summer Love Strategy is a sweet and swoony YA rom com about two friends making a pact to find summer romance like they've seen in the movies and finding love where they least expect it along the way Hayley always has a crush The problem is her crushes never like her back After her latest unrequited love a girl from her basketball team gets a boyfriend she decides she's done falling for guys who are unavailable Her best friend Talia wants romance too but rarely gets crushes on anyone and she's tired of watching Hayley get her heart stomped on over and over So the two girls make a pact they'll help each other find summer love by putting themselves in situations that always lead to romance in movies To help carry out their summer love strategy they make a list of all the places they could find their real life rom com the beach the Pride parade the pool a MUNA concert and a party But as they go to each place and try to find the one it seems like they just can't catch a break they don't know how to talk to cute strangers someone mistakes Hayley as straight and Hayley does a truly unfortunate DIY haircut that she cannot be held responsible for it was a crisis But when Talia and Hayley finally manage to score dates will they be able to get out of their own way and really dive into the romances they deserve Or is summer love not as far off as Hayley thought
