

A movie poster for the film 'Platoon'. The background is a dramatic, fiery scene of a battlefield at night, with palm trees silhouetted against a bright, orange and yellow sky. In the foreground, a soldier in a black tactical vest and helmet is shown from the back, with his arms raised in a V-shape. In the background, another soldier is visible, crouching or running. The title 'PLATOON' is written in large, bold, red letters, with two dog tags integrated into the word.

Platoon Salvador The Screenplays:

Oliver Stone's Platoon & Salvador Oliver Stone, Richard Boyle, Richard David Boyle, 1987 The screenplays of Platoon the most acclaimed movie about the Vietnam war and of Salvador a hard hitting portrayal of the civil war in Salvador also an Oscar nominee Illustrated with movie stills The Scar That Binds Keith Beattie, 2000-07-01 At the height of the Vietnam War American society was so severely fragmented that it seemed that Americans may never again share common concerns The media and other commentators represented the impact of the war through a variety of rhetorical devices most notably the emotionally charged metaphor of the wound that will not heal References in various contexts to veterans attempts to find a voice and to bring the war home were also common Gradually an assured and resilient American self image and powerful impressions of cultural collectivity transformed the Vietnam war into a device for maintaining national unity Today the war is portrayed as a healed wound the once silenced veteran has found a voice and the American home has accommodated the effects of Vietnam The scar has healed binding Americans into a union that denies the divisions diversities and differences exposed by the war In this way America is now over Vietnam In The Scar That Binds Keith Beattie examines the central metaphors of the Vietnam war and their manifestations in American culture and life Blending history and cultural criticism in a lucid style this provocative book discusses an ideology of unity that has emerged through widespread rhetorical and cultural references to the war A critique of this ideology reveals three dominant themes structured in a range of texts the wound the voice of the Vietnam veteran and home The analysis of each theme draws on a range of sources including film memoir poetry written and oral history journalism and political speeches In contrast to studies concerned with representations of the war as a combat experience The Scar That Binds opens and examines an unexplored critical space through a focus on the effects of the Vietnam War on American culture The result is a highly original and compelling interpretation of the development of an ideology of unity in our culture *Film and the Classical Epic Tradition* Joanna Paul, 2013-02-28 Paul explores the relationship between films set in the ancient world and the classical epic tradition arguing that there is a connection between the genres Through this careful consideration of how epic manifests itself through different periods and cultures we learn how cinema makes a claim to be a modern vehicle for a very ancient tradition

Suid, 2015-01-13 *Guts and Glory* The Making of the American Military Image in Film is the definitive study of the symbiotic relationship between the film industry and the United States armed services Since the first edition was published nearly two decades ago the nation has experienced several wars both on the battlefield and in movie theatres and living rooms at home Now author Lawrence Suid has extensively revised and expanded his classic history of the mutual exploitation of the film industry and the military exploring how Hollywood has reflected and effected changes in America s image of its armed services He offers in depth looks at such classic films as Wings Thirty Seconds Over Tokyo The Longest Day Patton Top Gun An Officer and a Gentleman and Saving Private Ryan as well as the controversial war movies The Green Berets M A S H the Deer Hunter Apocalypse Now Platoon Full Metal Jacket and Born on the Fourth of July

Screening The Sacred Joel Martin, Conrad E. Ostwalt Jr., 2018-03-05 What are the religious impulses in the 1976 film Rocky and how can they work to shape one s social identity Do the films Alien and Aliens signify the reemergence of the earth goddess as a vital cultural power What female archetypes borne out of male desire inform the experience of women in Nine and a Half Weeks These are among the several compelling questions the authors of this volume consider as they explore the way popular American film relates to religion Oddly religion and film two pervasive elements of American culture have seldom been studied in connection with each other In this first systematic exploration the authors look beyond surface religious themes and imagery in film discovering a deeper implicit presence of religion They employ theological mythological and social and political criticism to analyze the influence of religion in all its rich variety and diversity on popular film Perhaps more importantly they consider how the medium of film has helped influence and shape American religious culture secular or otherwise More than a random collection of essays this volume brings to the study of religion and film a carefully constructed analytic framework that advances our understanding of both Screening the Sacred provides fresh and welcome insight to film criticism it also holds far reaching relevance for the

