Nearly Famous: Adventures of an After-Dinner Speaker Bob Bevan, 2011-10-31 Firmly established in the world of entertainment The Cat's route to fame has been through corporate and sporting dinners He grew up loving sport and persevered despite having only one eye and an almost total absence of natural ability His reputation as a figure of fun and his readiness to laugh at his own failures have reaped rich rewards How many of us have played football with Bobby Moore and George Best at Wembley or played at Lord's or written a poem teasing the Duke of Edinburgh for never recognising us In *Nearly Famous* The Cat writes hilariously of the many famous people he has worked with everyone from Colin Cowdrey Bobby Robson and Terry Venables to Eric Clapton Rod Stewart Billy Connolly Eric Morcambe and Brian Johnston and the highs and lows of that most serious of businesses making people laugh *In Plain Sight* Dan Davies, 2014-07-17 A major source for the BBC drama *The Reckoning* Winner of the 2015 Gordon Burn Prize and the 2015 CWA Non Fiction Dagger Shortlisted for the Orwell Prize and the James Tait Black Prize Dan Davies has spent more than a decade on a quest to find the real Jimmy Savile and interviewed him extensively over a period of seven years before his death In the course of his quest he spent days and nights at a time quizzing Savile at his homes in Leeds and Scarborough lunched with him at venues ranging from humble transport cafes to the Athenaeum club in London and most memorably joined him for a short cruise aboard the QE2 Dan thought his quest had come to an end in October 2011 when Savile's golden coffin was lowered into a grave dug at a 45 degree angle in a Scarborough cemetery He was wrong In the last two and a half years Dan has been interviewing scores of people many of them unobtainable while Jimmy was alive What he has discovered was that his instincts were right all along and behind the mask lay a hideous truth Jimmy Savile was not only complex damaged and controlling but cynical calculating and predatory He revelled in his status as a Pied Piper of youth and used his power to abuse the vulnerable and underage all the while covering his tracks by moving into the innermost circles of the establishment

The British National Bibliography Arthur James Wells, 2005 The People's Voice Barnet Baskerville, 2021-05-11 In this flavorful and perceptive study of the American orator Barnet Baskerville makes an inquiry into American attitudes toward orators and oratory and the reflection of these attitudes in speaking practices He examines the role of the orator in society and the kinds or qualities of oratory that were dominant in each period of American history and he looks into the nature and importance of oratory as perceived by audiences and by speakers themselves By examining this public image of the orator the author is able to tell us much about the people who drew that image **The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost American Exemplar of Self Education**, 1924 **The Lincoln Library of Essential Information**, 1924 **Armchair Sailor Collection** Various, 2014-02-13 Oxford World's Classics brings you a collection of the best voyages in literature Take a journey of your own through the eyes of beloved literary
