Neon Vernacular New And Selected Poems:

Neon Vernacular Yusef Komunyakaa, 1993-04-30 This Pulitzer Prize winning collection pairs twelve new poems with work from seven previous volumes by one of the most extraordinary poets writing today Kenyon Review The poetry of Yusef Komunyakaa traverses psychological and physical landscapes mining personal memory to understand the historical and social contexts that shape experience Neon Vernacular charts the development of his characteristic themes and concerns by gathering work from seven of his previous collections along with a dozen new poems that continue the autobiographical trajectory of his previous collection Magic City Here Komunyakaa shares an intimate and evocative life journey from his childhood in Bogalusa Louisiana once a center of Klan activity and later a focus of Civil Rights efforts to his stormy relationship with his father his high school football days and his experience of the Vietnam War and his difficult return home Many of the poems collected here are drawn from limited editions and are no longer available Neon Vernacular Yusef Komunyakaa, 1993 An award winning poet s testimony of the war in Vietnam **Pleasure Dome** Yusef Komunyakaa, 2004-09-20 Yusef Komunyakaa is best known for Neon Vernacular which won the Pulitzer Prize for Poetry in 1994 and for Dien Cai Dau poems chronicling his experiences as a journalist in Vietnam Pleasure Dome gathers over two and a half decades of Komunyakaa s work 25 early uncollected poems and 18 new poems **Southbound** Ernest Suarez, T. W. Stanford, Amy Verner, 1999 There s a real flowering I think of southern poetry right now assembling at the edges of everything This observation by Pulitzer Prize winning poet Charles Wright reflects upon the continuing vibrancy and importance of the southern poetic tradition Although the death of James Dickey in 1997 left southern poetry without a recognizably dominant voice an array of other vibrant voices continue to be heard and recognized Southbound Interviews with Southern Poets provides a glimpse of the many poets who promise to keep southern poetry vital into the twenty first century **Flashback Through the Heart** Angela M. Salas, 2004 In doing so the author seeks to convince readers that Komunyakaa has never been solely interested in dealing with the complexities of race in his work although he does so to stunning effect in such works as Dien Cai Dau a volume invoking the horrors of the war in Vietnam Jacket **Operation Homecoming**, 2004 **Windows and Doors** Natasha Saje, 2014-08-06 A poetry handbook rooted in theory history and philosophy **The Cambridge History of American Poetry** Alfred Bendixen, Stephen Burt, 2014-10-27 The Cambridge History of American Poetry offers a comprehensive exploration of the development of American poetic traditions from their beginnings until the end of the twentieth century Bringing together the insights of fifty distinguished scholars this literary history emphasizes the complex roles that poetry has played in American cultural and intellectual life detailing the variety of ways in which both public and private forms of poetry have met the needs of different communities at different times The Cambridge History of American Poetry recognizes the existence of multiple traditions and a dramatically fluid canon providing current perspectives on both major authors and a number of representative figures whose work embodies the

diversity of America's democratic traditions **American Literature in Transition, 1980-1990** D. Quentin Miller, 2017-12-28 History has not been kind to the 1980s The decade is often associated with absurd fashion choices neo Conservatism in the Reagan Bush years the AIDS crisis Wall Street ethics and uninspired television film and music Yet the literature of the 1980s is undeniably rich and lasting American Literature in Transition 1980 1990 seeks to frame some of the decade's greatest achievements such as Toni Morrison's monumental novel *Beloved* and to consider some of the trends that began in the 1980s and developed thereafter including the origins of the graphic novel prison literature and the opening of multiculturalism vis vis the canon wars This volume argues not only for the importance of 1980s American literature but also for its centrality in understanding trends and trajectories in all contemporary literature against the broader background of culture This volume serves as both an introduction and a deep consideration of the literary culture of our most maligned decade **Encyclopedia of African American History, 1896 to the Present** Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century