study of religion Progressive in its approach instructive in its analyses this book is written for students scholars and other readers interested in religion popular film and the impact of each on American culture *Vietnam at 24 Frames a Second* Jeremy M. Devine, 2017-08-25 Beginning in 1948 with Paramount's Saigon and Universal's Rogue's Regiment Hollywood has produced hundreds of features and made for television films about Vietnam and the ensuing conflict With the exception of The Green Berets 1968 few were designed to rally Americans to the cause as earlier war movies had done Many were not even combat films instead dealing with such domestic issues as protests veteran re entry MIAs and POWs Arranged chronologically this is a critical analysis of Vietnam War films from 1948 through 1993 Recurring themes are stressed along with the ways that movie America reflected the national reality with essays blending plot synopses and critical commentary The movies run the gamut of genres dramas action adventure horror comedies and even one musical **Movies and Politics** James E. Combs, 2013-12-17 Collecting together some of the best thinking about the relationship between movies and politics this book originally published in 1993 encourages an awareness of the political dimension of film both for film scholars and those entering the film industry Eight essays are grouped into four parts addressing political ideology and movie narrative political myth in the movies political history and movie culture and political communication and the movies An introductory essay as well as prefatory remarks to each of the four parts brings additional insight and perspective and puts the essays into context *Virgin Film: Oliver Stone* Stephen Lavington, 2011-11-30 Three time Oscar winner Oliver Stone is one of the most controversial and well known contemporary American directors He began his professional life as a screen writer and was responsible for the scripts of Midnight Express and Scarface As a director he made one of the all time great Vietnam war movies Platoon and went on to helm such definitive cinematic works as Wall Street Born on the Fourth of July JFK Natural Born Killers and most recently Alexander an epic biography of the legendary Greek king starring Colin Farrell and Anthony Hopkins This indispensable guide takes each of Stone's writing and directorial features in chronological order discussing them within categories such as Casting Cut Scenes Music Conspiracy Theory and Controversy It looks at the inspiration behind his work its connection with the real world and the story behind each film's development Whether the subject is war politics sport or the defining aspects of an era Stone is an expert at polarising audience views This is an essential reference for all fans of Oliver Stone writer director and one of the most influential filmmakers of the last twenty five years **The Wars We Took to Vietnam** Milton J. Bates, 2023-09-01 What Americans refer to as the Vietnam War embraces much more than the conflict with North Vietnam Milton J Bates considers the other conflicts that Americans brought to that war the divisions stemming from differences in race class sex generation and frontier ideology In exploring the rich vein of writing and film that emerged from the Vietnam War era he strikingly illuminates how these stories reflect American social crises of the period Some material examined here is familiar including the work of Michael Herr Tim O'Brien Philip Caputo Susan Sontag Francis Ford Coppola and Oliver Stone Other material is less well known Neverlight by Donald

Pfarrer and De Mojo Blues by A R Flowers for example Bates also draws upon an impressive range of secondary readings from Freud and Marx to Geertz and Jameson As the products of a culture in conflict Vietnam memoirs novels films plays and poems embody a range of political perspectives not only in their content but also in their structure and rhetoric In his final chapter Bates outlines a politico poetics of the war story as a genre Here he gives special attention to our motives from the deeply personal to the broadly cultural for telling war stories What Americans refer to as the Vietnam War embraces much more than the conflict with North Vietnam Milton J Bates considers the other conflicts that Americans brought to that war the divisions stemming from differences in race class sex generation **Hanif Kureishi** Ruvani Ranasinha,2023-08-29

Original bold and always funny Hanif Kureishi is one of Britain s most popular provocative and versatile writers Born in Bromley in 1954 to an Indian father and white British mother Kureishi s life is intimately bound up with the history of immigration and social change in Britain This is the story of how a mixed raced child of empire who attended the local comprehensive school found success with a remarkable series of novels and screenplays including My Beautiful Laundrette and The Buddha of Suburbia Intimacy Venus and Le Week End The book also illuminates a larger story not only of the artist as a young man but of the recasting of Britain in the aftermath of decolonisation Drawing on journals letters and manuscripts from Kureishi s unexplored archive recently acquired by the British Library and informed by interviews with his family friends and collaborators as well with the writer himself Ruvani Ranasinha sheds new light on how his life animates his work This first biography offers a vivid portrait of a major talent who has inspired a new generation of writers **Combat Films**

