Gunn,2007 Rex Gunn was the first to write the tragic story of Iva Toguri wrongly convicted of treason against the American people for her supposed role as the legendary Tokyo Rose during WWII Iva California born and raised and intensely proud of it was trapped in Japan by the bombing of Pearl Harbor At Radio Tokyo she conspired with American and Allied POW broadcasters to sabotage Japanese propaganda and sacrificed greatly to aid the POWs with food medicine and Allied news Although investigated and released by the U S Army the post war American public and the Truman administration needed a scapegoat and she was brought to San Francisco to stand trial for treason Rex had served as war correspondent during the War in the Pacific and covered Iva Toguri s 1949 trial as an AP radio editor He was intimately connected with her story and remained in contact with her until his death in 1999 This is the revised edition of Rex s original 1977 manuscript **Pearl Harbor: Final Judgement** Henry C. Clausen,Bruce Lee,2015-07-07 This account of the top secret investigation is essential history the authoritative appraisal of why American armed forces met the Japanese attack asleep The Christian Science Monitor On December 6 1941 Admiral Husband E Kimmel commander in chief of the United States Pacific Fleet assured his staff that the Japanese would not attack Pearl Harbor The next morning Japanese carriers steamed toward Hawaii to launch one of the most devastating surprise attacks in the history of war proving the admiral disastrously wrong Immediately an investigation began into how the American military could have been caught so unaware The results of the initial investigation failed to implicate who was responsible for this intelligence debacle Secretary of War Henry L Stimson realizing that high ranking members of the military had provided false testimony decided to reopen the investigation by bringing in an unknown major by the name of Henry C Clausen Over the course of ten months from November 1944 to September 1945 Clausen led an exhaustive investigation He logged more than fifty five thousand miles and interviewed over one hundred military and

civilian personnel ultimately producing an eight hundred page report that brought new evidence to light Clausen left no stone unturned in his dogged effort to determine who was truly responsible for the disaster at Pearl Harbor Pearl Harbor Final Judgement reveals all of the eye opening details of Clausen s investigation and is a damning account of massive intelligence failure To this day the story surrounding the Japanese attack on Pearl Harbor stokes controversy and conspiracy theories This book provides conclusive evidence that shows how the US military missed so many signals and how it could have avoided the events of that fateful day **From Pearl Harbor in Tokyo** Columbia Broadcasting System, inc,1945