Steven Jay Rubin,2011-07-25 This critical text offers a behind the scenes look at fifteen of the most important American war films of the last 60 years Based on original interviews and archival research and featuring rare photographs this book covers films considered unusually realistic for the genre The original edition 1981 covered war films through World War II while the present expanded edition includes seven new chapters covering the Civil War the American gunboat presence in China in the 1920s the Korean War the Vietnam War the fighting in Mogadishu in 1993 and the war in Iraq The Daily Planet Patricia

Aufderheide,2000-01-01 The Daily Planet is a long awaited selection of Patricia Aufderheide s most important critical essays updated and organized thematically to demonstrate the breadth of her thinking on media and film public telecommunications policy and contemporary society The result is a pithy and provocative exploration of the culture of daily life under capitalism Here Aufderheide demonstrates criticism that is both activist and analytical She probes the processes that shape our culture by examining diverse subjects including the struggle to create quality children s television programming the meaning of Paul Harvey the evolution of the war film over the past thirty years and the ways journalism is changed by the Internet and other new technologies Throughout Aufderheide foregrounds democratic values displaying the penetrating insights that have made her a leading public intellectual and commentator on contemporary culture **Friendly Fire in the Literature of War**

Earl R. Anderson,2017-05-08 The term friendly fire was coined in the 1970s but the theme appears in literature from ancient

times to the present It begins the narrative in Aeschylus's Persians and Larry Heinemann's Paco's Story It marks the turning point in Homer's Iliad Virgil's Aeneid the Chanson de Roland Stephen Crane's The Red Badge of Courage and Tim O'Brien's Going After Cacciato It is the subject of transformative disclosure in Jaan Kross's Czar's Madman Ron Kovic's Born on the Fourth of July O'Brien's In the Lake of the Woods and A.B. Yehoshua's Friendly Fire In some stories events propel the characters into a friendly fire catastrophe as in Thomas Taylor's A Piece of this Country and Oliver Stone's 1986 film Platoon This study examines friendly fire in a broad range of literary contexts

Movie-Made America Robert Sklar, 2012-10-31 Hailed as the definitive work upon its original publication in 1975 and now extensively revised and updated by the author this vastly absorbing and richly illustrated book examines film as an art form technological innovation big business and shaper of American values Ever since Edison's peep shows first captivated urban audiences film has had a revolutionary impact on American society transforming culture from the bottom up radically revising attitudes toward pleasure and sexuality and at the same time cementing the myth of the American dream No book has measured film's impact more clearly or comprehensively than *Movie Made America* This vastly readable and richly illustrated volume examines film as art form technological innovation big business and cultural bellwether It takes in stars from Douglas Fairbanks to Sly Stallone auteurs from D.W. Griffith to Martin Scorsese and Spike Lee and genres from the screwball comedy of the 1930s to the hard body movies of the 1980s to the independents films of the 1990s Combining panoramic sweep with detailed commentaries on hundreds of individual films *Movie Made America* is a must for any motion picture enthusiast

Historical Dictionary of American Cinema Keith M. Booker, 2011-03-17 One of the most powerful forces in world culture American cinema has a long and complex history that stretches through more than a century This history not only includes a legacy of hundreds of important films but also the evolution of the film industry itself which is in many ways a microcosm of the history of American society as a whole The *Historical Dictionary of American Cinema* provides broad coverage of the people films companies techniques themes and genres that have made American cinema such a vital part of world cinema This is done through a chronology an introductory essay a bibliography and over 500 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the history of American Cinema

Hollywood's Imperial Wars Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history

and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in Hollywood's Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood's earlier representations of Americans at war from the mythic heroism of a film like *Sands of Iwo Jima* to the rupture of that myth in films such as *The Deer Hunter* *Apocalypse Now* and *Platoon* As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats's analysis were forever altered by the loss in Vietnam Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts

Oliver Stone Oliver Stone, 2001 Ranging from 1981 to 1997 the 15 conversations featured in this collection reveal a man frustrated by what he sees as the hypocrisies of American politics of conservatism and of the Hollywood film industry Though the subjects of Nixon JFK Born on the 4th of July *The Doors* and *Heaven and Earth* are rooted in the turbulent 1960s Stone as interviewee and filmmaker is firmly entrenched in the present Film stills
